STIPULATED MOTION TO SUSPEND ALL PROCEEDINGS

Opposer, Athletics Investment Group LLC, d/b/a the Oakland Athletics Baseball Company, with the consent of Applicant, The Board of Trustees of The University of Alabama, hereby requests a further six (6) month suspension of all proceedings in the above-captioned opposition action. The parties have been discussing a possible settlement of this matter that will eliminate the need to proceed with the opposition. Counsel for applicant is currently reviewing a written draft settlement agreement provided by counsel for the Club, that will resolve all issues in the proceeding relating to the mark at issue in the opposition. The review and finalization of the settlement terms has taken considerable time and effort as it relates to several marks applied for

by Applicant that include a stylized elephant design. Counsel for Applicant, David Kera, has asked that a further suspension be granted in these proceedings because he has had a family emergency arise that has prevented him from concluding his review of the terms of the written draft agreement with his clients. The parties will work diligently on the further negotiations of any terms in the draft agreement that cannot be accepted by Applicant and its counsel and hope to have the matter concluded before the close of the requested further suspension request.

Counsel for Applicant, David Kera, has consented to this request in written communication with the undersigned. This request is being submitted as required by TBMP 509.02. A copy of this consented motion is being served on counsel.
