3 MR. GRIGGS: I am ready. Are we on the  
4 record?

5 MR. GULLAHORN: Yes. Okay. I am going to  
6 introduce my witness; is that okay with you, Mr. Griggs?

7 MR. GRIGGS: Yes, sir.

8 MR. GULLAHORN: And I am going to have the  
9 witness identify themselves.

10 DIRECT EXAMINATION

11 BY MR. GULLAHORN:

12 Q. Can you tell me who you are?

13 A. My name is Jean Ryan Gullahorn.

14 Q. Can you tell me where you live?

15 A. I live at 4111 Calico Drive, Cantonment,  
16 Florida, 32533.

17 Q. And do you presently have an attorney for  
18 this case?

19 A. At this time, no.

20 Q. And have you been notified as to the  
21 deposition regarding this case by the Opposer?

22 A. Yes. I was notified.

23 Q. And is the Opposer sending materials, to  
24 your knowledge, to someone other than the attorney  
25 representing us in this case?

1           A.       Yes. The Opposer keeps mentioning in his  
2 statements of service that he is sending messages,  
3 facsimilies, and mailings to our former attorney, which we  
4 notified him the last time, December 30, 2004, that we were  
5 no longer employing.

6           Q.       All right. Do you know why that might be  
7 occurring?

8           A.       I don't know if he doesn't read our mailings  
9 or if it's an attempt to delay our receipt of his mailings.

10          Q.       All right. Are you receiving the materials  
11 for this case in a timely manner since you are handling  
12 that for me?

13          A.       I received the Notice of Deposition for the  
14 Opposer. It was a Friday afternoon when I came home from  
15 work. It was in the mailbox. I had the weekend; I had the  
16 following Monday, which was the first work day, and the  
17 Opposer's deposition was on the next day, Tuesday.

18                    So I had one weekday or one work day to try  
19 to contact somebody to learn what I could do as far as  
20 attending the deposition or making arrangements to travel  
21 or make arrangements for someone to take care of our  
22 children and so forth.

23          Q.       All right. I'd like to state for the record  
24 that I am John Daniels Gullahorn; that I understand that  
25 you agree that my representation of our trademark

1 application is in order to conduct this deposition;  
2 do you agree?

3 A. Yes.

4 Q. Notice was sent to the attorney of record  
5 for the opposing side, Attorney Dennis Griggs, located in  
6 Dallas, Texas, and to his associate attorney, Angela  
7 Garcia-McSweeney located in Chester, New York. The Notice  
8 of Deposition was dated May 16, 2005.

9 Mr. Griggs is conducting his business using  
10 a phone for this interview -- this deposition. And please  
11 let the record show that Mr. Griggs is attending, as we  
12 have already established, and please speak loudly,  
13 Mr. Griggs, if you have anything to say for my wife as she  
14 has problems hearing.

15 Were you notified of the Opposer's  
16 deposition?

17 A. Yes.

18 Q. And did we attend the Opposer's deposition?

19 A. No. We were not able to attend the  
20 deposition.

21 Q. Why were we unable to attend the Opposer's  
22 deposition?

23 A. Because we had one weekday or one work day's  
24 notice of the deposition.

25 Q. All right. And what is your profession?

1 A. I am veterinarian.

2 Q. How long have you been a practicing  
3 veterinarian and where have you practiced?

4 A. I've been practicing sine 1989. I am  
5 licensed in Florida, and I hold an inactive license in  
6 Alabama, New York, South Carolina, and Mississippi.

7 Q. And where are you presently employed?

8 A. I am presently self-employed at Cat Clinic  
9 of Pensacola at 2322 West Nine Mile Road, Pensacola,  
10 Florida, 32534.

11 Q. All right. Are you familiar with cats and  
12 cat grass products?

13 A. Yes, I am. Cats are carnivores, but plants  
14 and grass-eating is a natural behavior for them. Because  
15 plant and grass material have no nutritional value and is  
16 not digested within the cat's gastrointestinal tract, it  
17 can -- it acts as a local irritant and causes vomiting. So  
18 grass-eating seems to serve as a method for a cat to purge  
19 itself of hairballs or some other foreign material.

20 Q. Okay. And can you state for the record how  
21 you were associated with John Gullahorn and "Cool Cat  
22 Products"?

23 A. John Gullahorn is my husband. We both  
24 co-own and co-operate "Cool Cat Products," and I am the  
25 maker of the "Cool Cat Fantasy Collars," and the person

1 that sometimes comes up with the idea for new production.

2 Q. Okay. Do we have any employees for this  
3 business?

4 A. Just ourselves.

5 Q. Okay. And can you tell me why you make  
6 these collars?

7 A. I like crafts, and I like to make the  
8 collars because I find it very relaxing. If I have had a  
9 stressful day, I can make 10 or 15 in an evening, and I am  
10 very relaxed afterwards.

11 Q. Okay. How long have you been making the  
12 collars?

13 A. I have been making the collars since I was a  
14 child. I was probably in fourth or fifth grade when I  
15 started, and I have been making them since then.

16 Q. Okay. So you made these as a child. Did  
17 you sell the collars when you were a child making these?

18 A. No. I did not sell the collars as a child.  
19 We usually ended up giving away to family and friends that  
20 would come over and admire the collars that our cats were  
21 wearing and asked how they could get one.

22 Q. What did you call the collars that you made  
23 when you were growing up?

24 A. I called them, "Cool Cat Collars."

25 Q. Okay. And where did the term, "Fantasy,"

1 come from in relation to "Cool Cat Collars"?

2 A. The term, "Fantasy," came around as a joke.  
3 In the 90's, some of the styles were -- we will say,  
4 "Fantasies for Cats." We had the "Prince/Princess  
5 Fantasy." A cat could wear the collar and fantasize that  
6 it was a prince or princess.

7 We had the "Queen/King Fantasy." We have  
8 the "Beach Baby Fantasy," where the cat can fantasize it is  
9 at the beach. It all started as a joke about cats and  
10 their dreams and what they are dreaming about.

11 Q. So do you make all of the "Cool Cat  
12 Collars"?

13 A. I make all of the "Cool Cat Fantasy  
14 Collars."

15 Q. Okay. So you have other designs other than  
16 the "Fantasy Collars"?

17 A. Yes. We also have a velcro collar. On the  
18 velcro collars, there are five different designs, and I  
19 made all of the designs, but I don't manufacture those  
20 collars. We also have several styles of "Cool Cat Leather  
21 Collars."

22 Q. Okay. And where are these collars made?

23 A. The velcro collars are manufactured in  
24 China, and the leather collars are manufactured in India.

25 Q. And do you have any knowledge of any

1 exhibits that pertain to anybody that we may have had make  
2 our collars?

3 I am calling your attention to, I believe,  
4 Exhibit 14 dated December 2001.

5 A. Yes. We were contacted via the Internet by  
6 a gentleman named Jason. He had seen our website and  
7 wanted to manufacture collars for us. And you sent him,  
8 returned his e-mail, sent him a letter, asking him for  
9 information to begin a line, a new line, a new style of the  
10 "Cool Cat Products" -- collar -- that was the velcro  
11 collar.

12 Q. Okay. So we would have two styles of  
13 collar; leather and velcro?

14 Backing up a little bit, where did you come  
15 up with the name, "Cool Cat"?

16 A. I used to watch, "The Many Loves of Dobie  
17 Gillis," and Maynard G. Krebs, who was a hippy character on  
18 there, used that term. And being in fourth and fifth  
19 grade, I thought it was pretty cool, so I started using it.

20 Q. All right. So you have been making these  
21 collars since you saw Mr. Krebs' character or television  
22 35 years ago?

23 A. That's correct.

24 Q. Okay. But you didn't sell the collars.  
25 When did you start selling and using the "Cool Cat

1 Collars," mark? Or the "Cool Cat," mark?

2 A. Well, my cats have always worn my "Cool Cat  
3 Collars," and I frequently have had people want me to make  
4 them and give them to them. So, in 1999, we decided we  
5 would start an Internet website and a collar business and  
6 sell the collars because there is quite a demand for them,  
7 I found, from people that saw the collars.

8 So, in 1999, I started making collars in an  
9 effort -- with planning to sell them in 2000 when we  
10 finished our website and and got it launched.

11 And, I am sorry, I forget the second part of  
12 that question? The mark?

13 Q. When did we start using the mark?

14 A. Oh, the mark was used, actually, at the end  
15 of 1999 when I was making the collars because the "Cool Cat  
16 Fantasy Collars," come in two different sizes, medium and  
17 large.

18 And once I make them, to know what size it  
19 is, or to make it quicker to determine what size it is,  
20 rather than measuring it, I put the tag on it, and I circle  
21 an "M," for medium or the "L," for large. And when the  
22 time comes to fill an order, I just grab the appropriately  
23 marked tag, and I know that I have the right size collar.

24 Q. Okay. But when was the first date that we  
25 actually provided a trademark product to a customer?

1 A. The first thing --

2 Q. It's in Exhibit 1, I believe.

3 A. The first date that we have that we sold a  
4 collar; it's actually the ship date was September 21st. I  
5 have the postal receipt attached in front of the order  
6 form, and that was for "Cool Cat Fantasy."

7 I believe they wanted a "King Collar." We  
8 had it listed as a "Queen," but they must have had a male  
9 cat because they had crossed out, "Queen," and put "King."  
10 And they paid by check.

11 Q. All right. And --

12 MR. GRIGGS: Excuse me. What is -- you said  
13 December 21; what year was that?

14 THE WITNESS: It was shipped September 21,  
15 2000.

16 MR. GRIGGS: Thank you.

17 BY MR. GULLAHORN:

18 Q. And when did we sell our first collar in the  
19 State of Florida?

20 A. For some reason, the Floridians waited on  
21 purchasing collars from us and our first collar was sold  
22 the last Thursday in December, which I believe was  
23 December 20, 2001. It was sold to Kathryn Daniel who is a  
24 television news reporter who had come to our house in  
25 November of 1999, that she was doing a story on us and a

1 charity project that we put on yearly and noticed our cats  
2 wearing the collars and inquired about them. And the  
3 information on that is in Exhibit 2.

4 Q. All right. And our first sale was  
5 December of 2001 but we didn't have a Florida sales  
6 certificate application until January of 2002.

7 A. That's correct. I told you we needed a  
8 sales tax certificate, but you did not get one until we  
9 sold one in Florida. At that time, it was the holidays and  
10 you did not rush to your computer to sign us up to be able  
11 to receive Florida sales tax.

12 Q. Okay. As far as you know, are we still  
13 accepting money for collars?

14 A. We presently accept cash, check, money  
15 order, credit card, whatever.

16 Q. Okay. And who are our credit card  
17 providers?

18 A. Presently PayPal is our credit card  
19 provider, and they have --

20 Q. Is it Exhibit Number 3 or 4?

21 A. PalPal is Exhibit 5. PayPal has been our  
22 credit card provider since February 3, 2002. That's when  
23 the account was created, "Cool Cat Collars," and our  
24 business URL was [www.coolcatcollars.com](http://www.coolcatcollars.com).

25 Q. Okay. Are "Cool Cat Products," sold retail

1 or wholesale? How are they sold?

2 A. We sell them both wholesale and retail. If  
3 someone orders 25 collars, they get a discount. We don't  
4 care what they are going to do with them. If they are  
5 going to sell them or if they are putting 25 collars on 25  
6 cats; that's their business.

7 But if they are going to order that much,  
8 they should get a price break. We do not keep a list of  
9 who buys from us. That is not important. What is  
10 important is that we sell the products and that they are  
11 good products.

12 Q. Okay. So do you know where your products  
13 are sold?

14 A. Our products are sold over the Internet.  
15 They are also sold at my practice in the boutique section.  
16 They are also sold on E-Bay by us, and we have seen them  
17 sold on Great Britain's E-Bay by another individual that  
18 apparently purchased the collars from us at some point in  
19 time.

20 Q. Okay. And where do you display the "Cool  
21 Cat," mark?

22 A. The "Cool Cat," mark is on the collar tags.  
23 It's also on the velcro collar. It's on our website. It's  
24 on our stationery. It's on our receipts. And that's all I  
25 can think of right now.

1 Q. Is it on PayPal?

2 A. Yeah. It's on PayPal. It was on our credit  
3 cards when we had Credit Card Now. It was on that company.

4 Q. How would somebody locate your Internet  
5 website?

6 A. Well, they can go to Google and type in,  
7 "Cat Collars," and we come up in the top ten because our  
8 company has been in existence for so long. Or if they know  
9 the name of our product, and they type it, of course, it  
10 will come right up, and they can go to our website and  
11 place their order at that time.

12 Q. Do you recall any names of URLs of the --

13 A. Yes. "www.coolcatcollars.com"  
14 "www.coolcatproducts.com" "www.fantasycollars.com"  
15 and our products are also mentioned on my hospital website  
16 at "www.catclinicofpensacola.com."

17 Q. Okay. And we already mentioned that you  
18 had wholesale orders for people who ordered more than  
19 25 collars?

20 A. Yes.

21 Q. In Exhibit 13, you indicate that the people  
22 who -- who all have you sold these collars to wholesale?

23 A. I don't know have a list of everyone that I  
24 have sold to wholesale. A lot of our records were lost or  
25 damaged when our storage building was destroyed during

1 Hurricane Ivan.

2                   This literature I have, the paperwork I have  
3 is paperwork that I pulled out in advance when we first  
4 became aware there was an opposition to our application.  
5 However, I do have requests for our products. I have  
6 letters starting from October 20, 2000, from an  
7 individual -- I am not sure where she is located.

8                   I have one, Blue Pointe, New York,  
9 November 18, 2001, that wants to carry our products.  
10 Another one, Arlington, Virginia, that wanted to carry our  
11 products.

12                Q.       All right. That's satisfactory. And those  
13 receipts go back to October 2000?

14                A.       Yes. Exhibit 10, I have cat collar receipts  
15 going back to October 2000. And, in these receipts, I have  
16 one person that mentioned, "This was the third time that I  
17 have purchased from you in a three-year period." I  
18 received this order March 29, 2005, so that -- so she has  
19 placed orders from us back to 2002 she is commenting.

20                   There is another order in here where the  
21 people comment, "We love your collars. We used to get them  
22 in Jerome, Arizona."

23                   MR. GRIGGS: Excuse me. Would you refer to  
24 the exhibit number?

25                   THE WITNESS: It's still Exhibit 10. They

1 say, "We used to get them in Jerome, Arizona," and we don't  
2 even know that we have someone selling them in Jerome,  
3 Arizona, but, apparently, we do.

4 BY MR. GULLAHORN:

5 Q. Okay. And do you know when we started  
6 using the mark on the collars?

7 A. We started using the mark when we started  
8 making the collars which was at the end of 1999, and I have  
9 my credit card receipt where I was purchasing the materials  
10 to make the collars.

11 Q. Where did the mark come from?

12 A. I drew the cat, and you designed the  
13 writing.

14 Q. Okay. And when did you apply for a  
15 trademark?

16 A. We originally applied in 2002. And since  
17 we're not attorneys, we made a mistake on our application,  
18 and it was returned approximately six months later. We  
19 reapplied in May for "Cool Cat Products." That was  
20 May 2004.

21 Q. Okay. Was it May 2003 or May 2004?

22 A. Oh, I'm sorry. May 2003. I don't have any  
23 notes in front of me, as our Opposer's attorney has  
24 requested that we do not do that.

25 Q. Okay. And so, if we filed on May 8th, 2003,

1 does that predate the Opposer's application?

2 A. Yes, it does.

3 Q. Okay. Is the mark on anything other than  
4 the collars?

5 A. Presently, besides our Internet website and  
6 the paperwork that we have mentioned, it's not on any other  
7 products. I attempted a new product in 2001 that I was not  
8 satisfied with its durability, and I haven't gotten back to  
9 that product, but I also have ideas on other products that  
10 still are not out where we would be using the mark.

11 Q. Okay. So Mr. Griggs already has a copy of  
12 the other exhibits, Exhibit 16, and I direct your attention  
13 to Exhibit 16, and I'd like to ask if you have any personal  
14 knowledge of how the Opposer advertises their product.

15 A. Yes. I do have some personal knowledge of  
16 how the Opposer advertises his product. I located his  
17 Internet website, and I made a copy of it. The date of  
18 this copy is April 13, 2005. That's Exhibit 16.

19 Q. All right. And did you find any mention of  
20 "Cool Cat Wheatgrass," or "Cool Cat Grass," or --

21 A. Well, there are ten sections to his Internet  
22 website. Each of the sections state at the end, "This site  
23 was last updated June 2003."

24 The only section that mentions animals at  
25 all -- let me find it. I think it is a little

1 bit out of order -- is the customer section. There's a  
2 section; it reads, "Man's best friend, wheatgrass is not  
3 just great for you. It's great for your pet."

4 It discussed feeding wheatgrass to your dog  
5 or cat, let them nibble it, and how healthy it is, but it  
6 never mentions that they have a product made for dogs or  
7 cats and the name, "Cool Cat Pet Grass," or "Cool Cat  
8 Wheatgrass," or "Cool Cat Pet Treat," and so forth, is not  
9 listed anywhere on this Internet site.

10 And, as I mentioned, this Internet site  
11 clearly states at the end of every section that it was last  
12 updated June 2003. So June 2003, they were not advertising  
13 any of their pet products on their advertising site.

14 Q. Okay. So as a person who is real familiar  
15 the pet products industry, do you find it strange that  
16 somebody would have a product that they are selling and  
17 that they wouldn't advertise it on their website?

18 A. Yes, I do. And to continue on the second  
19 page of the "Our customer's section," the Opposer says, "We  
20 work with florists who use wheatgrass. We provide  
21 wheatgrass to interior designers. Photographers use  
22 wheatgrass. Department stores use wheatgrass."

23 Nowhere does it say that he provides  
24 wheatgrass to any sort of an animal facility.

25 Q. Okay. As a veterinarian, have you ever been

1 solicited to purchase any "Cool Cat Wheatgrass," for sale  
2 in your veterinary hospital?

3 A. I have never been solicited to sell any kind  
4 of wheatgrass.

5 Q. Okay. Do you know when the Opposer claims  
6 he started selling his wheatgrass product from your review  
7 of the documents?

8 A. Well, from my personal review of the  
9 documents, and this includes the filing on the trademark  
10 website, the information available there, from the filing  
11 of the Opposer and from the amendment that they later  
12 filed, and then, from the deposition that I read, where the  
13 Opposer said that he started selling his grass, his  
14 wheatgrass, there's three different dates given.

15 The first date would be when the application  
16 was filed which, I believe, was May 23, 2003 -- excuse  
17 me -- May 24, 2003.

18 Later, the date was changed. I notice after  
19 the Opposer employed Mr. Griggs, the date was changed to  
20 January --

21 Q. All right. So you are telling me that they  
22 changed the date of first use?

23 A. Yes, sir. The date of first use was then  
24 amended and changed to January 2002.

25 Q. All right. So was this the last time that

1 they changed their date of first use?

2 A. No. My personal observation from reading  
3 their deposition, they then changed the date again to the  
4 1980s. Usually, it's listed as 1988.

5 Q. All right. So from your personal  
6 observation, you have seen that in review of these  
7 documents, there's been some inconsistencies?

8 A. This is in direct conflict with the Internet  
9 website that was last updated June 2003 that does not list  
10 the product.

11 Q. Okay. And during the discovery process that  
12 we disclosed the information to the Opposer, have our dates  
13 of first use remained consistent?

14 A. Yes.

15 Q. Okay. Is there any evidence in the  
16 depositions or the exhibits that were introduced during the  
17 deposition by the Opposers that support their date of first  
18 use being in the 1980s?

19 A. No, there's not. They do have receipts from  
20 the 1980s, but they simply say, "Wheatgrass."  
21 And we are not arguing that the Opposer does not sell  
22 wheatgrass.

23 He has -- his receipts start to say, "Pet  
24 grass," as I recall, around December 2001. The first  
25 receipt that he provided as evidence in his deposition that

1 stated he sold pet grass was December 2001.

2 Q. Okay. So, moving on, are you familiar with  
3 kenneling animals. You are a veterinarian.

4 A. Yes. I have had my own business since 1991  
5 and I have kenneled animals, kenneled and boarded animals.

6 Q. Okay. And have you had occasion to  
7 practice in the State of New York where the Opposer resides  
8 and does business?

9 A. Yes. I practiced in New York from 1989 to  
10 1990 on Long Island.

11 Q. Okay. And, during that time, did you have  
12 any clients who kenneled their dogs?

13 A. Yes. I had clients who kenneled their dogs,  
14 and I had clients that had cats that used boarding  
15 facilities.

16 Q. So did any of the clients that you know that  
17 kenneled their dogs or cats, were they provided with  
18 wheatgrass during their time that they were boarded?

19 A. I have never heard of that being done.  
20 Kenneling is very stressful for an animal, just as boarding  
21 is very stressful for a cat.

22 And with the stresses from being in a new  
23 environment, being fed different food, having different  
24 caretakers, being around different animals, it is not too  
25 infrequent that the animal will become ill, may develop

1 diarrhea or vomiting. So it wouldn't make too much sense  
2 to feed either a dog or a cat "Cat grass," (sic) or  
3 wheatgrass since we know it is an emetic.

4 Q. All right. But do you have any personal  
5 knowledge of this specific kennel that's referred to in the  
6 deposition by the Opposer?

7 A. By definition, a kennel is a facility for  
8 dogs. I did look them up on the Internet and did not find  
9 them, so I don't know if they are any longer in business.

10 Q. But you didn't have any specific knowledge of  
11 them while you were practicing there?

12 A. No, I do not.

13 Q. Okay. And are you saying that it would be  
14 unlikely that someone would use --

15 MR. GRIGGS: I'm going to object to your --  
16 the way you are phrasing that, Mr. Gullahorn. You are  
17 leading your witness.

18 MR. GULLAHORN: Okay.

19 BY MR. GULLAHORN:

20 Q. Well, what would you say about a kennel  
21 using wheatgrass as a supplement?

22 MR. GRIGGS: Mr. Gullahorn, I am still going  
23 to object.

24 MR. GULLAHORN: Okay.

25 MR. GRIGGS: I can't see any possible

1 relevance to any issue in this proceeding as to what a  
2 kennel may or may not do.

3 MR. GULLAHORN: Well, I believe that one  
4 the exhibits in the previous deposition contained  
5 information about a kennel in New York that purchased your  
6 client's product for use in their facility. And I am just  
7 demonstrating that it is unlikely that that ever occurred.

8 MR. GRIGGS: Mr. Gullahorn, the time that you  
9 should have brought that up was during your deposition.  
10 It's improper for you to do that now.

11 MR. GULLAHORN: Okay. We will move on,  
12 then.

13 BY MS. GULLAHORN:

14 Q. So do you have any personal knowledge of the  
15 Opposer selling their pet grass as a veterinarian?

16 A. I am not sure what you mean.

17 Q. Do you have any information about, you know,  
18 you have seen the Opposer's deposition exhibits, and  
19 there's a flyer in there, I believe.

20 MR. GRIGGS: Mr. Gullahorn, I object to your  
21 leading your witness.

22 MR. GULLAHORN: Okay.

23 BY MR. GULLAHORN:

24 Q. What do you have to say about  
25 Exhibit 17?

1           A.       I have reviewed Exhibit 17, as I have  
2 reviewed the entire deposition and exhibits.

3                   And Exhibit 17, the Opposer said at his  
4 deposition, was made December 2001. What this is is an  
5 advertising flyer, and he --

6                   MR. GRIGGS: Mr. Gullahorn, I am going to  
7 object to this line of questioning. This is attacking our  
8 exhibits. You may have -- could have done that during your  
9 deposition, but now is not the time or place to do that.

10                  MR. GULLAHORN: Well, I would think even if  
11 we have personal knowledge of this document having been  
12 mailed to us, we can't introduce it?

13                  MR. GRIGGS: For what purpose?

14                  MR. GULLAHORN: To show inconsistency in  
15 the dates. This was mailed to us and, you know --

16                  MR. GRIGGS: Mr. Gullahorn, once again, I  
17 object to your attacking the Opposer's evidence that was  
18 presented during his deposition. Now is not the time to  
19 make such an attack.

20                  MR. GULLAHORN: It was mailed to us prior  
21 to the deposition.

22                  MR. GRIGGS: I understand. What I am saying  
23 is now is not the time to attack the Opposer's evidence.  
24 You had your opportunity to do that during your  
25 deposition -- during your testimony.

1 MR. GULLAHORN: This is not evidence -- I  
2 don't believe that --

3 I need a minute to confer. Can I do that?  
4 Do you have any objection?

5 MR. GRIGGS: Of course. Go ahead.

6 BY MR. GULLAHORN:

7 Q. Okay. Do you recall receiving a letter,  
8 Doctor, in April 2004 from the trademark attorneys for the  
9 Opposition?

10 A. Yes, I did. We received a letter at that  
11 time from Mr. Griggs requesting that we discontinue our  
12 pursuit of our trademark and included in his letter was the  
13 same item that the Opposer is using as Exhibit 14 as we're  
14 using as Exhibit 17.

15 But we received this a year -- excuse me,  
16 what is the date -- almost a year before the Opposer's  
17 deposition.

18 MR. GULLAHORN: So you are telling us that  
19 we can't use this?

20 MR. GRIGGS: Mr. Gullahorn, once, again, I  
21 object to this line of questioning. It's improper for you  
22 to attack the Opposer's evidence during your own testimony.  
23 So I ask the court reporter to note that we have a standing  
24 objection to this line of questioning.

25 COURT REPORTER: So noted.

1 BY MR. GULLAHORN:

2 Q. Did you receive anything in the mail in  
3 April 2004?

4 A. Yes, I did. I received a letter from  
5 Griggs Bergen LLP. Actually, it was addressed to you, but,  
6 of course, I looked at it, and included in the letter was  
7 the Opposer's marks, and one of the marks clearly states  
8 that, "Wheatgrass is a new product."

9 It says, "A new fresh wheatgrass treat for  
10 cats, birds, rabbits, lizards, mice, and guinea pigs." It  
11 starts out, "Attention produce managers: Perfect Foods  
12 Inc. presents Cool Cat Pet Grass."

13 Then it continues with "A new fresh  
14 wheatgrass treat for cats, birds, rabbits, lizards, mice,  
15 and guinea pigs," and it continued with, "The same  
16 nutritious wheatgrass sold at juice bars is now available  
17 for pets."

18 Q. All right. You don't have to read the whole  
19 thing. I think we have got the gist of it.

20 A. "It's now offered for the first time, fresh  
21 and ready to use." It also says, "Pet grass products are a  
22 hot item in fruit and vegetable stores, gourmet and  
23 healthfood stores in Chicago and Los Angeles. It's time  
24 for pet grass to come to New York."

25 Q. All right. And have you performed any

1 Internet searches for cat grass in your preparation for  
2 this deposition?

3 A. Yes, I have.

4 Q. And can you tell me what you found?

5 A. I did a search for "Cool Cat Wheatgrass," on  
6 April 13, 2004, and the search did not match any documents.

7 Q. So --

8 MR. GRIGGS: Mr. Gullahorn, we object to  
9 this line of questioning. There is no relevance whatsoever  
10 to any issue in this proceeding. Your attacks on our  
11 evidence is completely without relevance and improper at  
12 this stage.

13 MR. GULLAHORN: This was not an attack on  
14 their evidence, Mr. Griggs. This was information that was  
15 mailed to us over a year ago that we have had on file and  
16 that we have chosen to make known at this point.

17 Now, whether or not, you know, you guys used  
18 it as evidence may be -- maybe the Board will find that's  
19 appropriate, but, you know, I think that it's important  
20 that it should be pointed out that it's inconsistent with  
21 what your story is.

22 BY MR. GULLAHORN:

23 Q. All right. Let's move on.

24 MR. GRIGGS: Once again, I object to your  
25 questions and to this offering of this exhibit for the

1 reasons that you have stated.

2                   Once again, it's improper for you to attack  
3 our evidence at any way at this time. You have had your  
4 opportunity already to do that.

5                   MR. GULLAHORN: I think we heard you the  
6 first time you said that, Mr. Griggs. But if you would  
7 like to keep repeating yourself.

8                   MR. GRIGGS: Yes, sir. And I want the court  
9 reporter to note that I have repeated the objection.

10                   COURT REPORTER: So noted.

11                   MR. GULLAHORN: Okay. And I'd like to note  
12 that this was mail that I received a year prior to their  
13 deposition that I have had in my file and that I have  
14 chosen to present at this time.

15 BY MR. GULLAHORN:

16                   Q.       So did you have any personal observations  
17 about the pet grass product when you reviewed their  
18 deposition materials, Dr. Gullahorn?

19                   A.       Yes. I noticed that the first date when pet  
20 wheatgrass was sold was in December 2001, which was their  
21 Exhibit 13. I noticed that the receipts included evidence  
22 prior to that. Exhibit 1, 2, 3, and 10 and 12 only show  
23 the sale of wheatgrass, which we know he has a --

24                   MR. GRIGGS: Mr. Gullahorn, I object to this  
25 line of questioning and your attack on our evidence as

1 improper. I would like the court reporter to note for the  
2 record our objection.

3 COURT REPORTER: So noted.

4 MR. GULLAHORN: I would like to note that  
5 if we had been given enough opportunity, we would have made  
6 arrangements to attend the deposition, probably in much the  
7 same way that you are.

8 I don't have any more questions for the  
9 witness. Would you like to cross-examine?

10 MR. GRIGGS: Yes. Thank you.

11 CROSS-EXAMINATION

12 BY MR. GRIGGS:

13 Q. Ms. Gullahorn, can you hear me okay?

14 A. I am Dr. Gullahorn. Yes, I do hear you.

15 Q. Are you familiar with every aspect of your  
16 husband's business?

17 A. Pretty much so.

18 Q. And, in particular, are you familiar with  
19 the sale of products, the various products that are carried  
20 in his business?

21 A. I am not sure what you mean.

22 Q. I believe you testified that you manufacture  
23 some of the products that Mr. Gullahorn sells; is that  
24 correct?

25 A. That's correct.

1 Q. And that others are purchased from third  
2 parties from offshore suppliers?

3 A. That's correct.

4 Q. Do you have a personal knowledge as to  
5 those products actually being shipped to a customer on  
6 which the product, if it's a cat collar, carried a  
7 trademark label?

8 A. Yes. I believe that we show our receipts  
9 in our Exhibit 10. I am the one that usually mails the  
10 collars.

11 Q. Is it correct and true to say that you have  
12 a personal knowledge of a shipment of all the products that  
13 have been sold in your husband's business?

14 A. I won't say, "All of the products everyday,"  
15 but I know the products. I am generally the mail person,  
16 but there have been days when he has been the mail person.

17 Q. Okay. But who was handling order  
18 fulfillment back in the year 2000?

19 A. Probably both of us were doing it.

20 Q. Okay. Do you have personal knowledge of  
21 the sale that has been alleged to have occurred and shipped  
22 on September 21, 2000?

23 A. Yes.

24 Q. And would you tell me which, what sale it  
25 was, and identify the exhibit, the trademark label, that

1 was associated with it?

2 A. Okay. Let me just find it here. I believe  
3 that was Exhibit 1. Here it is.

4 I believe it was Exhibit 1, and the product  
5 was shipped -- the order was made on September 14th, 2000,  
6 and the product was shipped September 21, 2000.

7 Q. And who was that customer?

8 A. Patty Olzak.

9 Q. And what was that customer's address?

10 A. 751 Bishops Lane, Webster, New York,  
11 14580-2459.

12 Q. To your knowledge, is that the first sale  
13 of product that carried the trademark label?

14 A. Yes.

15 Q. And I believe that you testified that your  
16 first Florida customer, your first customer in Florida,  
17 where the shipment was made was December 2001; is that  
18 correct?

19 A. Yes.

20 Q. Do you, in your personal knowledge, do you  
21 know of any other sales to a customer in Florida that was  
22 earlier than that date?

23 A. No.

24 Q. Do you know of any sales to a customer  
25 anywhere in the world that occurred prior to September 21,

1 2000, in which the product carried a trademark label of any  
2 kind -- strike that -- the trademark label as shown on  
3 Exhibit 11 or Exhibit 12?

4 A. Will you repeat the question? It got too  
5 long.

6 Q. I am just wondering were there any other  
7 earlier sales that you have not accounted for or product  
8 was shipped that carried the trademark label?

9 A. None that we can remember.

10 Q. Okay. Dr. Gullahorn, in your personal  
11 knowledge and belief, what is your trademark?

12 A. I am not sure what you mean.

13 Q. What does it consist of? For example, look  
14 at Exhibit 11 and Exhibit 12; is that your trademark?

15 A. Are you referring to the pictures of the cat  
16 head?

17 Q. I am referring to the text and the images  
18 shown on the various labels that have been reproduced on  
19 that page.

20 A. Yes. Our mark is the cat head and it's  
21 called, "Cool Cat Products."

22 Q. What is "Cool Cat Fantasy Collar"?

23 A. It is a type of a "Cool Cat Product." The  
24 different collars have different names.

25 Q. Dr. Gullahorn, did you design the trademark?

1           A.       I drew the cat head, and my husband designed  
2 the writing style.

3           Q.       Okay. I refer you to Exhibit 19, which is  
4 unsigned and has not yet been offered.

5                   MR. GRIGGS: Do you intend to offer that,  
6 Mr. Gullahorn?

7                   MR. GULLAHORN: Yes. I can offer that at  
8 this time. It's an affidavit by my wife.  
9 (Whereupon, the instrument referred to by counsel was  
10 marked and offered into evidence as Exhibit No. 19.)

11                   MR. GRIGGS: All right.  
12 I don't have any more questions of Dr. Gullahorn.

13                   THE WITNESS: Very good.

14                   MR. GULLAHORN: I guess we're done then.

15                   MR. GRIGGS: Are you ready to go off the  
16 record?

17 (EXHIBITS 16, 17, & 18 WERE PREVIOUSLY MARKED IN JOHN  
18 GULLAHORN'S DEPOSITION TESTIMONY.)

19  
20 WHEREUPON, the deposition concluded.

2 P R O C E E D I N G S

3 COURT REPORTER: This is May 26th, 2005.  
4 I'm here with the Gullahorns. I am going to be calling a  
5 Dennis Griggs, who will be appearing by phone.

6 (COUNSEL IS CONTACTED BY TELEPHONE.)

7 MR. GRIGGS: Yes, ma'am?

8 COURT REPORTER: How are you?

9 MR. GRIGGS: Fine. Thanks.

10 COURT REPORTER: Good. Are you ready for  
11 this deposition we are doing by phone?

12 MR. GRIGGS: I am. Hold on a minute. Let  
13 me close my door. Just a minute.

14 COURT REPORTER: Great. Thank you.

15 MR. GRIGGS: All right. Go ahead.

16 COURT REPORTER: All right. I am going to  
17 be --

18 MR. GRIGGS: Did you get my fax this  
19 morning?

20 COURT REPORTER: Let me check. Can you hang  
21 on just a second?

22 MR. GRIGGS: Yes.

23 COURT REPORTER: It would have been a fax of  
24 what, sir?

25 MR. GRIGGS: My Notice of Appearance by

1 Telephone with my contact information on it.

2 COURT REPORTER: That has not been given to  
3 me. Hang on just one second. And I have the Gullahorns  
4 here in the room with me as well.

5 (COURT REPORTER RELAYS PHONE NUMBER TO COUNSEL  
6 TO RESEND DOCUMENT.)

7 MR. GRIGGS: Hold on a minute. I will ask  
8 my secretary to send it again.

9 (MR. GRIGGS REFAXES NOTICE OF APPEARANCE.)

10 COURT REPORTER: I am going to be swearing  
11 in the Gullahorns. Mr. Griggs?

12 MR. GRIGGS: Yes. Go ahead.

13 JOHN D. GULLAHORN

14 AND

15 DR. JEAN R. GULLAHORN,

16 were both duly sworn by Florida Notary Public,  
17 Deborah Kharuf, and they testified as  
18 herein follows:

19 COURT REPORTER: Thank you. Both Mr. and  
20 Mrs. Gullahorn have been sworn, sir.

21 MR. GRIGGS: Thank you.

22 COURT REPORTER: Mrs. Gullahorn, would you  
23 like to start?

24 MRS. GULLAHORN: Yes.

25 COURT REPORTER: And you need to speak up, I

1 am sure, for Mr. Griggs.

2 OPENING STATEMENT

3 MRS. GULLAHORN: It is hereby stipulated and  
4 agreed by and between the attorneys or representatives for  
5 the respective parties hereto that all rights provided by  
6 the Civil Practice Law and Rules, including the right to  
7 object to any question, except as to form or to move to  
8 strike any testimony of this examination are reserved.  
9 And, in addition, the failure to object to any question  
10 shall not be a bar or a waiver to make such motion at and  
11 is reserved for the trial of this action.

12 It is hereby stipulated and agreed that this  
13 examination may be sworn to by the witness being examined  
14 before a Notary Public, other than the Notary Public before  
15 whom this examination was begun. But the failure to do so  
16 or to return the original of this examination to Counsel  
17 shall not be deemed waiver of the rights provided by  
18 Rule 3116, Civil Practice Law and Rules, and shall be  
19 controlled thereby.

20 It is further stipulated and agreed that the  
21 filing of the original of this examination is waived.

22 And, now, I am going to begin asking  
23 questions.

24 MR. GRIGGS: Ms. Kharuf, was that you  
25 reading?

1 COURT REPORTER: No. No. That was  
2 Mrs. Gullahorn.

3 MR. GRIGGS: Okay. Was she reading from the  
4 prepared statement?

5 COURT REPORTER: I believe she is reading  
6 from a sheet of paper.

7 MR. GRIGGS: All right. Then I would ask  
8 you to fax it -- that paper -- to me.

9 COURT REPORTER: All right. Would you like  
10 me to fax it right now to you?

11 MR. GRIGGS: Yes, ma'am.

12 COURT REPORTER: Okay. Just one moment,  
13 sir.

14 (COURT REPORTER FAXES STATEMENT TO MR. GRIGGS.)

15 MR. GRIGGS: At this point -- this is  
16 Dennis Griggs. I am the attorney for the Opposer,  
17 Perfect Foods, Inc.

18 At this time, we would like to Invoke the  
19 Rule and have the witnesses excluded. I will refer to  
20 Federal Rule 615.

21 COURT REPORTER: Well, the only person that  
22 is here is me, the court reporter, Debbie Kharuf,  
23 Mrs. Gullahorn, who is going to be questioning  
24 Mr. Gullahorn, and Mr. Gullahorn.

25 There are no other witnesses.

1 MR. GRIGGS: Right. But the deposition  
2 notice says that Mrs. Gullahorn is appearing as a witness.

3 COURT REPORTER: Okay. She is nodding her  
4 head, "Yes." But how will she be able to question  
5 Mr. Gullahorn?

6 MR. GRIGGS: Well, if she were an attorney,  
7 I guess she would have a right to do that. It's my  
8 understanding that Mrs. Gullahorn is not licensed to  
9 practice as an attorney in the State of Florida.

10 COURT REPORTER: Right. But she is  
11 appearing pro se, sir.

12 MR. GRIGGS: She is what?

13 COURT REPORTER: She is appearing pro se.

14 MR. GRIGGS: No. She is not an attorney.  
15 She can't appear pro se. She is not a party. She is a  
16 witness.

17 COURT REPORTER: Okay.

18 MRS. GULLAHORN: We'll have Dan go on --

19 MR. GRIGGS: Either way, I am making a  
20 standing objection to any -- to having both witnesses in  
21 the room at the same time --

22 COURT REPORTER: Okay.

23 MR. GRIGGS: -- according to the Federal  
24 Rules of Civil Procedure, Rule 615.

25 COURT REPORTER: Mrs. Gullahorn just

1 suggested that Mr. Gullahorn read these -- could read the  
2 same statement if you would like him to read the statement  
3 for you.

4                   And then, as I understood, Mrs. Gullahorn  
5 would be questioning Mr. Gullahorn. Would it be you that  
6 would be questioning first? Would you do the direct, sir,  
7 or are you doing cross, Mr. Griggs?

8                   MR. GRIGGS: At this point, I would like to  
9 enter a second objection for the record. I would like to  
10 enter an objection to the reading of prepared questions.  
11 We have not received proper notice of any written  
12 questions. I am referring to -- our objection is based on  
13 37CFR, Section 2.124(b)(1).

14                   I also refer to TTAB Rule 703.02(g).  
15 Notice has not been given to us. Copies of questions have  
16 not been provided to us as required by the rules. And so,  
17 I have that standing -- I would like to make that standing  
18 objection.

19                   COURT REPORTER: Yes, sir. So noted.

20                   MRS. GULLAHORN: What is your full name and  
21 address?

22                   MR. GULLAHORN: My name is John Daniels  
23 Gullahorn, and I live at 4111 Calico Drive in  
24 Cantonment, Florida.

25                   MR. GRIGGS: Ms. Kharuf, is Mrs. Gullahorn

1 now reading questions to Mr. Gullahorn?

2 COURT REPORTER: Yes, sir.

3 MR. GRIGGS: All right. I would like to  
4 have you fax to me a copy of those questions.

5 MRS. GULLAHORN: These are personal notes.

6 MR. GRIGGS: I would also like to enter into  
7 the record a request that the Applicant furnish a copy and  
8 produce a copy of all notes that are used during this  
9 deposition this morning --

10 COURT REPORTER: All right.

11 MR. GRIGGS: -- including the list of all of  
12 the questions that are going to be read out and all this is  
13 subject to our standing objections.

14 MRS. GULLAHORN: Very well.

15 COURT REPORTER: Mrs. Gullahorn, he would  
16 like that -- he is entitled to discovery, and I think that  
17 is considered.

18 MRS. GULLAHORN: Some of this is ad lib. I  
19 have notes, and I have ad lib.

20 COURT REPORTER: Do you have something that  
21 you are reading for him that we can just fax to him so he  
22 would have a list of questions?

23 MRS. GULLAHORN: I have, let's see, private  
24 information on this, and information concerning our company  
25 that is confidential on this, so, no, I am not able to

1 permit this copy to go. I would be glad to send him a copy  
2 in a little while after we are done here.

3 COURT REPORTER: Mr. Griggs, did you hear  
4 this?

5 MR. GRIGGS: No. I can't hear. I didn't  
6 hear what she said. Can you hold on a minute and let me  
7 turn this up?

8 COURT REPORTER: Sure.

9 MR. GRIGGS: Right now, I am reading the  
10 stipulation that Mrs. Gullahorn read out a few minutes  
11 ago. I don't agree to all of the points that she is  
12 mentioning in here. In particular, we do not stipulate or  
13 agree that the filing of the original of the transcript is  
14 waived.

15 We believe the rules require that the  
16 originals be signed and certified before a notary and filed  
17 with the Trademark Trial and Appeal Board.

18 And we ask that you follow the advice of  
19 that rule, and we don't waive that or don't agree to doing  
20 anything to the contrary.

21 MRS. GULLAHORN: So noted.

22 COURT REPORTER: Can you hold on one moment?

23 (OFF-THE-RECORD DISCUSSION BETWEEN

24 MR. AND MRS. GULLAHORN.)

25 COURT REPORTER: Mr. Griggs?

1 MR. GRIGGS: Yes.

2 COURT REPORTER: They were having an  
3 off-the-record discussion. I have suggested to the  
4 Gullahorns if they would like to make a copy of the  
5 questions to send to you. The sheets that she is reading  
6 from -- we could fax them to you. Some of them do have --  
7 do they have any answers on them, ma'am?

8 (MRS. GULLAHORN NODS IN THE AFFIRMATIVE.)

9 COURT REPORTER: And so, instead of -- she  
10 is asking the questions -- if you would like her to just  
11 ask the questions without the notes, or we could maybe  
12 reschedule at a different time so they could have time to  
13 prepare the questions, fax you the questions so you would  
14 have a list of the questions before you proceed.

15 MR. GRIGGS: Well, is she reading from a  
16 list of questions right now? Does she have a list of  
17 questions?

18 COURT REPORTER: She has a list of questions  
19 but she was going to put them away.

20 MR. GRIGGS: Well, then simply just fax us  
21 whatever she has, whatever she is reading from. That's  
22 what I want to see.

23 MRS. GULLAHORN: No --

24 MR. GRIGGS: That's what I have a right to  
25 see.

1 MRS. GULLAHORN: The questions are in my  
2 head.

3 (MR. GULLAHORN AND MR. GRIGGS HAD AN  
4 OFF-THE-RECORD CONVERSATION.)

5 MR. GRIGGS: Can you hold on for a minute?  
6 Are we on the record?

7 COURT REPORTER: No, sir. We are not on the  
8 record.

9 MR. GRIGGS: I'd like to go on the record.

10 COURT REPORTER: All right.

11 MR. GRIGGS: I'd like for you to state that  
12 on the record. All right. Mr. Gullahorn, would you  
13 restate -- give us your statement again?

14 MR. GULLAHORN: We don't have any prepared  
15 questions. We have private notes which contain  
16 confidential information that we may not wish to disclose  
17 to you.

18 MRS. GULLAHORN: I don't believe we received  
19 any copies of questions on the deposition that you  
20 performed on April 5th, 2005, with Perfect Foods, either.

21 MR. GRIGGS: That's right. That deposition  
22 was given by an attorney in New York, and it was not  
23 necessary to provide any questions whenever you are giving  
24 live deposition through an attorney.

25 MRS. GULLAHORN: We are acting as our own

1 attorney. Specifically, John is acting as the attorney for  
2 our case, as he is the Applicant.

3 MR. GRIGGS: Yes, ma'am. I understand that.  
4 He's the listed party, but you are a witness, and you are  
5 not permitted to act as his attorney.

6 MRS. GULLAHORN: I am permitted to ask  
7 questions.

8 MR. GRIGGS: Well, but we objected to that  
9 under the rule that excludes the witness from attending the  
10 deposition of another witness.

11 Once again, I enter that, that request, that  
12 objection be entered into the record that we object to  
13 Mrs. Gullahorn being present at the time that  
14 Mr. Gullahorn's deposition questions are being asked.

15 MR. GULLAHORN: All right. We have noted  
16 your objections, I believe, so we're going to move forward,  
17 if that is all right with you.

18 MR. GRIGGS: Now, then, it's my  
19 understanding that you are either, number one, you are  
20 reading from a list of prepared questions, or if you are  
21 not, then, you are making up your own questions.

22 If you are reading from a list of questions,  
23 then we have a right to see them, and this is all subject  
24 also to our objection that we have not been given proper  
25 notice according to the rules --

1 MRS. GULLAHORN: We had prepared  
2 questions --

3 MR. GRIGGS: -- if you are going to be  
4 asking written questions or asking questions from prepared  
5 notes or however you want to phrase it. If you are not  
6 doing that, then, then you are acting as Mr. Gullahorn's  
7 representative, his legal representative, which is  
8 improper. You are not a licensed attorney.

9 MRS. GULLAHORN: Very well. Perhaps we  
10 should have Mr. Gullahorn ask himself his questions and  
11 answer them and at that time I can be out of the room.  
12 Would that be satisfactory?

13 MR. GRIGGS: Yes. If he is reading from a  
14 list of questions or notes, then we still have the same  
15 objection that we have not been provided a list of these  
16 questions by -- according to the rules of prior notice and  
17 given an opportunity to review them.

18 So if he does that, he is going to be  
19 subject to the same objection and we still ask that you fax  
20 that list of questions to us.

21 MR. GULLAHORN: Well, we will just proceed  
22 with you having noted your objection.

23 MRS. GULLAHORN: And I will leave the room.

24 MR. GULLAHORN: And I will make my  
25 statement, and, you know, we will move forward and let the

1 Board decide; all right?

2 MR. GRIGGS: Okay. Is it my understanding,  
3 then, that you are going to go forward with Mrs. Gullahorn  
4 asking you questions?

5 MR. GULLAHORN: No. We're going to let her  
6 leave the room.

7 MR. GRIGGS: All right. Then, if you are  
8 going forward and if you are reading from a list of  
9 prepared questions or notes, we, once again, state our  
10 objection as previously noted and ask that you fax, before  
11 you get started, that you fax those to us and let us read  
12 those as you go along.

13 MR. GULLAHORN: I am not -- I am not going  
14 to stipulate to that or I am not going to do that, so your  
15 objection will just have to stand.

16 MR. GRIGGS: All right. Thank you.

17 TESTIMONY BY MR. GULLAHORN

18 MR. GULLAHORN: All right.

19 My name is John Daniels Gullahorn, and I  
20 live in Cantonment, Florida, at 4111 Calico Drive. I do  
21 not have an attorney representing me in this matter. I was  
22 notified of the depositions that were held by Perfect Foods  
23 on December 30, 2004.

24 I have not had legal representation in this  
25 matter for a number of months. We have indicated to the

1 Opposer's attorneys that we were not represented.

2 A notice was sent to the attorney of record  
3 for the opposing side. His name was Dennis Griggs, and he  
4 is located in Dallas, Texas, and also to the associate  
5 attorney, Angela Garcia-McSweeney, located in Chester,  
6 New York.

7 And the Notice of Deposition was dated  
8 May 16th, and it was received by Judy Betts at Mr. Griggs'  
9 office on May 18, 2005. Dennis Griggs, who is the  
10 Opposer for the -- is the attorney for the Opposer is  
11 obviously present by telephone.

12 I did not attend the deposition given by the  
13 Opposer. And I was unable to attend the deposition given  
14 by the Opposer due to the amount of time that was available  
15 for me to make arrangements to do so, based on the time  
16 that I was given notice.

17 MR. GRIGGS: Mr. Gullahorn, are you reading  
18 from your prepared notes or prepared questions?

19 MR. GULLAHORN: I am using my notes.  
20 Yes, sir, I am.

21 MR. GRIGGS: Okay. Once, again, I ask you  
22 to fax a copy of those notes to me so I can follow along --

23 MR. GULLAHORN: I said I am not  
24 going to --

25 MR. GRIGGS: -- with you as you address it

1 point by point.

2 MR. GULLAHORN: I said I am not going to do  
3 that. Do you not want to continue with your participation?

4 MR. GRIGGS: No. I just want to make  
5 sure -- I can't tell what you are doing -- I just want to  
6 make sure -- to understand what you are doing, that you are  
7 reading from notes and asking yourself questions.

8 MR. GULLAHORN: Well, if you were here,  
9 Mr. Griggs, you could do that, but you declined to attend,  
10 so I guess that's just to your disadvantage.

11 I am presently employed as a real estate  
12 broker in Pensacola, Florida. I have another business  
13 known as "Cool Cat Products," that I run this business with  
14 my wife.

15 We started this business in 1999 as an  
16 Internet company. My wife developed a drawing for a logo  
17 which later became our trademark application. We started  
18 developing an inventory of collars at that time. This was  
19 done in 2000. We started selling our product over the  
20 Internet. And July 1st, 2000, marked the opening of our  
21 business, and our first sale was made to Patty Olzak  
22 (phonetic), 751 Bishop Lane in Webster, New York, and that  
23 was on September 21st, 2000.

24 And I would like to enter as Exhibit No. 1 a  
25 copy of that sales receipt.

1 MR. GRIGGS: Okay. Ms. Kharuf, I ask that  
2 you now fax a copy of that exhibit to me --

3 COURT REPORTER: Yes, sir.

4 MR. GRIGGS: -- before we proceed.

5 COURT REPORTER: This will be Exhibit 1.

6 MR. GRIGGS: Thank you.

7 (EXHIBIT 1 WAS MARKED FOR IDENTIFICATION.)

8 AND SUBSEQUENTLY FAXED TO MR. GRIGGS.)

9 COURT REPORTER: I suggested to the  
10 Gullahorns to save some time that we could mark all the  
11 exhibits, and then, I could go ahead and have the secretary  
12 fax all of the exhibits to you at one time.

13 MR. GRIGGS: That would be fine.

14 MR. GULLAHORN: All right. This is  
15 Exhibit Number 2. It is a letter from Kathryn Daniel dated  
16 May 6th, 2005.

17 (EXHIBIT 2 WAS MARKED FOR IDENTIFICATION.)

18 Exhibit 3 is a Florida Resale Certificate;  
19 copies of Florida Resale Certificates, and they are for the  
20 years 2002 through 2005.

21 (EXHIBIT 3 WAS MARKED FOR IDENTIFICATION.)

22 Exhibit Number 4 is a summary of credit card  
23 sales for the Cool Cat Products business from 2001.

24 (EXHIBIT 4 WAS MARKED FOR IDENTIFICATION.)

25 Exhibit 5 is a PayPal member identification

1 showing Cool Cat Products receiving funds through PayPal  
2 and showing our creation date of February 3, 2002.

3 (EXHIBIT 5 WAS MARKED FOR IDENTIFICATION.)

4 Exhibit 6 is various -- it's copies of our  
5 website in printed format as it appears on the Internet for  
6 Cool Cat Products.

7 COURT REPORTER: This is a composite  
8 exhibit. This appears to be 36 pages, Mr. Griggs.

9 MR. GRIGGS: Thank you.

10 (EXHIBIT 6 WAS MARKED FOR IDENTIFICATION.)

11 MR. GRIGGS: What is the date of that  
12 advertising?

13 COURT REPORTER: Just a minute. I will  
14 check. It was printed on 5-22-2005.

15 MR. GULLAHORN: Exhibit 7 is E-Bay's listing  
16 and sales showing Cool Cat Products sold -- let's see, ten  
17 pages, and those were various dates. Those exhibits span  
18 2003 through 2004, I believe.

19 (EXHIBIT 7 WAS MARKED FOR IDENTIFICATION.)

20 MR. GULLAHORN: Exhibit 8, Cool Cat  
21 Products Internet advertising sites, and these are dated  
22 12-30-04. I think there are 12 of those.

23 (EXHIBIT 8 WAS MARKED FOR IDENTIFICATION.)

24 Exhibit 9 are the Cool Cat Collars sold on  
25 E-Bay in Great Britain by a British retailer. That's dated

1 12-30-04, and there are eight pages.

2 (EXHIBIT 9 WAS MARKED FOR IDENTIFICATION.)

3 Exhibit 10 are receipts from October 2000 to  
4 May 2005, in-state sales, out-of-state sales, and  
5 out-of-country sales.

6 MR. GRIGGS: What are those dates?

7 MR. GULLAHORN: From October of 2000 to  
8 May 2005.

9 MR. GRIGGS: Thank you.

10 (EXHIBIT 10 WAS MARKED FOR IDENTIFICATION.)

11 MR. GULLAHORN: 44 pages for Exhibit 10.

12 Exhibit 11 are the Cool Cat Collar tags, and  
13 there was no date attached, and that was -- there's no date  
14 attached to that. It's today's date, and there's two  
15 pages.

16 (EXHIBIT 11 WAS MARKED FOR IDENTIFICATION.)

17 MR. GULLAHORN: Cool Cat Velcro Collars,  
18 another copy dated today's date, and they are just merely  
19 copies of the tags for the products as they are sold.

20 (EXHIBIT 12 WAS MARKED FOR IDENTIFICATION.)

21 MR. GULLAHORN: Exhibit 13 is a wholesale  
22 request for Cool Cat Products and they are various dates  
23 beginning in 2000, October 20, 2000, and there are 11 pages  
24 for Exhibit 13.

25 (EXHIBIT 13 WAS MARKED FOR IDENTIFICATION.)

1 MR. GULLAHORN: Exhibit 14, Cool Cat Collars  
2 manufactured in China. There are two documents, a letter  
3 and a transfer of funds from a bank, and that's dated  
4 December 18, 2001. And August 27, 2002. That's  
5 Exhibit 14.

6 (EXHIBIT 14 MARKED FOR IDENTIFICATION.)

7 MR. GULLAHORN: Exhibit 15, receipts from  
8 Cool Cat Products from December 1999 through November  
9 2001. There are nine pages including in that exhibit.

10 (EXHIBIT 15 WAS MARKED FOR IDENTIFICATION.)

11 MR. GULLAHORN: Exhibit 16 copied from the  
12 Opposer's website and dated the 13th of April of this year.

13 MR. GRIGGS: You say the Opposer's website?

14 MR. GULLAHORN: Yeah.

15 MR. GRIGGS: Okay. And what was the date?

16 MR. GULLAHORN: April 13th, 2005.

17 MR. GRIGGS: All right. What is the URL  
18 that you show on that?

19 MR. GULLAHORN: 14 pages and the URL is  
20 "www.800wheatgrass.com/index.html"

21 MR. GRIGGS: Thank you.

22 (EXHIBIT 16 WAS MARKED FOR IDENTIFICATION.)

23 MR. GULLAHORN: And there are subsequent  
24 pages -- there are "services.html."

25 MR. GRIGGS: That's fine. Thank you.

1 MR. GULLAHORN: And this is Exhibit 17, the  
2 Opposer's advertising flyer, and there's no date on it.

3 (EXHIBIT 17 WAS MARKED FOR IDENTIFICATION.)

4 MR. GULLAHORN: And Exhibit 18 is a web  
5 search under Google for "Cool Cat Wheat Grass."

6 (EXHIBIT 18 WAS MARKED FOR IDENTIFICATION.)

7 MR. GULLAHORN: And Exhibit 19 is an  
8 affidavit --

9 MR. GRIGGS: I can't hear you. There is a  
10 lot of paper rustling. Would you repeat it, please?

11 MR. GULLAHORN: Exhibit 19 is an affidavit  
12 for the witness that is also going to speak, Jean R.  
13 Gullahorn.

14 (EXHIBIT 19 WAS MARKED FOR IDENTIFICATION.)

15 COURT REPORTER: Sir, those are all the  
16 exhibits. Would you like us to fax them to you now?

17 MR. GRIGGS: Yes. Thank you.

18 COURT REPORTER: Just a moment. I am going  
19 to go off the record.

20 (PHONE LINE WAS ACCIDENTALLY DISCONNECTED.

21 LINE WAS REESTABLISHED AND INFORMATION RELAYED

22 AS TO QUANTITY OF EXHIBITS RECEIVED BY FAX.)

23 MR. GRIGGS: Resend Exhibit 13 again. It is  
24 all garbled. Resend the entire Number 13 again. And we  
25 just received 14, and my secretary is down at the machine

1 picking off 15 and 16.

2 (EXHIBIT 13 REFAXED TO MR. GRIGGS.)

3 MR. GRIGGS: I think we have everything now.

4 (OFF-THE-RECORD DISCUSSION HELD ABOUT

5 TAKING A LUNCH BREAK.)

6 MR. GULLAHORN: If we consent to give you  
7 our notes, will you withdraw your objection to those?

8 MR. GRIGGS: No. The objection stands. You  
9 know, you had an obligation to supply those, not only to  
10 me, but also to the Board more than ten days ago, and so,  
11 that's not something I can waive.

12 MR. GULLAHORN: So you are stating that I  
13 had an obligation to supply my personal notes?

14 MR. GRIGGS: No. You had an obligation if  
15 you are going to read off your questions and answer them,  
16 if you are going to read from the -- you call them,  
17 "Notes," or "Questions," or whatever; you had a duty to  
18 send those to us in advance so that we could review them  
19 and also to the Board.

20 And the Board would have to -- you know, if  
21 you had done that, the Board would have reset the timings  
22 for the next actions that are to be taken.

23 MR. GULLAHORN: All right. Well, I guess,  
24 then, we won't do that. And I guess that we will take a  
25 break as you requested.

1 (OFF-THE-RECORD DISCUSSION ABOUT LUNCH BREAK,  
2 AND THEN PROCEEDINGS CONTINUED AS FOLLOWS:)

3 MR. GRIGGS: Okay. I'm ready to go forward.  
4 Let's press on, then. Let's keep going.

5 MR. GULLAHORN: All right.

6 MR. GRIGGS: And that was a total of -- we  
7 received a total of 19 exhibits.

8 COURT REPORTER: Yes, sir.

9 MR. GRIGGS: All right. And we're back on  
10 the record?

11 COURT REPORTER: Yes, sir.

12 MR. GRIGGS: Okay. I am ready.

13 MR. GULLAHORN: All right. I guess I  
14 don't know where we left off.

15 COURT REPORTER: We were labelling the  
16 exhibits.

17 MR. GULLAHORN: And that was after the  
18 introduction of Exhibit 1, I believe?

19 COURT REPORTER: Yes, sir.

20 MR. GULLAHORN: And the question being when  
21 we started selling the collars.

22 And we had entered Exhibit 1, which was a  
23 receipt for those collars, and the second exhibit that we  
24 have, Exhibit 2, is a testimonial letter from a customer  
25 that we sold a collar to in November or December of 2001, I

1 believe, and the client further stated that she had seen  
2 the collars at our home in November of 1999 while she was  
3 there doing a news story. Her name was Kathryn Daniel from  
4 Channel 3 News.

5                   My next statement -- it regards my Florida  
6 Resale Certificate for the record. Our sales certificates  
7 were issued in December of 2002, and our exhibits show each  
8 subsequent year that we received that certificate. We  
9 collect sales tax on the products sold in the State of  
10 Florida, and we registered our tax certificate after our  
11 initial sale in the State of Florida being in December of  
12 2001.

13                   Then, as to our current selling of the  
14 collars, that brings me to Exhibit No. 4, which is a credit  
15 card summary which shows that we were receiving money from  
16 credit cards now over the Internet beginning in April of  
17 2001 for the collars that we were selling over the  
18 Internet.

19                   Then, moving forward, we changed our credit  
20 card service in February of 2002, which is shown in  
21 Exhibit 5, and we changed to PayPal, and we're on record  
22 with PayPal as receiving funds in the name of "Cool Cat  
23 Products."

24                   And then, the question of how our products  
25 are marketed and sold. Our products are marketed and sold

1 wholesale and retail throughout the world over the Internet  
2 through our website and --

3 MR. GRIGGS: What exhibit are you referring  
4 to now?

5 MR. GULLAHORN: I am referring to  
6 Exhibit 6, which has all of our various websites.  
7 And the URLs are noted there, and we sell "Fantasy Cool Cat  
8 Collars." We sell what we call an elastic "Cool Cat  
9 Collar," and a leather "Cool Cat Collar." They are all  
10 listed there, and they have been on the Internet since  
11 July of 2000, and that is Exhibit 6.

12 And then, Exhibit 7, discusses our sale of  
13 these products on E-Bay, which is a world reknown auction,  
14 online auction house, and our exhibits show that we have  
15 been selling those products on E-Bay since 2003, I think,  
16 is the furtherest that I could go back.

17 MR. GRIGGS: Excuse me for a moment,  
18 Mr. Gullahorn.

19 Ms. Kharuf, all of these exhibits have been  
20 have marked. Have they been offered and entered into  
21 evidence or received into evidence already?

22 COURT REPORTER: They have been marked for  
23 identification.

24 MR. GULLAHORN: So they have been marked,  
25 but they have not actually been presented yet; is that

1 correct?

2 COURT REPORTER: Yes, sir.

3 MR. GULLAHORN: At the end, if it is okay, I  
4 will offer them into evidence.

5 MR. GRIGGS: Go ahead.

6 MR. GULLAHORN: E-Bay listings and sales.  
7 And these -- E-Bay cleanses their database on a regular  
8 basis, so what I had to do was scrounge up what I had saved  
9 and had not been deleted from my files.

10 We had a hurricane here. It was pretty  
11 severe. It took out a lot of -- it took out a storage  
12 building where I kept a lot of my records, so some of the  
13 records that I have are not available due to the fact that  
14 they were destroyed by the storm.

15 In Exhibit Number 8, it refers to the "Cool  
16 Cat Products," sites as they are listed on the Internet by  
17 third parties including Google and other different entities  
18 which list our URL and direct people to our site so that we  
19 can do commerce through our Internet site, and there are a  
20 number of different companies which have us listed, and  
21 they are all included in Exhibit Number 8.

22 And then, Exhibit Number 9 shows how our  
23 collars are sold internationally, and they are shown here  
24 on the British version of E-Bay, which is different than  
25 the domestic American version. Apparently, some of our

1 products were brought through wholesale means. We don't  
2 track explicitly where our products go, but someone  
3 purchased them from us and offered them for sale on E-Bay  
4 in Great Britain, and that is Exhibit Number 9.

5           And then, Exhibit Number 10 shows the  
6 receipt where we have sold our "Cool Cat Products." The  
7 first receipt shown is a receipt or a note from someone  
8 about a product dated October 30, 2000, and then, there are  
9 various receipts through time to the present date including  
10 a record of walk-up sales at Cat Clinic of Pensacola, which  
11 is a business owned and operated by my wife.

12           She has, like, a cat boutique there, and we  
13 sell all of our items to the public on a personal basis.  
14 We have, of course, records from that, so Exhibit 10 is all  
15 you would ever want to know about "Cool Cat Collars," being  
16 sold to public since 2000.

17           Exhibit Number 11 is just an example of the  
18 collar labels we use and how we display the mark,  
19 "Cool Cat Collars," and it has a URL and a description and  
20 those are fastened to each item, specifically, "Cool Cat  
21 Fantasy Collars," and "Cool Cat Leather Collars."

22           The "Cool Cat Velcro Collars," have their  
23 own type of mark, and they are noted in the Exhibit  
24 Number 12, the "Cool Cat Velcro Collars," and they have a  
25 tag which was made up in China where we had these collars

1 manufactured, and that is Exhibit Number 12.

2           Exhibit Number 13 is a list of requests from  
3 wholesalers throughout the country and around the world  
4 wishing to purchase our collars to sell online or through  
5 their walk-up brick and mortar businesses. And those range  
6 from October of 2000 to October of 2003. Of course, we  
7 currently still receive orders, and we just filled one a  
8 few days ago.

9           Exhibit Number 14 is a letter dated  
10 December 18, 2001, to Jason in Shanghai at YiXiao Pet  
11 Produce Company, Limited, and it's the official order of  
12 when I began to do business with the Chinese and had the  
13 collars manufactured. There's also a wire transfer  
14 statement where I paid for the products after I received  
15 them. I shipped that -- sent the money to Shanghai, China.  
16 That's Exhibit 14.

17           So Exhibit Number 15 are receipts for "Cool  
18 Cat Products." Since some of the products are manufactured  
19 by my wife here in Pensacola, we have to buy supplies in  
20 order to manufacture those products, and these are receipts  
21 where we have purchased supplies at Hobby Lobby and  
22 Michaels and other places which sell different types of  
23 products which people use, I guess, you would call it  
24 "Craft-type products," and we brought what is known as  
25 "Cobutions," (phonetic) from a company in Canada that we

1 use to manufacture the jewelled collars, "Cobutions, being  
2 jewels, and different places around Pensacola and around  
3 the world, I guess, where we have bought supplies to  
4 manufacture the collars. That's Exhibit 15.

5                   Exhibit 16 is the -- I am not going to cover  
6 that, actually. That is going to be covered in my wife's  
7 testimony, but I would like at this point to state that we  
8 have been, you know, manufacturing collars and having  
9 collars manufactured for us, which we do offer, obviously,  
10 for sale on the Internet, and we have plans to introduce  
11 other items other than collars for sale. We do sell them  
12 now, actually, but they are not manufactured, and they  
13 don't carry our label.

14                   They are sold on the "Cool Cat Collars,"  
15 website, but they are manufactured by other companies, and  
16 they do carry their brands and names, the things that I am  
17 referring to are catnip toys and catnip itself.

18                   Like I said, we started this business in  
19 2000, and we have all of the receipts and so forth forward  
20 from that time denoting that, and that's all that I have.

21                   Do you have any questions for me?

22                   MR. GRIGGS: Well, let's see. It looks like  
23 there are three more exhibits, Exhibits 17, 18, and 19.  
24 Are you going to offer those?

25                   MR. GULLAHORN: I would like to offer those

1 after my wife's testimony if that's all right with you. Or  
2 if you would like me to introduce them now?

3 MR. GRIGGS: I would like you to go ahead  
4 and do everything that you plan on doing now so I can do  
5 cross-examination of you, and then, we will turn to your  
6 wife.

7 MR. GULLAHORN: All right. Well, that was  
8 all I was planning to do. You have those other exhibits  
9 and, you know, I can offer them in now.

10 MR. GRIGGS: Well, first you have to lay a  
11 foundation for them, Mr. Gullahorn. You can't just offer  
12 them.

13 MR. GULLAHORN: Okay. Well, the foundation  
14 is they all have to do with your Opposer's company, and  
15 Exhibit 16 is his website, which was copied from -- on  
16 April 13th.

17 MR. GRIGGS: Okay. Exhibit 16, it says  
18 here, it is going to be offered by your wife; is that  
19 right?

20 MR. GULLAHORN: She is going to give  
21 testimony about it. Yeah.

22 MR. GRIGGS: Okay. You have already -- your  
23 testimony covers only Exhibits 1 through 15; is that  
24 correct?

25 MR. GULLAHORN: That's correct.

1 MR. GRIGGS: Okay. Then, you are pretty  
2 much done except for cross-examination.

3 MR. GULLAHORN: Yes, sir. That's the point  
4 I was trying to make. Yes, sir.

5 MR. GRIGGS: Hello?

6 COURT REPORTER: Yes, sir?

7 MR. GRIGGS: I'm waiting on you to offer  
8 them into evidence; Exhibits 1 through 15.

9 MR. GULLAHORN: Okay. I will offer  
10 Exhibits 1 through 15 into evidence now.

11 (Whereupon, the instruments referred to by Mr. Gullahorn  
12 were offered into evidence as Exhibits 1 through 15.)

13 MR. GRIGGS: Okay. Ms. Kharuf, is that in  
14 the record?

15 COURT REPORTER: Yes, sir. It is noted for  
16 the record.

17 MR. GRIGGS: All right. I am ready to do  
18 cross-examination on Mr. Gullahorn.

19 CROSS-EXAMINATION

20 BY MR. GRIGGS:

21 Q. All right. Mr. Gullahorn, can you tell me  
22 a little bit about your business? Is it incorporated?

23 A. It's not incorporated. It's filed as a  
24 fictitious name with the State of Florida, so it would be a  
25 "Doing Business As."

1 Q. All right. I'd like to have you look at  
2 Exhibit No. 1.

3 (WITNESS EXAMINING DOCUMENT.)

4 THE WITNESS: All right.

5 BY MR. GRIGGS:

6 Q. And tell me the exhibit number, the  
7 reference number for the specimen that goes along with  
8 these sales. This was, I take it, a sale of a product to a  
9 customer?

10 A. That's correct. It was a sale of a product  
11 to Patty Olzak (phonetic) in Webster, New York.

12 Q. Okay. And what was the product that you  
13 sold her?

14 A. It was a "Cool Cat Fantasy Collar."

15 Q. What in your exhibits -- I know that you had  
16 some of your labels shown there; which one of those goes  
17 along with that sale that you made back in 2000?

18 A. That's a different exhibit, but it's the  
19 "Cool Cat Fantasy Collar," which denotes the "King/Queen  
20 Fantasy Collar."

21 Q. Tell me the exhibit number.

22 A. Okay. That would be Exhibit 11.

23 Q. I am looking at Exhibit 11, and it shows  
24 "Cool Cat Fantasy Collar," Cool Cat Leather Collar"?

25 A. Uh-huh.

1 Q. Is that representative of the --

2 A. It would be the one at the bottom of the  
3 page.

4 Q. "Cool Cat Fantasy Collar"?

5 A. Yeah. It says, "King/Queen Collar, Size  
6 M/L."

7 Q. That's the very last one on that page; is  
8 that correct?

9 A. That's correct.

10 MR. GRIGGS: Ms. Kharuf, will you ask the  
11 witness to speak up? I didn't hear his response.

12 COURT REPORTER: He said, "That's correct."

13 BY MR. GRIGGS:

14 Q. Mr. Gullahorn, you say that that sale was  
15 made on September 21 in the year 2000?

16 A. Yes. That's correct.

17 Q. Was that your first sale of a branded  
18 product?

19 A. To my knowledge, that was the first -- it's  
20 the first documented sale that I have. There could have  
21 been others, but I have no documentation on which to base a  
22 statement.

23 Q. All right. I ask you now to turn to  
24 Exhibit No. 2, and this is, looks like, a testimony letter  
25 from one of your customers. Can you tell me which -- this

1 was a sale made, apparently, to a customer, in December  
2 2001?

3 A. Uh-huh.

4 Q. Which trademark label did you use for that  
5 sale in connection with that product?

6 A. It's going to be the same as Exhibit 11.

7 Q. Okay. Let me make sure I understand what  
8 you are saying is that those products that you shipped to  
9 your customers in the year 2000, in September 21, 2000, and  
10 here, again, this one was in 2001, the trademark label that  
11 was on them was the one shown in Exhibit No. 11?

12 A. Yes. That, to the best of my knowledge,  
13 would be what was on those collars. I don't actually have  
14 the actual labels themselves.

15 Q. Could Ms. Gullahorn confirm that?

16 A. You would have to ask her. I can't speak  
17 for Mrs. Gullahorn, but these are the labels that are  
18 currently in use, and we have been using the same labels,  
19 pretty much the same layout, since we began the business.  
20 I don't have the original labels when we began the  
21 business.

22 Q. Okay. Then, what I was just asking was this  
23 is the ones used on both of these sales is the one that you  
24 pointed out in Exhibit 11?

25 A. Yes.

1 Q. All right. Thank you. All right. I ask  
2 you to look at Exhibit Number 3.

3 A. All right.

4 Q. This is, like, a sales -- Resale  
5 Certificate, State of Florida?

6 A. That's correct.

7 Q. For the year 2002?

8 A. It was the effective date registration,  
9 January 23rd, 2002.

10 Q. Okay. And you're claiming sales earlier  
11 than that. Did you have a registration back in the year  
12 2000?

13 A. What I am claiming is that I had my first  
14 in-state sale in December 2001 as per Exhibit 2, and, at  
15 that time, I realized that I would be in violation of State  
16 law if I did not file a sales certificate. I am not  
17 required to collect sales tax on products which are sold  
18 outside of the State of Florida.

19 Q. All right. I understand. Okay. Thank  
20 you. Mr. Gullahorn, I ask you now to turn to your  
21 Exhibit Number 6.

22 (WITNESS EXAMINING DOCUMENT.)

23 THE WITNESS: All right.

24 BY MR. GRIGGS:

25 Q. And this advertising appears on your

1 website; is that right?

2 A. Yes, sir, it does. This is representative  
3 of a number of websites that I have and maintain which sell  
4 these products.

5 Q. I notice on page one of two of your  
6 printout of the website, it shows "Cool Cat Products," with  
7 a "TM," symbol. And what do you intend to mean by the  
8 "TM," symbol?

9 A. That it's a mark of our company that we had  
10 applied for a trademark.

11 Q. On what?

12 A. "Cool Cat Products."

13 Q. Just as it's shown there? "Cool Cat  
14 Products," with the "TM," symbol; is that correct?

15 A. And the cat face.

16 Q. All right. And when was your website first  
17 launched that was carrying these advertisements, these web  
18 pages that show your "Cool Cat Products," with a "TM," on  
19 it?

20 A. The "TM," trademark probably appeared around  
21 the beginning of 2001.

22 Q. So it would be early 2001?

23 A. Uh-huh. Because at that time is when we  
24 initially applied for a trademark.

25 Q. All right. I notice that you have a lot of

1 cat collar photos in here, and these products when they  
2 were shipped, how were they typically shipped? By UPS  
3 or --

4 A. U.S. Postal Service.

5 Q. -- or Fed Ex?

6 A. The United States Post Office.

7 Q. Okay. And what kind of package were they  
8 in?

9 A. They were in a padded shipping envelope.

10 Q. Okay. Was there a label of any kind  
11 attached to the product itself?

12 A. Yes. To the products themselves were  
13 attached the labels which appeared in Exhibit 11.

14 Q. All right. And those look like tags that  
15 are attached with, maybe, a monofilament line or a piece of  
16 string; is that correct?

17 A. No. There are two different types of tags.  
18 There is a tag that's on the velcro collar that is attached  
19 by a monofilament, but the tag that is shown in Exhibit 11  
20 is actually attached to the product, stapled at its ends,  
21 creating a loop, which is attached to the loop of the  
22 collars.

23 Q. All right. Thank you. I notice in that --  
24 still referring to Exhibit 6 -- I noticed that one of the  
25 ads shows at the top, "Cool Cat Fantasy Collars." Is that

1 yet another trademark of yours?

2 A. No, it is not. We sell "Cool Cat Fantasy  
3 Collars," under the trademark of "Cool Cat Products."

4 Q. All right. And I see here again there is  
5 another one on page one of eight -- still referring to  
6 Exhibit 6 -- that recites, "Feline Fantasy Collars," at the  
7 top. Is that still another line of your products?

8 A. "Fantasy Collars," "Cool Cat Fantasy  
9 Collars," and "Feline Fantasy Collars," are the same thing  
10 because felines and cats are the same thing.

11 Q. What trademark label did you use in  
12 connection with these sales of the "Feline Fantasy  
13 Collars"? Would that be Exhibit 11? Or do you have  
14 something else?

15 A. It's Exhibit 11.

16 Q. All right. Then, is it my understanding  
17 that in all of your sales to the present that that  
18 trademark label shown in Exhibit No. 11 is representative  
19 of what was attached to the product when sold to the  
20 customer; is that correct?

21 A. To the best of my knowledge, that is  
22 correct.

23 Q. Thank you. And I refer again to page one of  
24 six, still in Exhibit 6, at the top, it says, "Cool Cat  
25 Collars," and is that still -- does that product carry the

1 trademark label shown in Exhibit 11?

2 A. No. That carries the trademark shown in  
3 Exhibit 12.

4 Q. I'm looking at Exhibit 12. This looks like  
5 a tag that's attached by monofilament; is that correct?

6 A. Yes, it is.

7 Q. I am reading it. It says, "Cool Cat  
8 Collars; the name says it all." Is that what you are  
9 referring to?

10 A. That's what I am referring to.

11 Q. Okay. Thank you. And I am looking at  
12 another one that says, "Cool Cat Collars; cute collars for  
13 real cool cats." Which trademark label did you use for  
14 that -- for those sales?

15 A. Which?

16 Q. That is page one of four; "Spectacular sale,  
17 'Cool Cat Collars,' for only \$2.99."

18 A. I used the same. The same, yes.

19 Q. This looks like it may be the same one.  
20 It's hard to tell from the photograph. It looks like it's  
21 a tag.

22 A. It is.

23 Q. An oval tag connected by a monofilament,  
24 a circular tag connected by a monofilament. Mr. Gullahorn,  
25 would you repeat which exhibit that would be -- trademark

1 exhibit label?

2 A. I believe that's Number 12.

3 Q. All right. Thank you. I'd like now to turn  
4 to Exhibit Number 7.

5 A. All right.

6 Q. And this exhibit refers to some --  
7 apparently, some sales that were made in connection with  
8 PayPal; is that right?

9 A. That's correct.

10 Q. Which trademark exhibit label was used in  
11 connection with this sale or with these sales? Or would  
12 they be mixed?

13 A. There would have been both styles, the oval  
14 and the rectangular, both.

15 Q. All right. And looking now further on in  
16 reference to "Cool Cat Attack Cat Collar," --

17 A. Uh-huh.

18 Q. -- which exhibit trademark label did you use  
19 in connection with those sales?

20 A. That would have been the oval.

21 Q. That would be Number 12?

22 A. Sure.

23 Q. Is that Number 12?

24 A. Yes. That's correct. Number 12.

25 Q. All right. Thank you. The trademark labels

1 that you have shown in 11 and 12; are those all that you  
2 have used up to this date?

3 A. To my knowledge, that's what we have used.

4 Q. Thank you. I am looking at a trademark, at  
5 your Exhibit Number 8. Would you explain again what this  
6 is referring to? I see here it says, "Leather Cool Cat  
7 Collars," are these your products?

8 A. These are links to our website from other  
9 websites on the Internet.

10 Q. All right. Then, this doesn't really refer  
11 to a sale of your product; these are just links to your  
12 website; is that correct?

13 A. These are advertisements for my product.

14 Q. All right. Thank you. Now, I refer you to  
15 your Exhibit Number 9. These are some sales made in  
16 United Kingdom. And would you tell me, roughly,  
17 approximately, the year, the dates these sales were made?  
18 And can you state for the record whether or not your  
19 trademark labels were used in connection with the product,  
20 and, if so, which labels did you use?

21 A. I am looking for the date. These appear to  
22 be recent. December 30, 2004.

23 Q. Were these products shipped with some kind  
24 of labelling?

25 A. They were shipped with labelling, but, also,

1 they were silk-screened. They had the trademark  
2 silk-screened into the collar itself. They had "Cool Cat  
3 Collars," silk-screened into the collar, and you can see an  
4 example of that in Exhibit 12.

5 So even if they detach the oval, they still  
6 would have retained the mark, "Cool Cat Collars," because  
7 it was silk-screened into the collars.

8 Q. And then, I am looking at Exhibit 12.  
9 That's the oval tag that's connected by a short length of  
10 monofilament line?

11 A. Right.

12 Q. And it says, "'Cool Cat Collars; the name  
13 says it all."

14 A. Yes.

15 Q. Is that the one that you are referring to?

16 A. Yes. But if you also look at the collars  
17 themselves that are attached there, too, you will see where  
18 the monofilament goes through the collar, through the  
19 eyelet of the collar that is silk-screened onto the collar,  
20 the same wording and the, "Cool Cat," face.

21 Q. Actually, I cannot see that in the faxed  
22 copy that I am looking at. It didn't -- all I can see is  
23 the words, "Cool Cat," but I think I understand what you  
24 are saying.

25 Oh, wait a minute, looking at this one, it

1 looks like there is the rectangular image with the words,  
2 "Cool Cat;" is that what you are talking about?

3 A. It's actually silk --

4 Q. I see it very faint.

5 A. It's silk-screened onto the collar itself.

6 Q. It says, "Cool Cat," something.

7 A. It has the cat face silk-screened onto the  
8 merchandise.

9 Q. What is that word underneath it there?

10 A. "Cool Cat Collars."

11 Q. Oh, "Collars," okay. I see it. All right.  
12 I see it silk-screened onto it.

13 All right. Thank you. Turning now to  
14 Exhibit 10, you are referring to some sales receipts for  
15 "Cool Cat Collars," during the period October 2000 through  
16 May 2005. Would you tell me, state for the record, which  
17 trademark labels did you use in connection with those  
18 sales?

19 A. Those would have been the labels in  
20 Exhibit 11 and Exhibit 12.

21 Q. All right. Thank you. Turning now to  
22 Applicant's Exhibit 11, these are the -- these, again, are  
23 the various representations that the trademark label or  
24 tags that are attached to your product. And would you  
25 state again for the record when you started using these

1 tags? Or are they at different times or all at the same  
2 time?

3 A. They were at different times because the  
4 products were introduced at different times.

5 Q. Well, then, let's start at the top. The top  
6 of the page of Exhibit No. 11, it says, "Cool Cat Fantasy  
7 Fancy Collar"?

8 A. Right.

9 Q. Roughly, what was the month and year that  
10 you first started using that tag?

11 A. Well, that's a special order tag; that's  
12 when someone orders something built to their specification,  
13 so, you know, that would depended on when that first order  
14 was, but probably around 2001, late 2000 or early 2001.  
15 The only -- and all of those would be the same except for  
16 the leather collars, and I believe the leather collars were  
17 introduced into 2002, if I am not mistaken. Yeah.

18 Q. All right. Sir, now, I ask you to turn to  
19 Applicant's Exhibit Number 12, and this is the oval collar  
20 tag that fastens with the monofilament, and it also shows  
21 it in the silk-screening.

22 Would you state for the record when did you  
23 first ship the product, a product of any kind, that had  
24 this trademark tag attached to it or silk-screened onto it?

25 A. I believe that that was late 2002 or --

1 yeah.

2 Q. All right. Thank you. Directing your  
3 attention now to Applicant's Exhibit 14 --

4 A. Okay.

5 Q. And I believe that you stated earlier that  
6 you had actually purchased some collars from a manufacturer  
7 in China?

8 A. That's correct.

9 Q. Did you have them silk-screen your mark onto  
10 the product? Or how did you -- which trademark labelling  
11 did you use on the product manufactured in China?

12 A. Exhibit Number 12; those are the Chinese  
13 products.

14 Q. All right. The next exhibit that I have, I  
15 believe, is 15, and that's to be offered by Mrs. Gullahorn;  
16 is that correct?

17 A. Yeah. That would be correct.

18 Q. And 15, 16, 17, 18, and 19 are all to be  
19 offered by Mrs. Gullahorn; is that correct?

20 A. That's correct. Thank you.

21 Q. Mr. Gullahorn, once again, I would like you  
22 to state for the record with respect to all of the  
23 trademark labelling that you have used, and, right now, I  
24 believe you are telling me that its the ones shown in  
25 Exhibit 11 and Exhibit 12, that is Applicant's Exhibit 11

1 and Applicant's Exhibit 12. What was the earlier date in  
2 your recollection that your records can prove that you  
3 shipped a product bearing those labels?

4 A. That would be the date in Exhibit Number 1  
5 being late 2000, I guess.

6 Q. September 21 in the year 2000. All right.  
7 And you have shown samples of two trademark labels  
8 Exhibit 11 and Exhibit 12. Are there any others that are  
9 in here that we have overlooked that haven't been  
10 mentioned?

11 A. Not to my knowledge.

12 MR. GRIGGS: All right. I am through with  
13 my cross-examination and ready for Mrs. Gullahorn.

14

Re: Serial No. 78/247,326

Opposition No. 91160978

May 6, 2005

To Whom it May Concern:

*I am a television news reporter and I visited the Gullahorn residence in November 1999 while doing a story on cat fanciers. While there, I noticed their cats wearing some very unusual attractive collars. I inquired as to where they had purchased the collars and was told by Dr. Jean Gullahorn that she had manufactured these Cool Cat Collars. There were several styles of collars and she said that more were in the making as they were in the process of starting an Internet collar business.*

*In December 2001, I contacted Dr. Jean Gullahorn by phone and ordered 2 Cool Cat Fantasy Collars, which I still have.*

Respectfully submitted,

**Kathryn Daniel**

**\*\*Acidophilus for a healthy pet\*\* pop**

The normal, healthy colon contains friendly bacteria (85% lactobacillus and 15% coliform bacteria). It is the friendly bacterial flora found in yogurt and is essential to the digestive system. When these bacteria are not in balance, flatulence, constipation, and malabsorption of nutrients may occur, all of which may lead to Candida. Acidophilus taken as a dietary supplement may help to detoxify and to rebuild a balanced intestinal flora. It is used for the prevention of Candida as well as for treatment. Acidophilus aids the digestion and helps to replace the friendly intestinal flora.

Hello, Your Collars would make a Great Gift!!

I have just visited your website at [www.fantasycollars.com](http://www.fantasycollars.com) and was looking at the Cool Cat Fantasy Collars and would like a little more information on it. I am in product development at HSI Online - The Online Shopping Network and we are always looking for a unique gift item like yours that we can showcase in the network, through elephantz.org's clientele and possibly to television. I invite you to visit HSI Online, and get to know us. The following Media Kit will provide a complete overview of the company.

Your Unique and Beautiful Collars would fit very well in the Pet Lovers Category. To proceed after that we will need some preliminary information about your product. Please understand submitting the preliminary is the first step in obtaining product approval, and in order to proceed we will need this information. There is no obligation on your part at this time.

Hi Dan, my name is Nora and I am the owner of a very eclectic gift shop with a pet section that needs to have some cool cat collars. I went on the web and found your site, and I love your style. How would I go about getting set up as a retail vendor with you. I think the beastie and cool cat collars would fly. Also the fantasy collars are fab. Please let me know ASAP about wholesale purchases. Thanks, the meowie wowie looks tempting as well. Jason,

We would be very interested in any cat collars that your company might manufacture. The most popular types seem to be decorative like the BeastieBands located on [www.fantasycollars.com/bcollars.htm](http://www.fantasycollars.com/bcollars.htm)  
Please advise me as to whether or not your company has any such products or plans to begin producing this type collar. We would like to begin production of a line of collars from *Cool Cat Products*.  
Thank for your message, we look forward to hearing from you soon.

## Fresh Wheatgrass Juice: "The Perfect Food"

Many health care professionals and nutrition experts claim that wheatgrass is "the perfect food", but don't you believe it. Sure wheatgrass juice provides your body with an incomprehensible quantity of natural nourishment, and gears your entire system toward maximum strength and optimum health, but what does that prove? So it's an incredible source of energy, high quality vitamins, minerals, enzymes and protein for everyone from children to senior citizens.

Big deal. So business execs, body builders, athletes, people with stressful lifestyles and everyone else who uses it finds that it consistently builds their constitution and makes them feel their best. So what? It doesn't completely reverse the aging process and bring it to a dead halt when you're at the peak of your tap-dancing skills, does it? "Perfect"? Come on.

Seriously though, If you woke up to just one ounce of fresh wheatgrass juice in place of a cup of coffee, you would derive the same benefit as eating a two pound green salad!

**Healthy!**

**Tastes Great!**

**Good for you!**

## Fresh Wheatgrass Juice: "The Perfect Food"

Wheatgrass is sprouted wheat that is 7 - 10 days old. It is an exceptionally rich source of vitamins A, C, E, K and B complex; the bulk minerals (calcium, magnesium, sodium, potassium, and sulfur); the trace minerals (iron, selenium, zinc, etc.); amino acids; enzymes; and especially fresh chlorophyll. Wheatgrass, a perfect and complete food, makes the most nutritious of all green juices and is widely known for it's cleansing and healing properties. Have an ounce every day for breakfast! Try an ounce before exercising! Wheatgrass juice also freshens the breath and promotes beautiful healthy skin.

## Fresh Wheatgrass Juice: "The Perfect Food"

In 1982 when Harley Matsil and Jack Mevorah began their backyard business growing wheatgrass, not a blade of wheatgrass was to be found in New York City. The two friends dreamed of regenerating the health of the city by supplying New Yorkers with *fresh green food*. With a little ingenuity, they created a home delivery service, and

as demand  
grew, health  
food stores  
began  
serving  
fresh  
wheatgrass  
juice at their  
juice bars.

Today Harley, the president, and the entire staff at Perfect Foods work extraordinarily hard to make wheatgrass as readily available to as many people as possible. We supply hundreds of juice bars in the NYC area and ship fresh wheatgrass and frozen wheatgrass juice nationwide. In fact, Perfect Foods is the largest indoor wheatgrass grower in the world!

Our wheatgrass is organically grown in a controlled environment all year round using only the heartiest wheat, home-composted soil and full spectrum lighting to produce the greenest, sweetest and healthiest wheatgrass anywhere in the known universe.
