Opposition No. 91160981

NEWFREY LLC

v.

Fastec Industrial Corp.

David Mermelstein, Attorney:

On August 16, 2005, the parties filed applicant's proposed amendment to its application Serial No. 76523880, with opposer's consent, and opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of good from "threaded metal fasteners" to "screws for use in the furniture modular housing, metal building, and recreational vehicle industries."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

Opposition No. 91160981

The contingency in opposer's withdrawal having now been met, the opposition is dismissed in accordance with the agreement between the parties.
