v.

Optimizer, Inc.

Veronica White, Paralegal Specialist:

Applicant's consented motion (filed March 11, 2005) to extend discovery and trial dates is noted.

On March 24, 2005, the Board suspended proceedings for six months to allow the parties time to discuss a possible settlement of this case.¹ Therefore, proceedings are considered suspended until September 20, 2005.

In view thereof, the motion filed March 11, 2005 is deemed moot and will not receive any further consideration.

¹ It's apparent that the Board's March 24, 2005 order and applicant's March 11, 2005 motion crossed in the mail. In the event the parties have not received the Board's order, a copy is available under the proceeding number via <http://ttabvue.uspto.gov/ttabvue/>.
