

After the Board granted the parties' last Motion on Consent to Suspend this Opposition, the Examiner required submission of the fully executed Settlement Agreement, which is now underway. In the interim, the Board ordered the proceedings resumed. As such, Applicant presently has until March 27, 2006 to Answer or otherwise plead in response to the Notice of Opposition.

The parties therefore hereby jointly move this Board to re-suspend this action until the Trademark Office can act on Applicant's consent to Opposer's application, so that this dispute can be resolved without the parties and the Board unnecessarily investing time and effort into the litigation of this action.

Both parties reserve the right to request resumption of this proceeding, if either believes it to be appropriate. Once the Office acts on Opposer's '572 application, Opposer will either dismiss this action, or the parties will contact the Board to reschedule Applicant's Answer and the cut-off dates for discovery and trial.

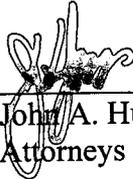

Opposer's counsel, Lisa R. Hemphill, has consented to this motion on behalf of Opposer.

Respectfully submitted,

TOWNSEND AND TOWNSEND AND CREW LLP
