U.S. Patent & TMOfc/TM Mail Rcpt Dt. #74

This submission is in response to the paper filed "Trial Dates Reset".

BioCentric Laboratories, Inc. apologizes to the board for our procedural error in requesting for an extension of time and for failing to timely file an answer.

BioCentric Laboratories, Inc. was under the complete belief that the extension date of December 1, 2004, was timely for an answer. It was not until March 11, 2005, that we became aware that filings were being posted online at the Trademark Trial and Appeal Board Inquiry System. It was the first time we viewed the heading "Late Answer". We apologize for this ignorance and want to assure the board that had we been aware, we would have immediately filed a paper of explanation.

With this submission, we provide proof of service for a copy to the adversary.

In the "Notice of Opposition", paragraph eight, the opposer states:

"It is requested that all correspondence be directed to Susan J. Hinchey, Allergan, Inc., Corporate Trademark Department, 2525 Dupont Drive, Irvine, California 92612".

The copy has been sent to Susan J. Hinchey.

BioCentric Laboratories, Inc. request that all correspondence be directed to Rebecca Spaar, BioCentric Laboratories, Inc., P.O. Box 1018, Brighton, Colorado 90601.

We thank the board for all it's considerations in this matter.

Sincerely,

Rebecca Spaar
CEO
