U.S. Patent & TMOtc/TM Mail Rcpt Dt. #3:

This Motion is not made for improper purposes or to delay the proceedings unreasonably. Both parties have served discovery requests and responses thereto, and contemplate taking additional discovery in support of their respective contentions and defenses.

Counsel for the parties have entered into settlement negotiations which they believe may lead to the early resolution of this dispute. The additional time requested is needed to enable the parties and

their counsel to pursue and, if possible, consummate a settlement agreement, and if an agreement cannot be reached, to complete their pending discovery.

Applicant's counsel, Michael A. Grow, has consented to this extension.
