MOTION FOR EXTENSION OF TIME

Opposer hereby moves that the time within discovery is set to close be extended for a period of ninety (90) days, to and including August 18, 2005, and that testimony dates be reset as follows:

Testimony period for Opposer to close (opening thirty days prior thereto)	November 16, 2005
Testimony period for Applicant to close (opening thirty days prior thereto)	January 15, 2006
Rebuttal period to close (opening fifteen days prior thereto)	March 1, 2006.

Both parties have served discovery requests, and answers have been served. The additional time is needed so that the parties may review information obtained during discovery to determine whether additional discovery is needed, to address issues that have arisen during discovery, and to take depositions. Applicant's counsel Robert Louis Finkel has consented to this extension.

This request is being filed in triplicate.
