v.

Meredith Corporation

Angela Campbell, Paralegal Specialist:

Opposer's consented motion (filed December 9, 2004) to suspend for settlement negotiations is hereby granted. Proceedings herein are suspended until three months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next three months, the Board will issue an order resuming proceedings and resetting the time for answer to the counterclaim and discovery and trial dates.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
