MOTION ON CONSENT FOR FURTHER SUSPENSION OF PROCEEDINGS

Pursuant to Trademark Rule of Practice § 2.117(c), Opposer/Registrant Joseph J. Sitt, by his attorneys, Arnold & Porter, LLP, hereby moves the Trademark Trial and Appeal Board (the "Board") for an Order further suspending Opposition No. 91/162,022 pending the outcome of the settlement discussions that are currently ongoing between the parties and which both parties agree are making progress.

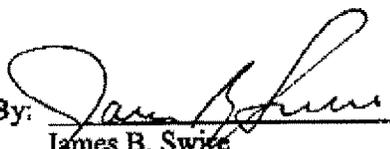

The parties further stipulate that either party may move the Board to remove Opposition No. 91/162,022 from suspension upon three (3) weeks prior written notice to the other party, and such motion shall be consented to by the other party.

To the extent it ultimately proves necessary to resume these proceedings, the parties also jointly request that the discovery period be re-opened, with sixty (60) days allowed for completion of discovery by both sides, with all other times to be reset accordingly.

Counsel for Applicant/Petitioner Meredith Corporation orally consented to this motion during a telephone conversation on March 4, 2005.
