v.

KOENIGSEGG AUTOMOBILE INC.

Cheryl Goodman, Interlocutory Attorney:

It has come to the Board's attention that applicant's December 3, 2004 motion to extend, which was in response to opposer's motion for default, did not include a certificate of service establishing proof of service on opposer as required by Trademark Rule 2.119.¹ In view thereof, applicant is allowed until TWENTY DAYS from the mailing date of this order to serve its response on opposer and provide proof of same with the Board, failing which, applicant's response will be given no consideration. Trademark Rule 2.119(a).

The Board regrets the delay to the parties.
Proceedings remain suspended pending disposition of the motion for default judgment.

¹ Papers which are filed electronically with the Board's ESTTA filing system must be served on the other side and should include proof of service with the filing.
