Cary Berman

**Thomas W. Wellington,
Administrative Trademark Judge:**

Applicant's motion filed July 23, 2007 to reopen testimony for consideration of new evidence is deferred.¹ TBMP § 707.02(c) (2d ed. rev. 2004). A decision on this motion will be contained in the Board's final determination of this proceeding.

¹ While applicant's motion is captioned as a motion to accept new information, it is in essence a motion to reopen its testimony period for purposes of introducing new evidence.
