Applicant, Rick Worobec, hereby requests an extension of 30 days to respond to or otherwise answer the Notice of Opposition, along with a resetting of all trial dates in the Opposition. Subsequent to receipt of the TTAB Order mailed April 22, 2010, the undersigned counsel has attempted to contact the applicant, Mr. Rick Worobec, to obtain instructions with regard to answering the Opposition. All known channels of communication with the applicant have been used, including email, facsimile, telephone, and express mail delivery, but counsel is still awaiting applicant's reply. Applicant frequently travels on business between Canada and Australia, so applicant's delay in replying may be justified. This extension of time will provide applicant additional time to receive said communications and respond, without imposing undue burden on the opposer. The undersigned counsel left a voice message with opposer's counsel on May 22, 2010, seeking consent in regard to this motion, but no reply has been received.
