Applicant	Defendant Erbe Elektromedizin GmbH
Other Party	Plaintiff Sherwood Services AG

Motion for an Extension of Discovery or Trial Periods With Consent

The Close of Discovery is currently set to close on 07/20/2008. Erbe Elektromedizin GmbH requests that such date be extended for 60 days, or until 09/18/2008, and that all subsequent dates be reset accordingly.

Discovery Period to Close : 09/18/2008
Thirty-day testimony period for party in position of plaintiff to close : 12/17/2008
Thirty-day testimony period for party in position of defendant to close : 02/15/2009
Fifteen-day rebuttal testimony period to close : 04/01/2009

The grounds for this request are as follows:

- *Parties are unable to complete discovery/testimony during assigned period*
- *Parties are engaged in settlement discussions*
- *The Applicant has made certain additional changes to the settlement agreement. The new version of the agreement was provided to Opposer's counsel for review and consideration on July 16, 2008. The parties need additional time to discuss the latest revised version of the agreement being circulated.*

Erbe Elektromedizin GmbH has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

Erbe Elektromedizin GmbH has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
