NOTICE OF OPPOSITION

Opposer, Citicorp ("Opposer"), believes that it will be damaged by the registration of the trademark CAMPUS CARD as shown in the above-referenced application and hereby opposes the same. As grounds for opposition, it is alleged that:

1. Applicant John F. Thude, Jr. ("Applicant") has filed an intent-to-use application for registration of the mark CAMPUS CARD in International Class 36 for goods described as "[e]lectronic debit transactions for college and university students".
2. This application was published for opposition on July 27, 2004, and Opposer has timely filed for and the Trademark Trial and Appeal Board has granted two extensions of time to file an opposition until November 24, 2004.
3. Opposer is a Delaware Corporation with its principal place of business located

at 399 Park Avenue, New York, New York 10022.

4. Opposer is a financial services company that, among other things, provides credit card and debit card services to college students and on college campuses. Opposer also owns the registered trademark CITIBANK CAMPUS (Registration No. 2,245,102) for use in connection with "computer software for facilitating access to a world wide computer network" in International Class 9 and "financial services, namely, checking and savings accounts, loans, and credit card services; financial consulting and information services" in International Class 36.

5. Applicant's CAMPUS CARD mark, if used in connection with "[e]lectronic debit transactions for college and university students," would be generic and merely descriptive of such services.

6. If Applicant obtains the registration herein opposed, it would thereby obtain a prima facie exclusive right to the use of the CAMPUS CARD mark. Such registration would be a source of damage and injury to Opposer and others in the industry who currently use, or will use, the descriptive designation "campus card" to indicate a credit or debit card for use by college students or on college campuses. If the Board allows registration, Opposer will have to abandon or not commence use of this descriptive and generic term to its detriment and in derogation of its rights to use this descriptive and generic term.

7. Registration should, therefore, be refused pursuant to Section 2(e)(1) of the Trademark Act of 1946, as amended, 15 U.S.C. § 1052(e)(1), on the grounds that Applicant's CAMPUS CARD mark is a descriptive and generic term.

WHEREFORE, Opposer, by its undersigned attorneys, respectfully requests that the Trademark Trial and Appeal Board sustain its opposition to Application Serial No. 78/315,080 and grant any and all further relief to Opposer that the Board finds to be necessary and just in the circumstances.

The Commissioner is hereby authorized to charge the filing fee for this Notice of Opposition and any additional fees to Deposit Account No. 08-0219.

Please recognize as attorneys for the Opposer in this proceeding Nels T. Lippert, Dyan Finguerra-DuCharme and Jennifer A. Gaeta of the firm Wilmer Cutler Pickering Hale and Dorr LLP, 399 Park Avenue, New York, New York 10022.

Attorneys for Opposer Citicorp

DATED: November 23, 2004

**TTAB NOTICE CONCERNING CORRESPONDENCE ADDRESS
(TRADEMARK RULE 2.18)**

The Trademark Trial and Appeal Board will mail correspondence to only one address for each party.

If a party is located in the U.S., correspondence will be sent to the party's own address, unless (1) papers filed with the Board are filed by a party's attorney, (2) a written power of attorney is filed, (3) a written authorization of some other person entitled to be recognized is filed, or (4) the party requests in writing that correspondence be sent to another address. In these situations, correspondence will be sent, respectively, to (1) the attorney filing papers, (2) the attorney named in the power of attorney, (3) the other person designated in the written authorization, or (4) the other address specified by the party.

When one attorney or other authorized representative makes an appearance on behalf of a party, his address is noted on the proceeding file as the correspondence address. If a second attorney or other authorized representative makes an appearance on behalf of the party, and requests that correspondence be directed to him, the correspondence address on the proceeding file will be changed, and future correspondence will be sent to the second attorney or other authorized representative, rather than to the first one. If the second attorney or other authorized representative does not request that correspondence be sent to him, the Board will continue to send correspondence to the first attorney or authorized representative.

If a power of attorney from a party to one attorney has been filed, and thereafter another attorney or authorized representative makes an appearance on behalf of the party and asks that correspondence be sent to him, the second attorney or authorized representative will be required to submit authorization, from the party or from the first attorney, for the requested change in correspondence address.

If a power of attorney from a party to one attorney has been filed, and thereafter a power of attorney from the party to another attorney is filed, the second power of attorney will be construed as a written request to change the correspondence address from the first attorney to the second one, even if there is no revocation of the first power, unless the party or the first attorney directs otherwise. Likewise, if an attorney makes an appearance on behalf of a party, and thereafter the party files a written power of attorney to another attorney, the Board will send subsequent correspondence to the appointed attorney.

If a power of attorney from a party to one attorney has been filed, and thereafter that attorney files an "associated power of attorney" to another attorney, the correspondence address will remain unchanged, and the Board will continue to send correspondence to the first attorney, unless the first attorney or the party directs otherwise.

In the case of a party whose application is the subject of a Board proceeding, any appearance or power of attorney (or designation of other authorized representative) of record in the application file at the time of the commencement of the Board proceeding is considered to be effective for purposes of the proceeding, and correspondence will be sent initially to that address. Thereafter, the correspondence address may be changed as described in Trademark Rule 2.18.

In the case of a party whose registration is the subject of a Board proceeding, any representative which may be of record in the registration file at the time of the commencement of the Board proceeding is not considered to be effective for purposes of the Board proceeding. Rather, correspondence is sent to the registrant itself unless and until another correspondence address is established in the manner described in Trademark Rule 2.18.

NOTICE CONCERNING ALTERNATIVE DISPUTE RESOLUTION (ADR)

The Trademark Trial and Appeal Board encourages you to consider alternative dispute resolution as a means of settling the issues raised in this opposition or cancellation proceeding. Although more than 95% of Board proceedings are decided prior to trial (by settlement or by entry of pre-trial judgment), alternative dispute resolution techniques might produce an earlier, mutually agreeable resolution of your dispute or might, at least, narrow the scope of discovery or the issues for trial. In either case, alternative dispute resolution might save you time and money.

Many non-profit organizations, both inside and outside the intellectual property field, offer alternative dispute resolution services. Listed below are the names and addresses of organizations that have indicated that they can make arrangements for alternative dispute resolution. The listings are given for your convenience; the Board does not sponsor nor endorse any particular organization's alternative dispute resolution services.

International Trademark Association Telephone: (212) 642-1726 Fax: (212) 768-7796 www.inta.org/adr/index.shtml e-mail: lstigliano@inta.org	CPR Institute for Dispute Resolution Telephone: (212) 949-6490 Fax: (212) 949-8859 www.cpradr.org e-mail: info@cpradr.org
American Intellectual Property Law Association (AIPLA) 2001 Jefferson Davis Highway Suite 203 Arlington, Virginia 22202 Telephone: (703) 415-0780 Fax: (703) 415-0786

Finally, if the parties consider using alternative dispute resolution in this proceeding, the Board would like to know; and if the parties actually engage in alternative dispute resolution, the Board would be interested to learn what mechanism (e.g., arbitration, mediation, etc.) was used and with what general result. Such a statement from the parties is not required but would be helpful to the Board in assessing the value of alternative dispute resolution in Trademark Trial and Appeal Board proceedings.
