Opposition No. 91163125

FOODPHONE, LLC

v.

VERONICA G. HEGEMAN

On July 5, 2005, the Board granted opposer's motion to reopen its time to comply with the Board's January 5, 2005 order. Opposer was allowed twenty days to file either copies of the exhibits to its October 28, 2004 notice of opposition or to file an amended notice of opposition that did not include exhibits. The Board noted that opposer had first been ordered to supply the missing documents on January 5, 2005 and had provided no explanation for its failure to do so. The Board specifically informed opposer that if opposer failed to respond, the opposition would be dismissed for opposer's lack of interest in the case.

The record shows no response thereto.

**Opposition No. 91163125**

Inasmuch as no response to the Board's order has been received, judgment is hereby entered against opposer and the opposition is dismissed with prejudice.
