OPPOSER'S OPPOSITION TO APPLICANT'S MOTION FOR SUMMARY JUDGMENT AND CROSS MOTION FOR SUMMARY JUDGMENT, WITH SUPPORTING MEMORANDUM OF LAW

Opposer, Aktieselskabet af 21. November 2001, through its attorneys, Coughlin & Gerhart, LLP, submits this brief in opposition to the summary judgment motion of the Applicant Fame Jeans, Inc., and as its motion for summary judgment, pursuant to Rule 2.127 of the Trademark Rules of Practice and FRCP 56, on the grounds that Opposer has superior rights to the disputed JACK & JONES mark based on its application (Serial No. 78/527823) filed

pursuant to 18 USC § 1126(e) (hereinafter "44(e)") and in the interests of justice. The evidence adduced demonstrates that there is no dispute of material fact that Opposer has priority under 44(e), thereby warranting summary judgment in Opposer's favor and the disallowance of Applicant's application.

STATEMENT OF UNDISPUTED FACTS

Both parties are seeking to register the mark JACK & JONES in International Class 25 for use on clothing and apparel. Applicant's registration was filed on January 9, 2004 on the basis of intent to use under section 1(b) of the Trademark Act ("1(b)"). (Exhibit 1) Applicant has acknowledged that it has not used the JACK & JONES mark in any capacity, in the US or anywhere else. (Exs. 2 & 3)

Opposer's application was filed on December 6, 2004 pursuant to 44(e) of the Trademark Act ("44(e)"), based on its prior foreign registration and intent to use the mark in the U.S. (Ex. 4) In addition to its registration of the JACK & JONES mark in its native Denmark, Applicant holds registrations in Norway (1991), Poland (1995), Switzerland (1998), Benelux (1998), Estonia (1998), United Kingdom (1998), Austria (1998), Spain (1998), Lithuania (1998), European Union (2000), Iceland (2000) and Latvia (2003), as well as numerous other nations, and an application pending in Canada, where it has been using the mark since 2004. (Exs. 5 & 6; *see also* Applicant's Brief Ex. F) Opposer maintains a website, www.jackjones.com, which displays its numerous stores and products using the JACK & JONES mark. (Ex. 7; printed July 14, 2005) Opposer has also distributed numerous catalogs, brochures, and other written materials, bearing its JACK & JONES mark to present its merchandise and business to consumers in many different nations. (Ex. 8) It has planned to use the mark in the US, and has the goods and a marketing plan in place to do so immediately.

ARGUMENT

Applicant's motion for summary judgment should be denied, and Opposer's cross motion for summary judgment granted, based on Opposer's superior rights to the JACK & JONES mark. Summary judgment is appropriate under FRCP 56(c) when the moving party demonstrates that "there is no genuine issue as to any material fact and that the moving party is entitled to a judgment as a matter of law." *Madey v. Duke University*, 307 F.3d 1351, 1357-58 (CAFC 2002). Issues of fact are genuine only if the evidence is such that the finder of fact could find in favor of the nonmoving party. *Id.* at 1358. In the present case, the evidence clearly demonstrates that Applicant cannot succeed in registering the JACK & JONES mark in the face of Opposer's superior rights to the mark.

Although Applicant's application for the mark was filed with the USPTO before Opposer's, this fact does not control the present dispute. Applicant filed its application under section 1(b), based on an intent to use the mark. It admittedly has no actual use of the mark in the U.S., or anywhere else in the world. It has, therefore, no basis to register the mark. Conversely, Opposer filed its application under section 44(e) and has numerous prior foreign registrations. Accordingly, its rights to the mark are superior to Applicant's. In addition, the interests of justice are best served by denying Applicant's motion and application in light of Opposer's long standing use of the mark throughout the world.

Point I

Applicant's motion for summary judgment, and its application, should be denied, and Opposer's motion for summary judgment granted, because Opposer has superior rights to the JACK & JONES mark.

Applicant's motion and application should be denied, and summary judgment granted to Opposer, because Opposer clearly has superior rights to the JACK & JONES mark. Applicant's

application was filed under section 1(b) of the Trademark Act and is, therefore, based on an intent to use the mark, but without actual use. (Ex. 1) Applicant admittedly has no use of the mark to date. (Exs. 2 & 3) Therefore, unless and until Applicant demonstrates use of the mark in US commerce, it is not eligible for registration. *Person's Co. v. Christman*, 14 USPQ2d 1477, 1479.

Opposer's application was filed under 44(e), which provides for the registration of foreign marks upon proof of foreign registration and an intent to use. (Ex. 4)

> Reduced to its simplest form, [44(e)] merely means that when a registration of a mark has issued in an applicant's home country . . . in accordance with the law of that country, the United States Patent Office will, upon receipt of a properly executed application, a copy of the home registration, a drawing of the mark, and the filing fee, accept the foreign registration at face value and issue a registration in the United States . . . .

Societe Fromageries Bel, 105 USPQ 392, 398. The object of 44(e) is to have recognized in this country as a trademark, insofar as no statutory prohibition prevents it, that which is recognized as a trademark in the applicant's country of origin. *In re Fisons Limited*, 197 USPQ 888, 892.

The only basis for Applicant's claim of rights in the mark is the fact that its application was filed earlier in 2004 than Opposer's. Applicant repeatedly refers to the case as being one of "priority," based on its earlier filing, versus "use of the mark outside the US" by Opposer. This is a misstatement of the case that is easily refuted. The truth is that the Opposer is *not* claiming entitlement to register the mark based on section 1(a) (use in commerce) because of its *foreign use* (widespread though that is). Opponent's right to a registration is based on *foreign registration* under section 44(e). No use in commerce is required for registration under section 44(e), and Applicant's arguments against "foreign *use*" are irrelevant. Since Opposer has grounds to register the mark, and Applicant currently does not, Opposer clearly has superior rights over Applicant.

Applicant cites two cases in support of its position, *Linville v. Rivard*, 26 USPQ2d 1508, and *Person's Co. v. Christman*, 14 USPQ2d 1477. Both of these cases have fact patterns that are distinguishable from the present proceeding and, in fact, support Opposer's position. *Linville* was an abandonment case, not an opposition to registration. Contrary to Applicant's assertion, *Linville* did *not* turn on non-use by the respondent in the US, but rather on *abandonment by non-use after registration.* In *Linville*, Rivard was a Canadian who obtained the US registration at issue in 1986 based on his Canadian registration for the mark under section 44(e).[1] Five years later, Linville brought a cancellation action against Rivard's US registration, alleging (1) that he had established actual use in commerce from 1983, before Rivard's registration, and (2) that Rivard had not actually used the mark in commerce for more than three years *after registration* under 44(e), such that Rivard had abandoned the mark. The TTAB found for Linville and the CAFC affirmed on appeal.

Clearly, Rivard was entitled to the registration under 44(e) based on his foreign registration. Rivard lost because he did not use the mark in US commerce for more than three years after registration. When compared with *Linville*, the facts of the present matter support Opposer. For example:

- Rivard was a foreign registrant and had a section 44(e) registration based on his foreign registration. Opposer is a foreign registrant and, but for Applicant's ITU application, would be entitled to a foreign registration under section 44(e).

- Linville had actual use in US commerce before Rivard's registration. Applicant here has no use in commerce anywhere.

[1] Because his registration was under 44(e), Rivard did not need to allege any use in US commerce. The law is clear that this was proper.

- Rivard abandoned the mark by failing to use it in commerce in the US for three years after registration. Opposer intends to use its mark in commerce in the US immediately.

Linville provides no support for Applicant's attempt to block Opposer's registration by claiming priority of filing. Rather it stands for the proposition that Opposer is entitled to a US registration based on its registration in its home country under section 44(e), without any need to show use in US commerce. Once Opposer gets its US registration, Applicant can bring a cancellation action three years later if Opposer has not used the mark in the interim.

The facts in *Person's* are almost exactly reversed from the present case. In *Person's*, Larry Christman, a US citizen, established actual use of the mark in the US and obtained registration of the mark in the US based on that actual use. The opposer, Person's Co. Ltd., a Japanese company, had never registered the mark in Japan. Person's moved to cancel Christman's registration, claiming that their use in Japan gave them priority over Christman's subsequent use in the US. The CAFC found for Christman on the grounds that use in Japan is not "use in commerce" in the US.

Opposer has no argument with the finding in *Person's*, but it is not on point to the present case. Opposer is not claiming superior rights based on foreign *use*, but rather on foreign *registration*. Comparing *Person's* to the present opposition supports Opposer's position. For example:

- Christman, a US citizen, had actual use in US commerce. Applicant, a foreign company, admittedly has no use in US commerce, or anywhere else.

- Person's had no foreign registrations for the disputed mark. Opposer has many foreign registrations for JACK & JONES.

- Person's unsuccessfully claimed superior rights under section 1(a) based on use outside the US. Opposer has superior rights under section 44(e) based on its ownership of numerous foreign registrations.

The statements of the *Person's* court support Opposer's position much more than the Applicant's.

> The legal issue in a cancellation proceeding is the right to register a mark, which may be based on either (1) *ownership of a foreign registration of the mark in question* or (2) use of the mark in United States commerce. . . . In the present case, appellant Person's Co. relies on its use of the mark in Japan in an attempt to support its claim for priority in the United States. Such foreign use has no effect on U.S. commerce and cannot form the basis for a holding that appellant has priority here. . . . Christman was the first to use the mark in United States commerce.

14 USPQ2d at 1479 (emphasis added).

Opposer is not claiming *use* of the mark in United States commerce or relying on overseas *use* as the basis for its registration, as Person's did. Rather, it relies on its ownership of a foreign *registration*. Christman prevailed based on the priority of actual use in US commerce, which Applicant lacks, as compared to irrelevant use outside the US, which is not the basis for Opposer's application. In this case, the priority is equally clear: foreign registration (Opposer) prevails over lack of any use anywhere (Applicant). Accordingly, Applicant's motion and application should be dismissed and Opposer should be granted summary judgment.

Point II

Opposer should prevail in this dispute in the interests of justice.

Although Opposer's claim to the JACK & JONES mark is *not* based on its use of the mark in foreign commerce, that use should be recognized in the interests of justice. As demonstrated by Opposer's discovery submissions, it has JACK & JONES stores in many

different countries that sell its JACK & JONES products, as well as extensive sales through other clothing dealers and over the internet. (Exs. 7 & 8) Opposer has held its Danish registration for JACK & JONES since 1990, and has numerous other subsequent registrations. (Ex. 5) Opposer filed an application to register the mark in Canada in 2004, where it has already been marketing and selling its clothing products.[2] (Ex. 6) Opposer intends to use its JACK & JONES mark in the US and, in fact, is ready to begin doing so. It has product that is ready for shipment into the US, along with an accompanying marketing plan, all of which is part of a long term and strategic business plan involving the mark.

Applicant, in contrast, has nothing more than a stated intent to use, filed long after Opposer's establishment of its JACK & JONES mark around the world. (Ex. 1) It has admitted to no prior use of the mark anywhere or in any context. (Exs. 2 & 3) In the interests of justice, it would be patently unfair to allow Applicant the registration for the JACK & JONES mark when it admittedly has no prior interest in, or use of, the mark. Accordingly, Applicant's motion and application should be denied, and summary judgment granted to Opposer.

[2] Interestingly, Applicant is a Canadian clothing company and filed its US application close in time to Opposer's use of the JACK & JONES mark in the Canada.

CONCLUSION

Based on the foregoing, Opposer respectfully requests that Applicant's motion for summary judgment be denied, and Applicant's cross motion for summary judgment be granted, together with the dismissal of the Applicant's application to register the JACK & JONES mark.

NOTICE OF OPPOSITION

Aktieselskabet af 21. November 2001, a Danish corporation having its principal place of business at Fredskovvej 5, 7330 Brande, Denmark ("Opposer"), believes it will be damaged by the grant of a registration to Fame Jeans, Inc., located at St. Laurent, Quebec H4T 1E3, Canada ("Applicant"), based on Application Serial No. 78/350,085 for the mark "Jack & Jones," filed January 9, 2004, and hereby gives notice of its intention to oppose the registration of the mark.

FACTS

1. Opposer has been in the business of selling clothing, including jeans, sports wear and other such articles as provided in International Class 025, and has used the "Jack & Jones" marks in international commerce well prior to Applicant's filing date. Opposer has also used the mark "Jack Jones" in its business throughout Europe.

2. Opposer has filed an application to register the "Jack & Jones" mark with the USPTO, serial number 78/527,823, under section 44(e) of the Trademark Act based on its 1990 Danish registration (06.569.1990), for clothing in International Class 025 (men's, women's and children's suits, jackets, trousers, skirts, blouses, dresses, sweaters, vests, underpants, shorts, articles of sports clothing, hats and headgear, neckties, scarves, jeans, caps, gloves, belts, aprons,

swimwear, sleeping garments, knitted articles of clothing and articles of clothing made from knitted material). This registration is valid and enforceable, and Opposer has a bona fide intention to use the mark in commerce in connection with the identified goods. A copy of the registration receipt is attached hereto.

3. As set forth below, Opposer has numerous registrations of the "Jack & Jones" mark throughout Europe. Opposer has also registered the "Jack & Jones" mark in South America and throughout the Middle East. In August 2004, Opposer applied for registration of the "Jack & Jones" mark in Canada.

Country	Registration Number	Registration Date
Denmark	06.569.1990	September 28, 1990
Norway	145983	July 11, 1991
Poland	102241	April 27, 1995
Switzerland	417726	August 15, 1996
Benelux	614774	April 1, 1998
Estonia	25 523	April 15, 1998
United Kingdom	2.122 241	May 15, 1998
Austria	176748	July 16, 1998
Spain	2 062067	November 20, 1998
Lithuania	35634	December 27, 1999
European Union	001107747	June 6, 2000
Iceland	134/2000	November 11, 2000

Latvia	M 51757	July 20, 2003

4. As a result of the use, promotion and advertising of Opposer's "Jack & Jones" mark for the goods identified above, Opposer's marks have acquired significant goodwill. Opposer's "Jack & Jones" mark identifies and distinguishes its goods from the services of others.

5. On January 9, 2004, Applicant filed an intent to use application for the mark "Jack & Jones" for clothing that included numerous items of apparel in International Class 025.

6. The similarity of Applicant's "Jack & Jones" mark to Opposer's "Jack & Jones" mark is evident from a simple comparison of the marks, and the goods for which Applicant's mark is intended to be used are closely related to Opposer's goods.

7. In view of the similarity of the respective marks and the related nature of the services of the respective parties, it is alleged that Applicant's mark so resembles Opposer's marks as to be likely to cause confusion or to cause mistake or to deceive.

8. The use of the mark sought to be registered by Applicant is likely to cause confusion or mistake in the minds of consumers and lead consumers and prospective purchasers to believe Applicant's goods as designated are goods of Opposer, or in some way backed by, sponsored by, franchised by, approved by, associated with, or otherwise connected with the good name and reputation of Opposer, to the damage and injury of the purchasing public, and to the damage and injury of Opposer and its goodwill in the "Jack & Jones" mark.

9. Opposer will be injured and damaged by the granting to Applicant of the registration for the mark for which registration is sought because such mark, when applied to the services of Applicant:

a. is likely to cause confusion or to cause mistake or to deceive;

b. falsely suggests a connection with Opposer, giving Applicant the unqualified right to pass off its services as those of Opposer;

c. will damage Opposer's valuable goodwill in its "Jack & Jones" mark; and

d. threatens Opposer's right to expand the scope of use of its marks to related, analogous or equivalent items and results in injury to Opposer's established rights in and to its marks.

e. interferes with Opposer's application to register the "Jack & Jones" mark (serial number 78/527,823) in the U.S.

WHEREFORE, Opposer files this Notice of Opposition and prays that registration of Application Serial No. 78/350,085 for the mark "Jack & Jones" be denied and that this Opposition be sustained in favor of Opposer.

A check in the amount of $300.00 for payment of the filing fee for the Notice of Opposition is enclosed. Please charge any additional amounts due, or credit any overpayments, to Deposit Account No. 02-0910.

EXTRAS
DIN LEGEA nr. 84/1998 PRIVIND MĂRCILE ŞI INDICAŢIILE GEOGRAFICE

Art. 1. - Drepturile asupra mărcilor şi indicaţiilor geografice sunt recunoscute şi apărate, pe teritoriul României, în condiţiile prezentei legi.

Art. 2. - De dispoziţiile prezentei legi beneficiază şi persoanele fizice şi juridice străine având domiciliul sau sediul în afara teritoriului României, în condiţiile convenţiilor internaţionale privind mărcile şi indicaţiile geografice la care România este parte.

Art. 4. - Dreptul asupra mărcii este dobândit şi protejat prin înregistrarea acesteia la Oficiul de Stat pentru Invenţii şi Mărci.

Art. 29. - Înregistrarea mărcii produce efecte cu începere de la data depozitului naţional reglementar al mărcii, pentru o perioadă de 10 ani. La cererea titularului, înregistrarea mărcii poate fi reînnoită la împlinirea fiecărui termen de 10 ani, cu plata taxei prevăzute de lege.

Art. 35. - Înregistrarea mărcii conferă titularului său un drept exclusiv asupra mărcii. Titularul mărcii poate cere instanţei judecătoreşti competente să interzică terţilor să folosească, în activitatea lor comercială, fără consimţământul titularului:

a) un semn identic cu marca pentru produse sau servicii identice cu acelea pentru care marca a fost înregistrată;

b) un semn care, dată fiind identitatea sau asemănarea cu marca ori dată fiind identitatea sau asemănarea produselor sau serviciilor li se aplică semnul cu produsele sau serviciile pentru care marca a fost înregistrată, ar produce în percepţia publicului un risc de confuzie, incluzând şi riscul de asociere a mărcii cu semnul;

c) un semn identic sau asemănător cu marca pentru produse sau servicii diferite de cele pentru care marca este înregistrată, când acesta din urmă a dobândit un nume în România şi dacă din folosirea semnului, fără motive intermediare, s-ar putea profita de caracterul distinctiv ori de numele mărcii sau folosirea semnului ar cauza titularului mărcii un prejudiciu.

În aplicarea alin. 2, titularul mărcii poate cere să fie interzise terţilor, în special, următoarele acte:

a) aplicarea semnului pe produse sau ambalaje;

b) oferirea produselor sau comercializarea ori deţinerea lor în acest scop sau, după caz, oferirea sau prestarea serviciilor, sub acest semn;

c) importul sau exportul produselor sub acest semn;

d) utilizarea semnului pe documente sau pentru publicitate.

Art. 40. - Drepturile cu privire la marcă pot fi transmise prin cesiune, independent de transmiterea fondului de comerţ în care aceasta este încorporată. ...

Art. 41. - Cererea de înscriere a cesiunii va fi însoţită de actul doveditor al schimbării titularului mărcii.

La cererea persoanei interesate şi cu plata taxei prevăzută de lege, Oficiul de Stat pentru Invenţii şi Mărci înscrie cesiunea în Registrul Naţional al Mărcilor şi o publică în Buletinul Oficial de Proprietate Industrială. Cesiunea devine opozabilă terţilor începând cu data înscrierii acesteia în Registrul Naţional al Mărcilor.

Art. 42. - Titularul mărcii poate, în baza unui contract de licenţă, să autorizeze terţii să folosească marca pe întreg teritoriul României sau o parte a acestuia, pentru toate sau numai o parte din produsele ori serviciile pentru care marca a fost înregistrată. Licenţele pot fi exclusive sau neexclusive ... Licenţa este opozabilă terţilor de la data înscrierii acesteia.

Art. 44. - Titularul poate să renunţe pentru toate sau numai pentru o parte din produsele sau serviciile pentru care marca a fost înregistrată. Renunţarea la marcă se declară în scris la Oficiul de Stat pentru Invenţii şi Mărci de către titularul mărcii sau de persoana împuternicită de acesta, iar drepturile asupra mărcii se sting, cu privire la produsele şi serviciile la care marca se referă, de la data înscrierii renunţării în Registrul Naţional al Mărcilor.

Art. 45. - Orice persoană interesată poate solicita Tribunalului Municipal Bucureşti, oricând în cursul duratei de protecţie a mărcii, decăderea titularului din drepturile conferite de marcă dacă:

a) fără motive justificate, marca nu a făcut obiectul unei folosiri pe teritoriul României într-o perioadă neîntreruptă de 5 ani pentru produsele sau serviciile pentru care aceasta a fost înregistrată;

b) după data înregistrării, marca a devenit, ca urmare a acţiunii sau inacţiunii titularului, uzuală în comerţul cu un produs sau serviciu pentru care a fost înregistrată;

c) după data înregistrării şi ca urmare a folosirii mărcii de către titular sau cu consimţământul acestuia, marca a devenit susceptibilă de a induce publicul în eroare, în special cu privire la natura, calitatea sau proveniența geografică a produselor sau serviciilor pentru care a fost înregistrată;

d) marca a fost înregistrată de o persoană neavând calitatea prevăzută de art. 3 lit g).

Decăderea produce efecte de la data remanierii definitive a hotărârii judecătoreşti.

Art. 47. - Dovada folosirii mărcii incumbă titularului acesteia şi poate fi făcută prin orice mijloc de probă.

Art. 48. - Orice persoană interesată poate cere Tribunalului Municipiului Bucureşti anularea înregistrării mărcii pentru oricare dintre motivele următoare:

a) înregistrarea mărcii s-a făcut cu nerespectarea dispoziţiilor art. 5 alin. 1);

b) înregistrarea mărcii s-a făcut cu nerespectarea dispoziţiilor art. 6;

c) înregistrarea mărcii a fost solicitată cu rea-credinţă;

d) înregistrarea mărcii aduce atingerea dreptului la imagine sau numelui patronimic al unei persoane;

e) înregistrarea mărcii aduce atingerea unor drepturi anterior dobândite cu privire la o indicaţie geografică protejată, un desen sau model industrial protejat sau alt drept de proprietate industrială protejat ori cu privire la un drept de autor.

Acţiunea în anulare pentru motivul prevăzut la alin. 1 lit. c) poate fi introdusă oricând în perioada de protecţie a mărcii.

Termenul în care poate fi cerută anularea înregistrării mărcii pentru motivele prevăzute la alin. 1 lit. a), b), d) şi e) este de 5 ani, începând să curgă de la înregistrarea mărcii. Anularea înregistrării mărcii nu poate fi cerută pentru motivul existenţei unui conflict cu o marcă anterioară, dacă aceasta din urmă nu îndeplineşte condiţiile prevăzute de art. 45 şi art. 6.

Art. 49. - Titularul unei mărci anterioare care, cu ştiinţă, a tolerat într-o perioadă neîntreruptă de cinci ani folosirea unei mărci posterior înregistrată nu poate să ceară anularea şi nici să se opună folosirii mărcii posterioare pentru produsele şi serviciile pentru care această marcă posterioară a fost folosită, afară numai dacă înregistrarea mărcii posterioare a fost cerută cu rea-credinţă.

Art. 50. - Dacă un motiv de decădere sau nulitate există numai pentru o parte a produselor sau serviciilor pentru care marca a fost înregistrată, decăderea sau nulitatea va produce efecte numai cu privire la aceste produse sau servicii...

Intro

A GOOD BUSINESS HAS NO LOSERS - AND LOTS OF WINNERS. WHEN THE END-USER, RETAILER AND WHOLESALER ARE ALL SATISFIED, THE WAY IS PAVED FOR A HEALTHY, GROWING BUSINESS.

Jack & Jones is a European menswear chain that sells clothes to a wide range of men aged 18-30 who have money to spend. We always aim to market the most commercial collections - at the right time and price. We strive to combine the buying experience with professional advice and exciting shops, providing the consumer with a pleasant overall experience and confirming to them that they have made the right purchase.

The chain has deep roots in the retail trade, so we think and act like retailers. Jack & Jones is built upon solid foundations of sensible buying, business acumen, rational distribution, the right locations, interesting shops - and especially - instant reaction to trends. Jack & Jones is more than just a chain of clothes shops: we want to offer our customers style, assurance and a total experience for their money - we want to ensure them with self-confidence.

A part of Bestseller Wholesale A/S

REACHING YOUR GOALS CALLS FOR STRONG WILLPOWER AND HARD WORK. BUT IF YOU WANT TO GET ON, YOU HAVE TO UNDERSTAND THE RULES OF THE GAME. ONLY THEN CAN YOU HOPE TO WIN.

Jack & Jones is the menswear arm of the Danish retail company Bestseller Wholesale A/S, the owner of other well-known brands such as Vero Moda and ONLY for women and EXIT for children. Bestseller Wholesale A/S is one of the largest clothing companies on the European fashion market. Group headquarters are in Brande, Denmark, but the company has shops, offices and showrooms all over the world.

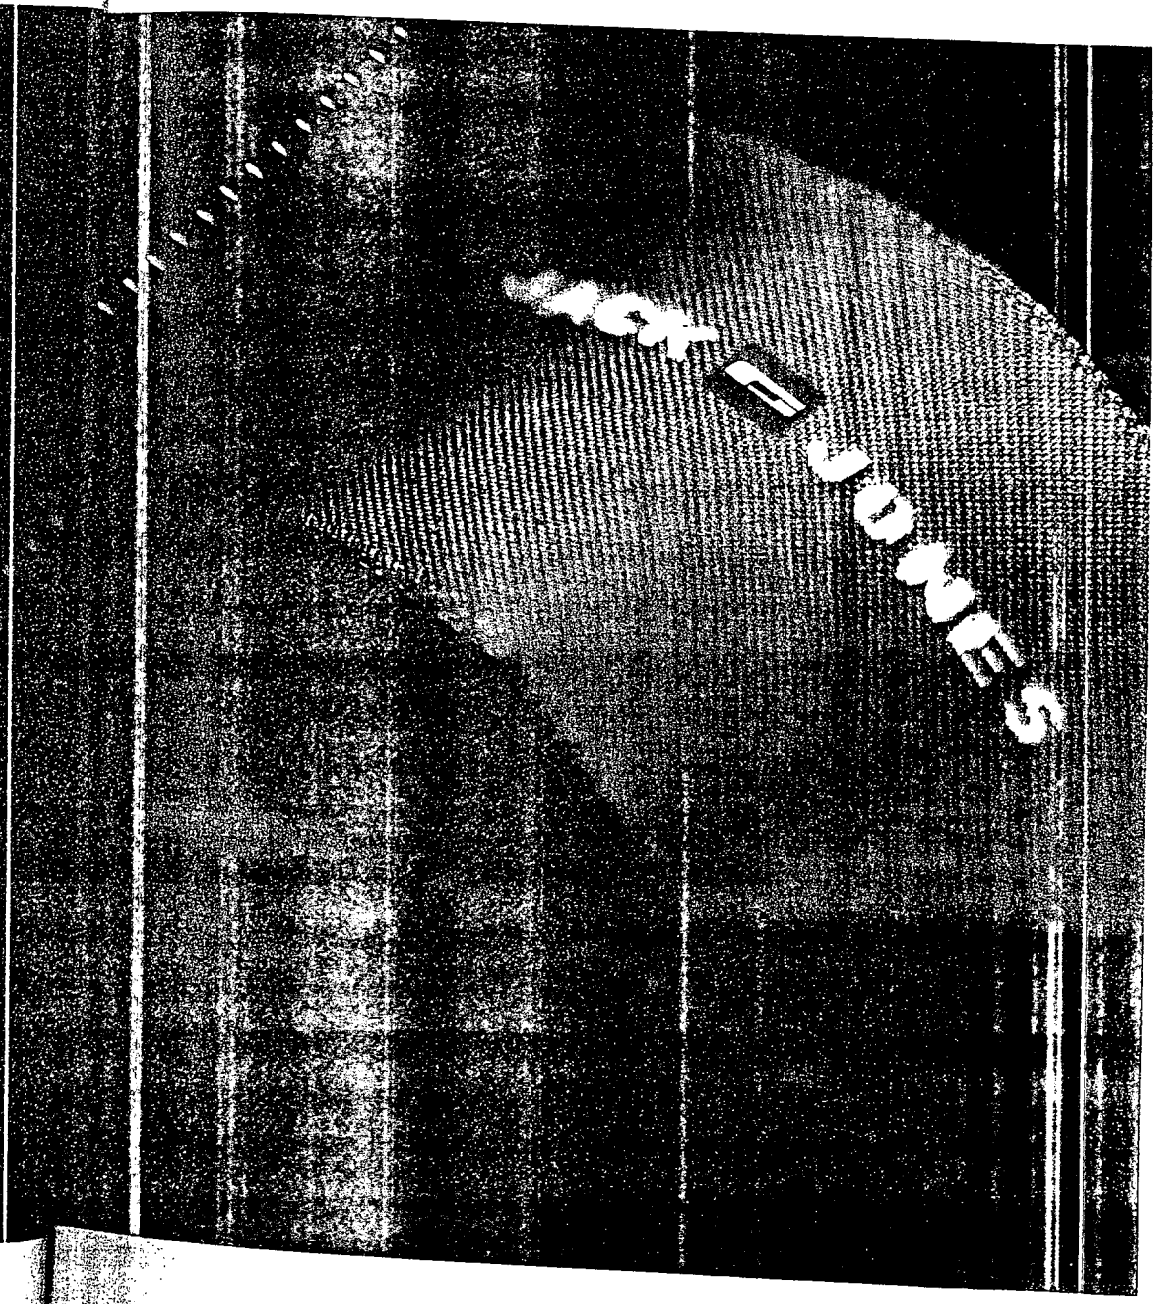
Bestseller Wholesale A/S started life as a retail company and the retail stage still forms the basis for all of its activities. Most Bestseller employees know what it is like to stand behind a shop counter. They know what the consumer wants and they understand the daily rhythm of retail life. They know what it takes to do well in fierce competition with other shops and chains - which is always our aim.

Jack & Jones - ideas and values

NOTHING IS QUITE AS SATISFACTORY AS CREATING SOMETHING YOURSELF AND WATCHING IT GROW. BUT YOURSELF DOES NOT NECESSARILY MEAN YOU ALONE. PEOPLE CANNOT WORK TOGETHER UNLESS THEY ARE ABLE TO COMBINE A SENSE OF RESPONSIBILITY FOR EACH OTHER WITH A DEGREE OF INDEPENDENCE. WORKING TOGETHER PROVIDES A SENSE OF SECURITY AND OTHERS WITH WHOM VICTORIES CAN BE SHARED.

Jack & Jones' results have always been, and will always be, based on business acumen and the positive spirit that imbues the whole organisation. We are always on the lookout for business-minded partners - partners who understand the strength of an equal partnership and whose commitment and feedback helps develop the chain.

Jack & Jones will never allow personal development and human interaction to be neglected in favour of the bottom line. That is why the chain is built on solid values such as hard work, respect and honesty - we know that we are best when we all pull together.



Jack & Jones around the world

BESTSELLER WHOLESALE A/S' BRANDS ARE SOLD BY MORE THAN 6,000 WHOLESALE CUSTOMERS AND SOME 700 FRANCHISE SHOPS ALL OVER THE WORLD. 225 OF THEM ARE JACK & JONES STORES.

All our shops are at the most attractive and central shopping locations possible - high streets as well as the best shopping centres - because in this context, competition is positive and engenders dynamism and turnover.

Today, there are Jack & Jones Stores in Denmark, Norway, Sweden, Finland, Ireland, Spain, Iceland, Saudi Arabia, China, Austria, Germany, Netherland, Belgium, England, Greenland, Faeroe Islands, Malta and Cyprus, and new ones are opening all the time.

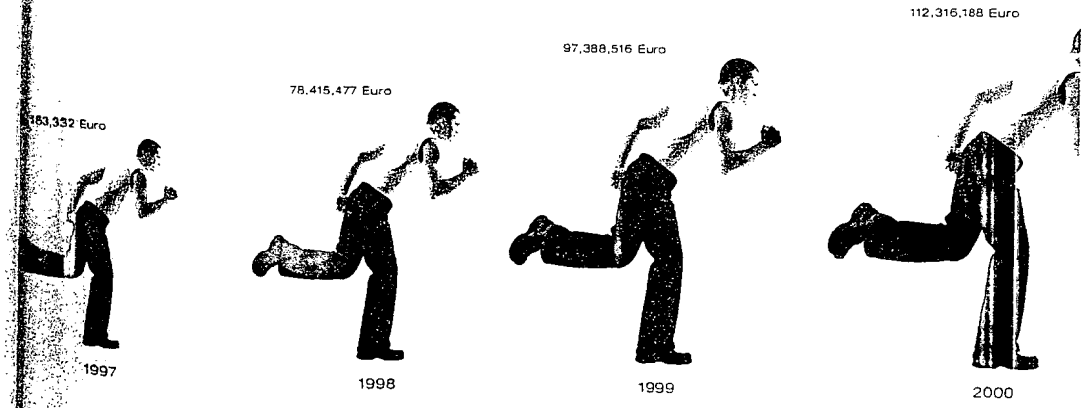
Jack & Jones shops in facts and figures

Jack & Jones has grown substantially over the last decade. The growth looks set to continue, so we need to increase our efforts and forge ahead at the same pace. This will call for hard work, honesty and co-operation. Together we want to see the company and its employees grow.

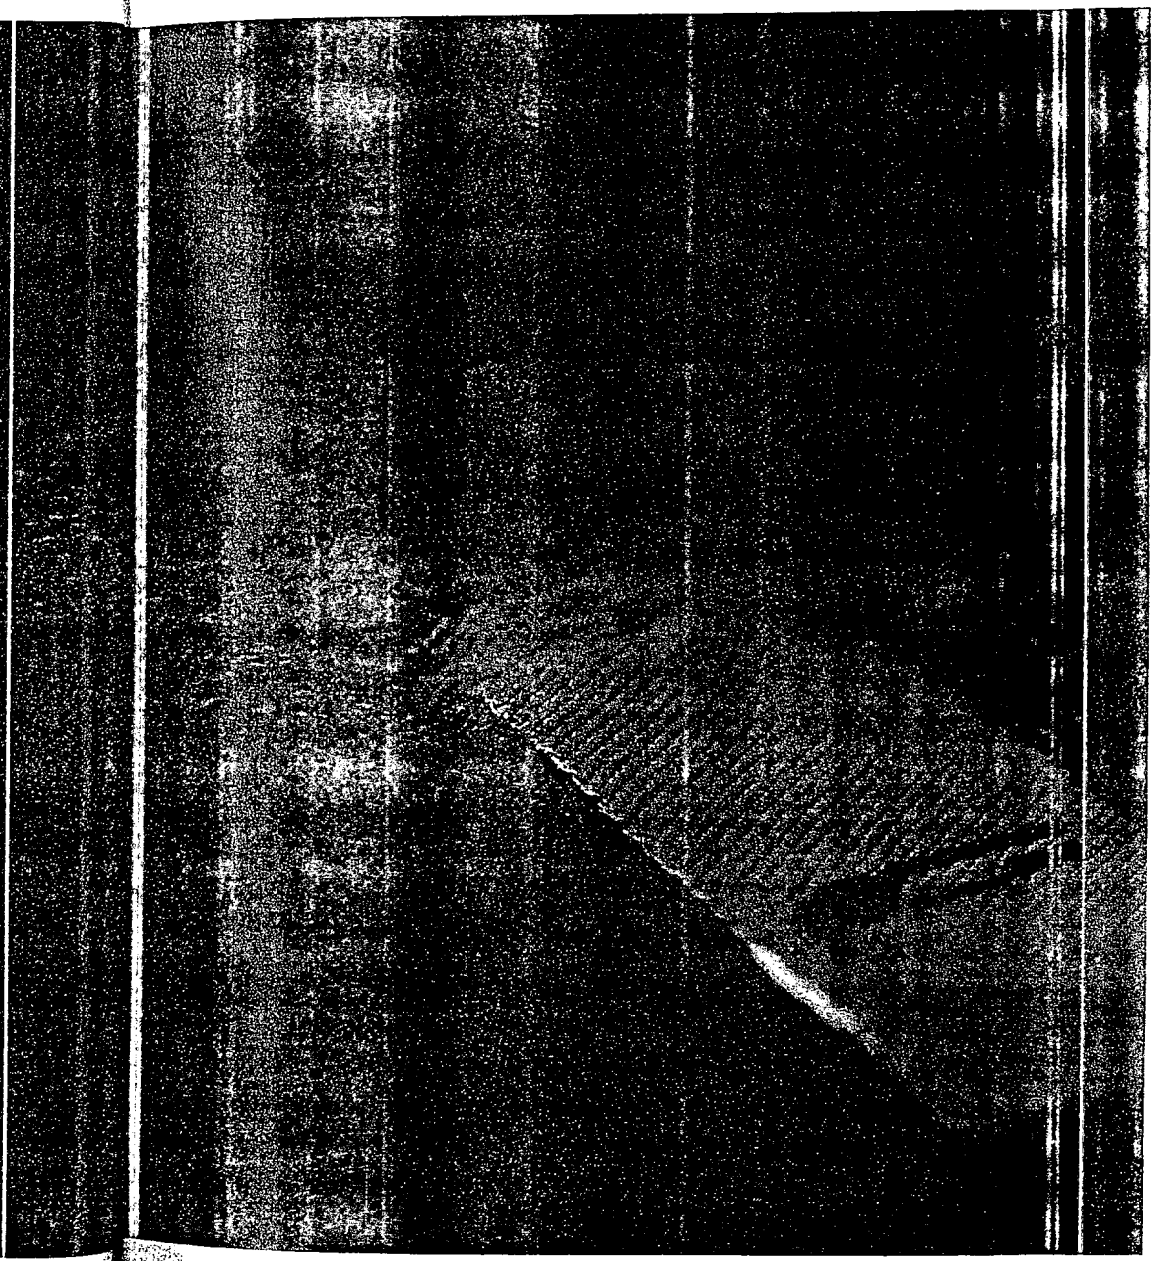


New partners

OPENING YOUR OWN SHOP IS NOT EASY. EVEN THOUGH YOU HAVE THE WILL, THE EXPERIENCE AND THE KNOW-HOW, FINANCING THE PROJECT MAY STILL PROVE TROUBLESOME.

Often it only takes two to six months from the moment negotiations are concluded until we open a new shop. If a person with the right qualifications and human values wants to open a Jack & Jones Store, we make sure that financial obstacles do not get in the way of a promising partnership.

If a potential partner has a proven track record of good business acumen, but is unable to raise sufficient capital, Jack & Jones will steps in with a financing scheme to get the project off the ground.



The employees are the company

A GOOD SHOP CONSISTS OF MORE THAN JUST WALLS, SHELVES AND CLOTHES. NO SHOP CAN PRODUCE POSITIVE RESULTS WITHOUT WELL-TRAINED, PROFESSIONAL AND MOTIVATED EMPLOYEES. THE EMPLOYEES HAVE TO BE THE HEART AND SOUL OF THE SHOP, AND THIS IS THE MOST IMPORTANT CHALLENGE FACING THE COMPANY.

The 700 or so employees form the backbone of Jack & Jones. We want committed employees who like their jobs and we believe that job satisfaction stems from mutual confidence, respect, freedom and responsibility. This policy allows employees to go far in Jack & Jones because their future in the company is in their own hands.

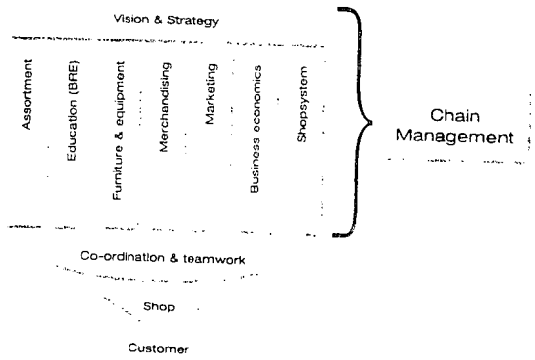
People who develop all the time produce the best results, so all of Jack & Jones' employees and partners undergo in-house training with Bestseller Retail Education (BRE). The courses are specially adapted for the various functions. For example, owners go on courses where they learn to train their own staff.

Store Support

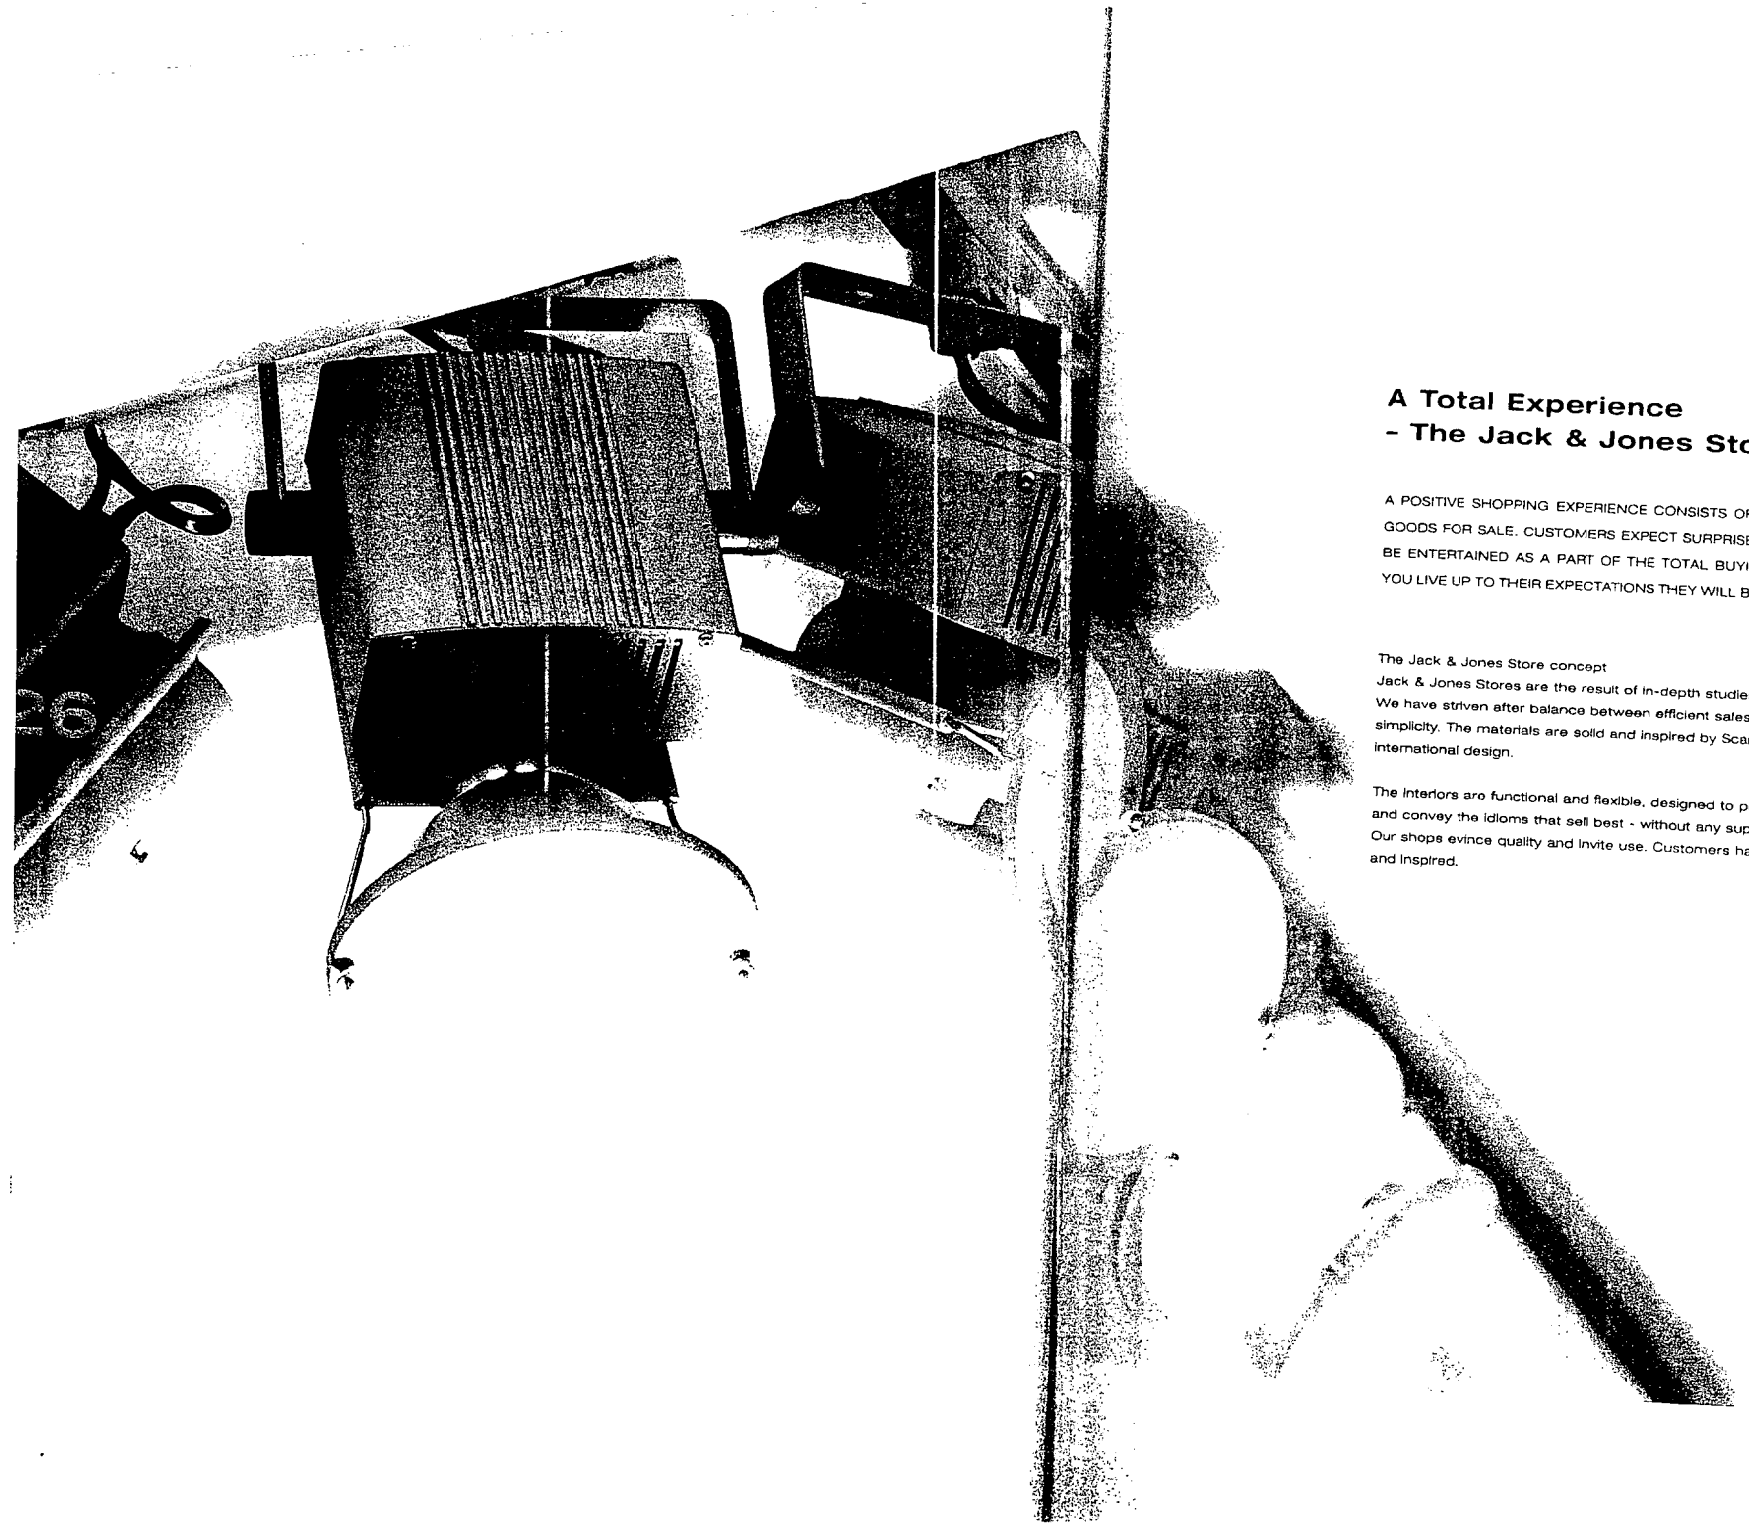
EXPERT BACKUP ALLOWS SHOPS TO GET ON WITH THE MOST IMPORTANT ACTIVITY - SELLING CLOTHES - SOMETHING THEY DO BEST WHEN THE REST OF THE ORGANISATION UNDERSTANDS SHOP LIFE AND THE NEEDS OF SHOP STAFF.

Being part of Bestseller Wholesale A/S has a lot of benefits for Jack & Jones Stores, e.g. a variety of back-up services, help and advice about product lines, training, inventory, merchandising, marketing, operations and IT. Co-operation between the shops and back-up services is based on mutual confidence and respect. The chain is there to provide backup and inspiration - not to enforce control.

Jack & Jones shops have access to an Internet-based retail management system. In other words, the whole chain has access to the same information. Bestseller Wholesale A/S always services the shops as well as possible. The system contains a purchasing option, which makes ordering stocks easy and means that the right goods are delivered on time.



Denimtechnic



A Total Experience - The Jack & Jones Store

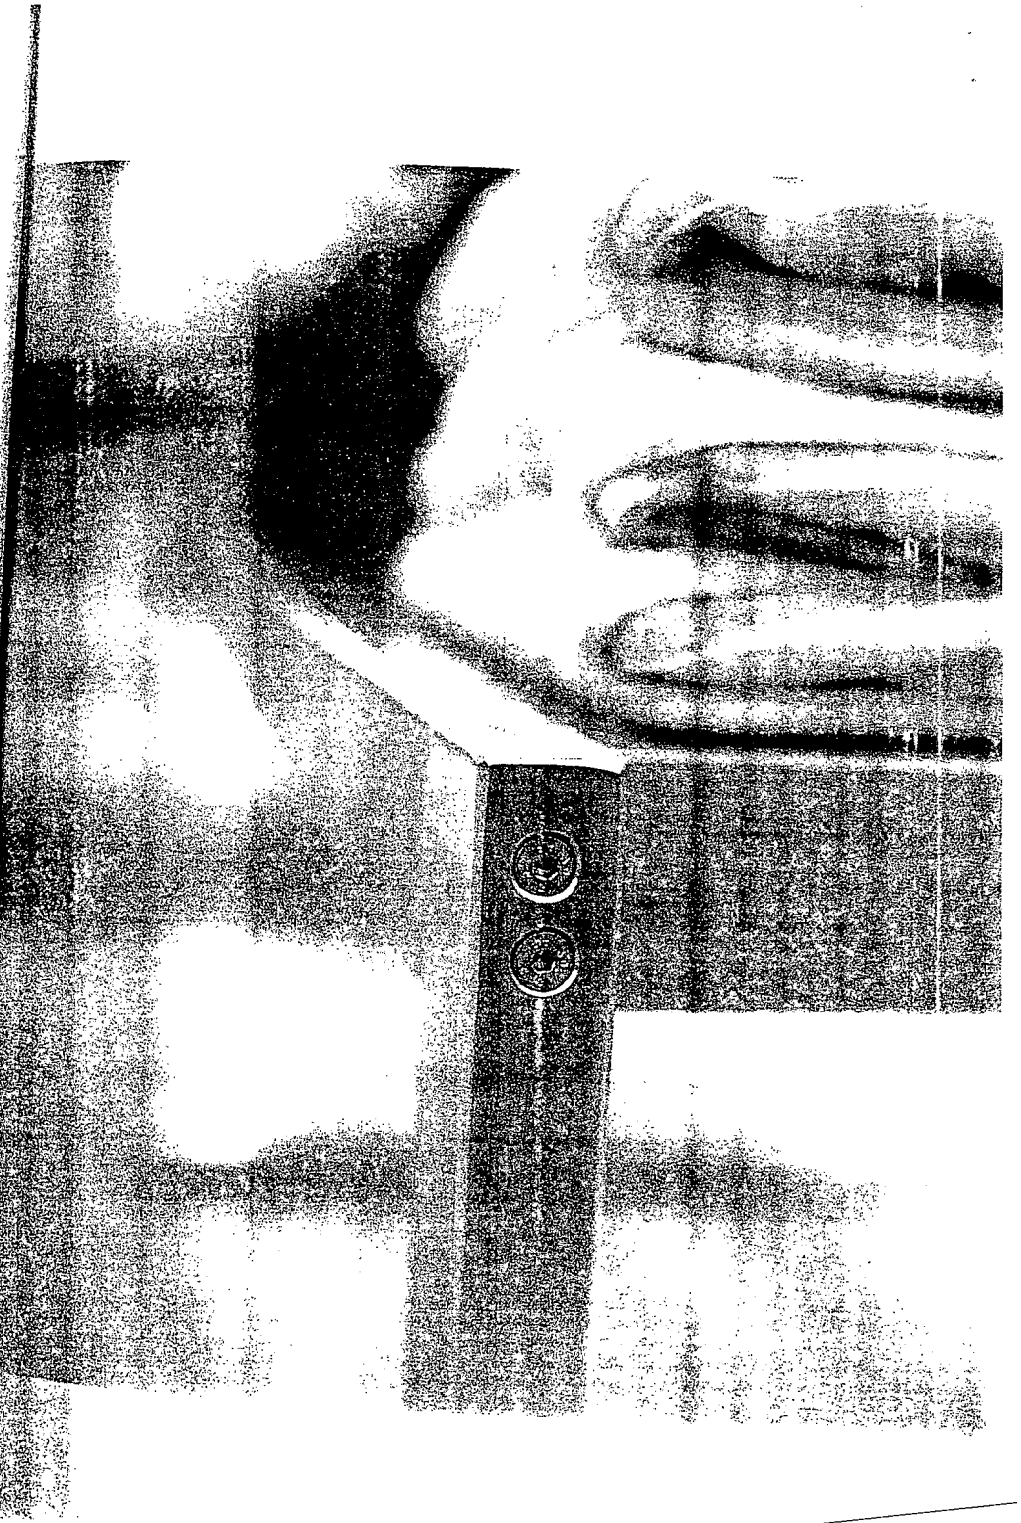
A POSITIVE SHOPPING EXPERIENCE CONSISTS OF MORE THAN JUST GOODS FOR SALE. CUSTOMERS EXPECT SURPRISES - THEY WANT TO BE ENTERTAINED AS A PART OF THE TOTAL BUYING EXPERIENCE. IF YOU LIVE UP TO THEIR EXPECTATIONS THEY WILL BECOME REGULARS.

The Jack & Jones Store concept
Jack & Jones Stores are the result of in-depth studies of buying behaviour. We have striven after balance between efficient sales outlets and stylish simplicity. The materials are solid and inspired by Scandinavian and international design.

The interiors are functional and flexible, designed to position the products and convey the idioms that sell best - without any superfluous details. Our shops evince quality and invite use. Customers have to feel welcome and inspired.

The Store

Jack & Jones Stores are from 120 to 300 m². Shops over 150 m² are divided into a Jack & Jones department and a Selected department but are designed in such a way that they are perceived as a single coherent unit. The interior and materials are always in light colours, albeit different ones for the two brands. Oak floor panels provide a warm and rustic contrast to the bright walls and steel fittings.



Effects

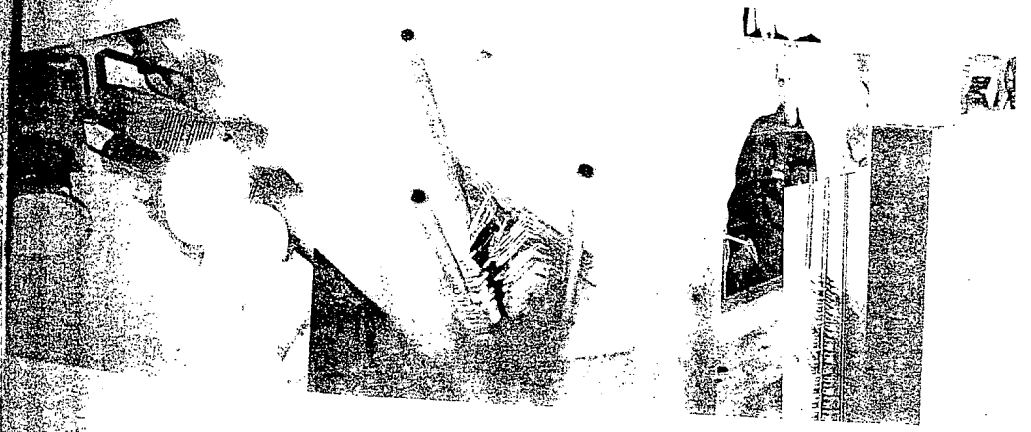
Jack & Jones Stores communicate with their customers and change all the time. Fragrances, visual, audio and interactive effects all combine to make the buying situation an intense experience, and ensure our shops with a life of their own.

Accessories

Accessories have their own displays. Shoes and bags are presented on glass, steel and concrete shelves. Boxer shorts, ties and socks are positioned on narrow, adjustable suspension systems. Watches, sun glasses etc. are always on display in a locked showcase near the counter - like all the other lines they are positioned where they sell best.

Lighting

Jack & Jones uses lighting in a very deliberate way. Steel spots on runners emit light that does not modify the colours of the clothes. The lighting in our shops and windows is also deliberately designed to attract attention.



Inventory

The inventory is flexible enough to allow the shop to convey new impressions. For example, the racks can be adapted to suit the volume of clothes at different times in the season. All Jack & Jones Stores also have seats for the friends and family of our customers and anybody else who needs a rest during a shopping trip. The furniture usually consists of leather sofas and chairs in masculine and simple designs.

Selected Store
– A Stylish Adventure

IF YOU WANT TO CONVEY CLASS, YOU OFTEN END UP DECIDING THAT 'LESS IS MORE'. MODERN ELEGANCE IS SIMPLE AND EXCLUSIVE. AND THAT GOES FOR CLOTHES AS WELL AS INTERIORS.

Jack & Jones has opened its first Selected Store, a beautiful shop which reflects the brand's smart, cool style. Selected cultivates the simple and straightforward. Walls and ceilings are white and floors made of oak. Selected's inventory mainly consists of light-coloured wood, which creates an exclusive overall impression to match the collections.

The Jack & Jones Profiles

A BRAND IS CREATED BY THE PEOPLE WHO WEAR IT. ATTRACTING THE RIGHT CUSTOMERS - BY MEETING THEIR EXPECTATIONS AND WIDENING THEIR HORIZONS - IS WHAT IT IS ALL ABOUT.

We want to have a hand in selecting our customers and make sure that they are good brand ambassadors. This means that we have to sell more than just clothes. We have to advise and train our consumers and help them to dress with self-confidence. This places demands on our ability to read the market. We travel all over the world, keeping a watchful eye on fashion hotbeds and spotting trends that will appeal to our consumers.

Jack & Jones' three brands are aimed at three different types of men: casual, exclusive and young trendy types. The collections are wide-ranging and inspired by the trends that create and change the styles preferred by each of the three types.

Jack & Jones Jeans – who we are

Jeans er historiens mest elskede beklædningsgenstand. Intet andet tøj har vundet samme udbredelse på tværs af alder, køn og status. Millioner af mennesker verden over ejer mindst et par jeans, og mange betragter dem som deres foretrukne påklædning. Og her ligger grundlaget for Jack & Jones Jeans.

Jack & Jones er blandt Europas mest markante denimproducenter, båret frem af en ambition om at producere originale kvalitetsjeans til et bredt publikum. Og det er lykkedes. Vores jeans kan i dag ses på gaderne i hele Europa.

Vejen frem har været - og er stadig - flid, ærlighed og samarbejde, for vi vil vokse sammen med vores kunder.

Bestseller Wholesale A/S

- the company behind our business

Jack & Jones repræsenterer herresiden af den danske detailvirksomhed Bestseller Wholesale A/S. Virksomheden, der også tæller andre kendte brands som Vero Moda, ONLY, Selected, Tdk og børnetøjet EXIT, er en af de største aktører på det europæiske marked for modetøj.

Bestseller Wholesale A/S har hovedsæde i Brande, Danmark og butikker, kontorer og showrooms fordelt over hele verden - Jack & Jones' hovedkontor ligger også i Brande. Globalt forhandles Bestseller Wholesale A/S' brands i mere end 6.000 detailbutikker og ca. 850 franchisebutikker.

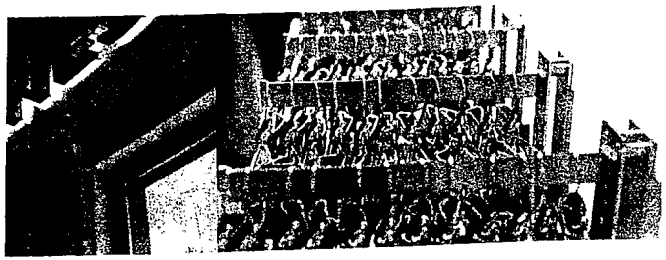
Bestseller Wholesale A/S begyndte som detailvirksomhed i 1975 og udviklede senere grossistdelen. Detailleddet er stadig omdrejningspunktet for alle vores aktiviteter. Du kan derfor forvente en stærk og professionel samarbejdspartner, der kender og tilpasser sig hverdagen i butikkerne.

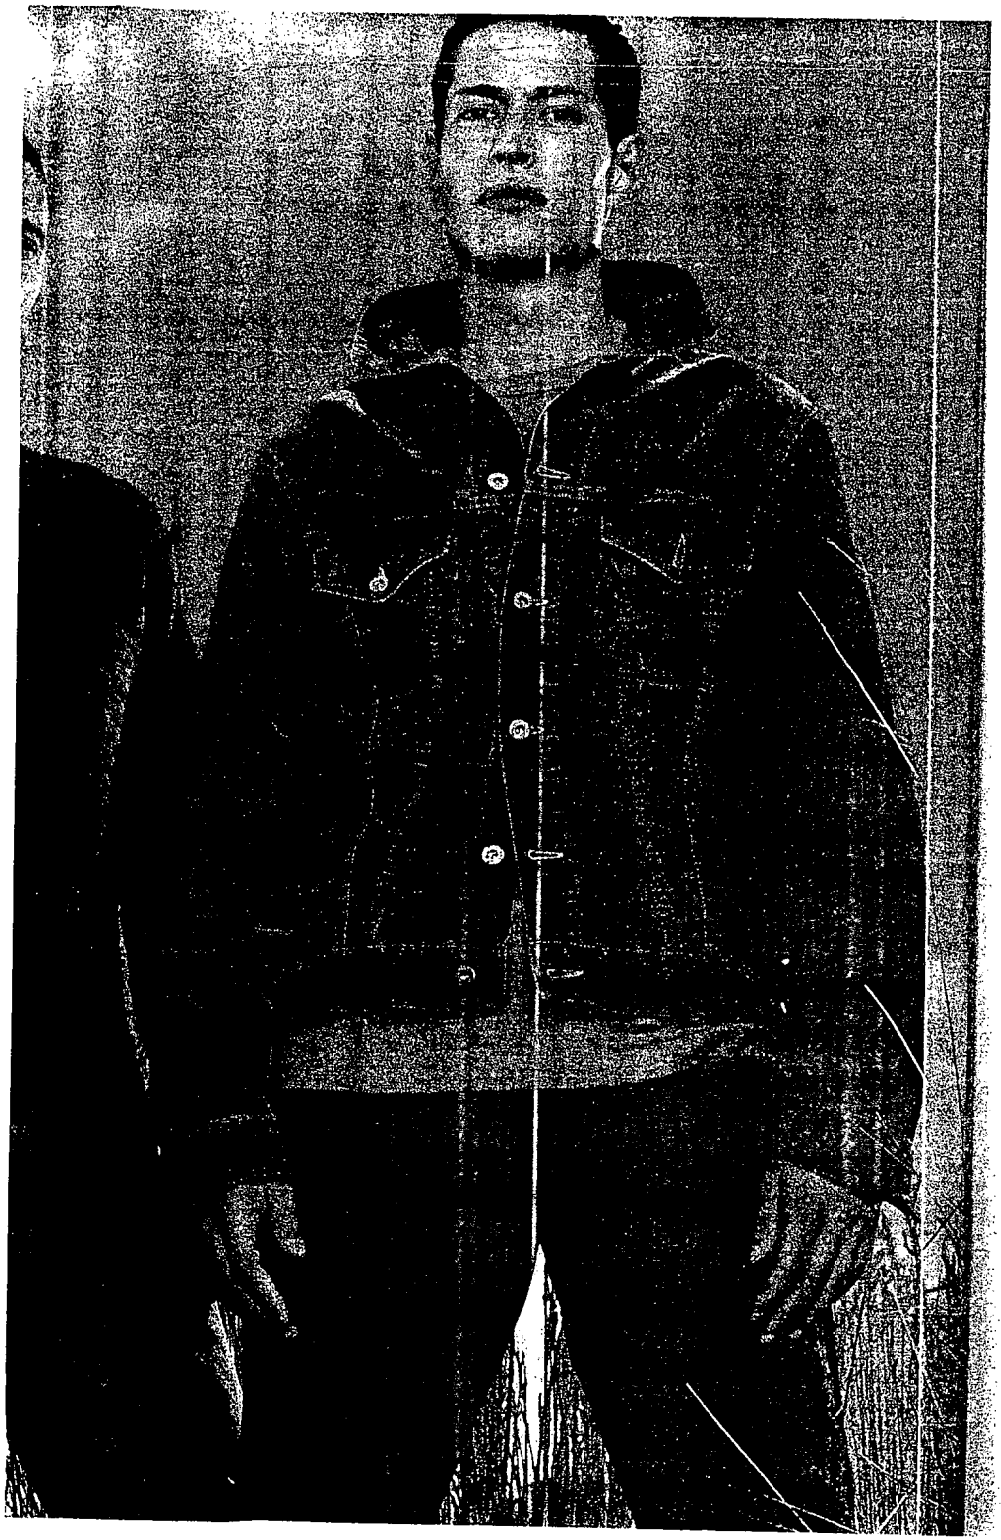
The World of Jack & Jones

– an international brand

Jack & Jones samarbejder med over 1.500 detaillister verden over, og vi har samtidig udviklet os til en detailkæde med ca. 220 Jack & Jones butikker, og der åbner fortsat nye forretninger. Jack & Jones således er repræsenteret i Island, Danmark, Norge, Sverige, Finland, Tyskland, Holland, Belgien, England, Irland, Spanien, Saudi Arabien og Kina. Det betyder, at brandet er stærkt repræsenteret, og at Jack & Jones derfor har en høj kendskabsgrad.

Som kunde hos Jack & Jones får du altid personlig kontakt med et stærkt netværk af salgs- og backup-personale. I alle de nævnte lande har vi salgskontorer og konsulenter, der hjælper og rådgiver dig omkring bl.a. indkøb, markedsføring og sortiment af vores varer. På den måde kan du koncentrere dig om arbejdet i butikken, og lade os klare alle andre opgaver omkring din jeans-leverance.





A blue statement – what we stand for

Jack & Jones har dybe rødder i detailhandlen. Vi kender forbrugernes krav og detaillisternes arbejdsdag, og det skal komme vores kunder til gode. Derfor bygger Jack & Jones på gennemtænkte indkøb, godt købmandsskab, rationel distribution og markedstilpassede kollektioner.

Jack & Jones tilbyder et stort udvalg af kvalitetsmode til herrer. Målgruppen er et bredt, købestærkt publikum af mænd i alderen 18 til 30 år. Det er vores mål at have de mest kommercielle kollektioner på det rigtige tidspunkt og til den rigtige pris. Vores vigtigste opgave er derfor hurtigt at opfange tendenser og omsætte dem til tøj, der i udseende, prisniveau og pasform imødekommer den efterspørgsel vores detailkunder oplever fra forbrugerne.

Men vores kerneprodukt er jeans – klassiske five pocket modeller såvel som den aktuelle jeanstrend. Vores første styles var denim, og vi elsker stadig jeans – for deres styrke og for evnen til at tilpasse sig den person, der bærer dem. Derfor lægger vi al vores sjæl og viden i at udvikle, producere og levere Jack & Jones Jeans.

A game with three winners

- our business philosophy

Det er positiv ånd og forretningsmæssig fornuft, der har skabt og fortsat skaber Jack & Jones' resultater – både for os og for vores kunder. Vi mener, at en god forretning har tre vindere. Når både forbruger, detaillist og grossist er tilfredse, er vejen banet for en sund forretning og et samarbejde med perspektiv og udsigt til vækst.

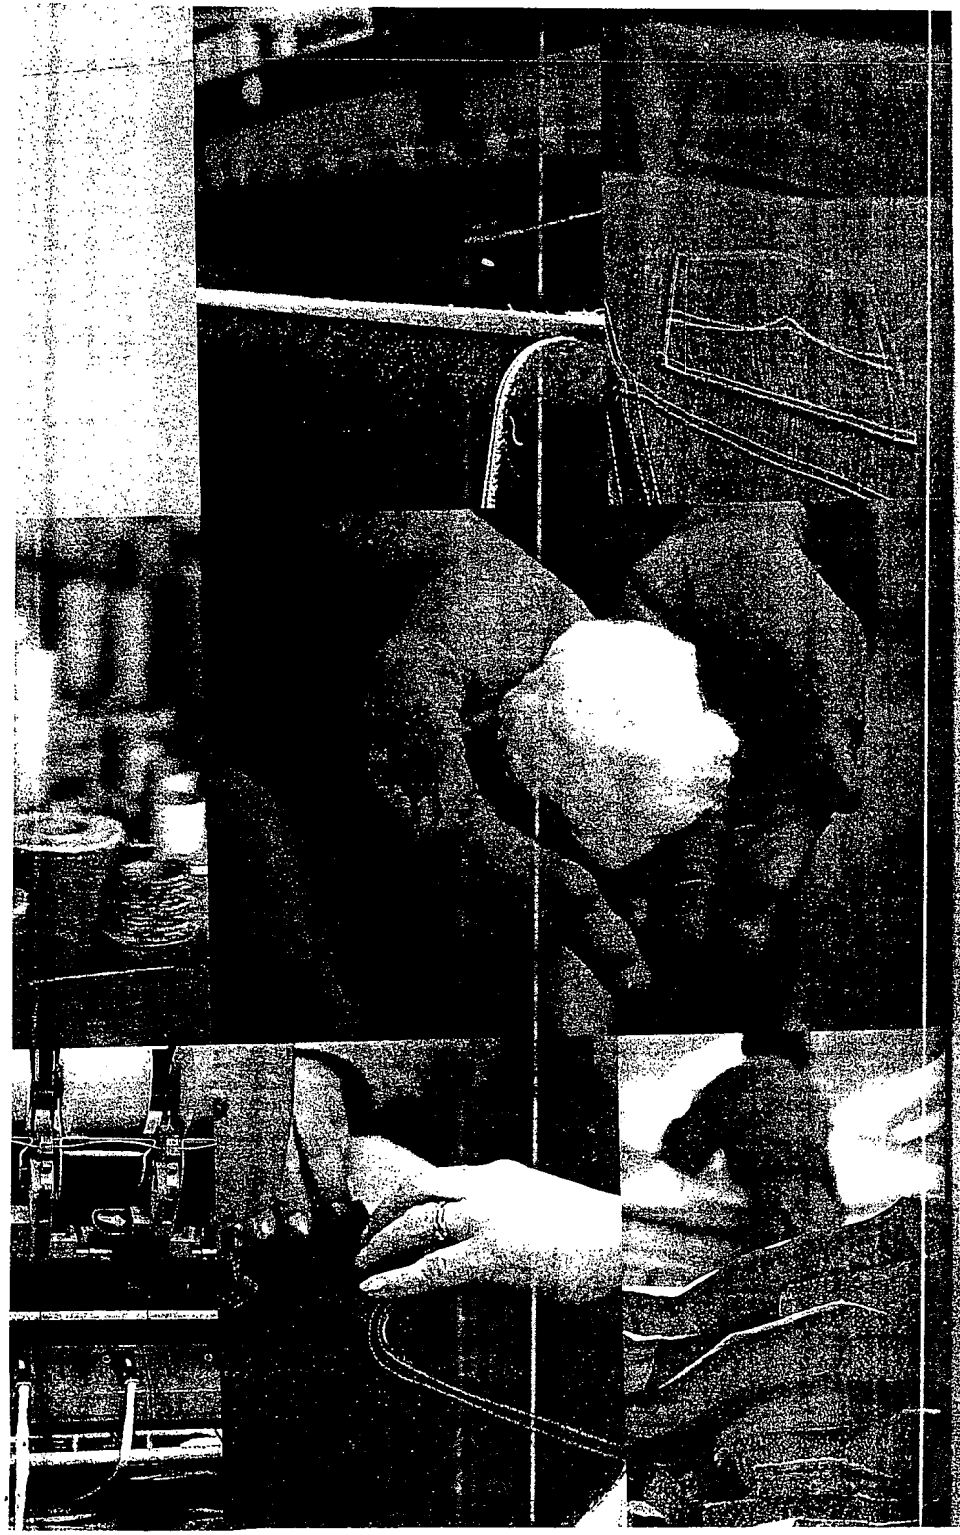
Vi baserer vores forretningsgrundlag på, at hver enkel kunde skal blive den bedste jeansbutik i sit område. Ikke kun i antal solgte jeans, men også i indtjening og bruttoavance. Derfor har vi udviklet et unikt system med en særlig jeansreol og bestillingsfunktioner, der mindsker lageret og øger effektivitet og omsætningshastighed. Samtidig er vi altid i nærheden af vores kunder, så vi hurtigt kan hjælpe både ved samarbejdets begyndelse og efterfølgende.

For det er afgørende for Jack & Jones, at vi har en god kontakt til vores kunder. Jo bedre vi kender hinanden, jo bedre kan vi sikre et samarbejde til begge parters fordel - et samarbejde, der skaber de økonomiske resultater, som er den primære målsætning.

Denim forever – the story of Jack & Jones Jeans

Jeans har revolutioneret moden – men samtidig har de ændret sig minimalt, siden håbefulde guldgravere for mere end 150 år siden trak i det første par. Vi tror på, at denim altid vil have en markant plads i modebilledet. Vi vil derfor sikre, at vores kunder altid kan tilbyde forbrugerne et bredt og markedstilpasset udvalg af Jack & Jones Jeans.

Jack & Jones har udviklet og solgt denim siden 1982, og vi er derfor på hjemmebane, når vi sælger nutidens originale fivepocket-modeller. Men vi udvikler også nye designs af de udødelige jeans, så denim kan spås en lys fremtid.



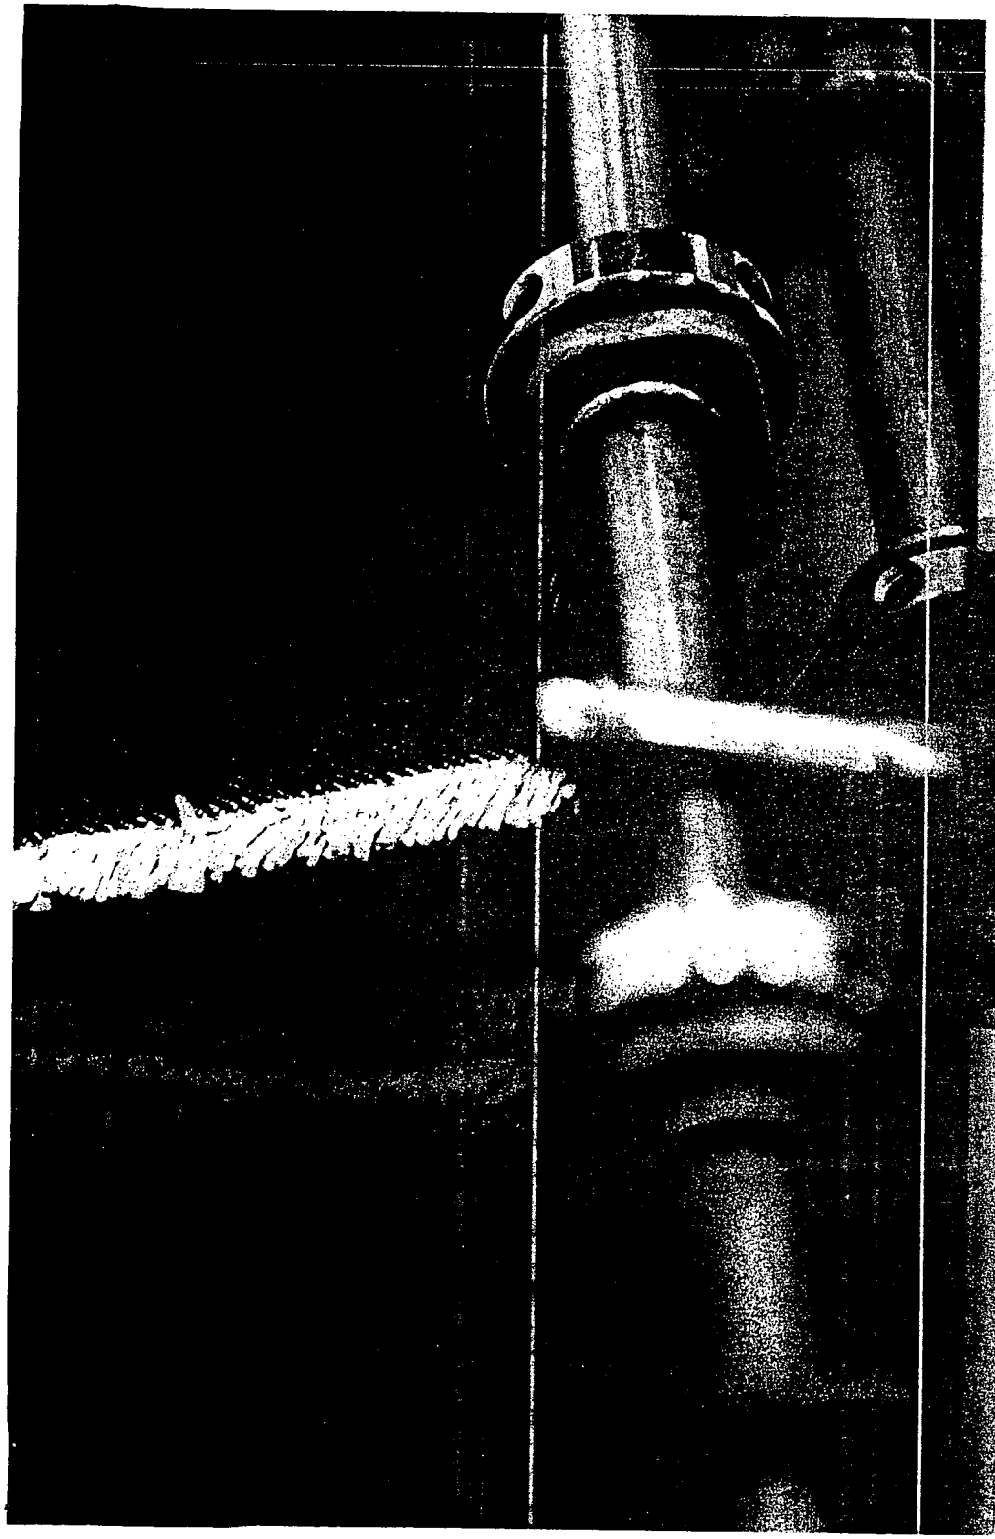
The Blue Recipe – how we do it

Jack & Jones Jeans produceres primært i Italien. De syes på landets bedste systuer og behandles på et af Europas største vaskerier. Vores samarbejdspartnere anvender den nyeste teknologi på området og holder sig løbende opdateret, så de er foran i produktudviklingen.

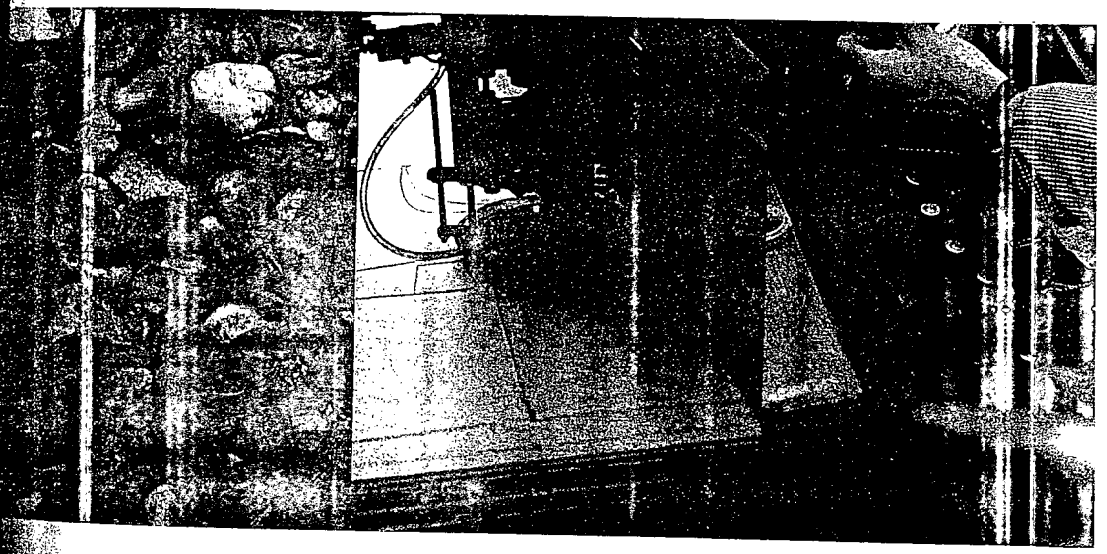
Fremstillingen af Jack & Jones Jeans er en kompliceret proces. Mens andet tøj klippes og sys i et færdigt materiale, ligger der et stort arbejde både for og efter syningen af et par bukser i denim.

Shades of Blue

For denim er ikke bare denim. Vi arbejder med metervarer i mange forskellige vævninger og vaske. Udtrykket på Jack & Jones' denim varierer derfor efter hvilken metervare, vi vælger. Desuden behandles de mange kvaliteter efterfølgende i forskellige opløsninger af indigo-farve, til de opnår det ønskede udseende.



Giving our jeans a hard time



Et par jeans består af ca. 19 forskellige stofdele plus knapper, nitter og labels. De enkelte dele er forskellige i hver model og størrelse, så det kræver præcision at sy det enkelte par korrekt.

Men den vanskeligste og mest kostbare del af processen er efterbehandlingen. De færdigsyede jeans gennemgår forskellige behandlinger, der er med til at give dem deres individuelle look. Mens syningen tager max. 16 minutter, kan efterbehandlingen af Jack & Jones Jeans tage op til fire timer.

En del af vores modeller behandles specielt for at opnå et slidt, olieplettet, hullet eller »repareret« udseende. Bukserne bliver bl.a. sandblæst, stenvasket, slebet, hullet, syet og overfarvet, så de får det rigtige look.

'he rt of enim - our styles

Jack & Jones tilbyder de rigtige jeans til alle typer mæ
med smag for denim. Basic er vores klassiske jeanslin
med de modeller, der altid efterspørges. Denim Techni
er trend styles i et nyt materiale og utraditionelle snit.
Jack & Jones' seneste denimlinie er Vintage, som er
jeans i second hand look.

Jack & Jones tilbyder dig et udvalg på minimum 30
styles. Modellerne spænder bogstavelig talt vidt i stør
sørne: 26 - 46 i waist og 30 - 36 i length - og uanset ø
man er til zip eller button fly, kan man finde en model

Vintage – Authentic Denim

Vintage er denim med sjæl – en modig linie, inspireret af både pasform og finish på second hand jeans. Modellerne er hentet i Basic-kollektionen, men med specielle efterbehandlinger har de fået det autentiske touch af pletter, slid og huller, der kendetegner jeans med en historie. Vintage er »bound to be a favourite«.

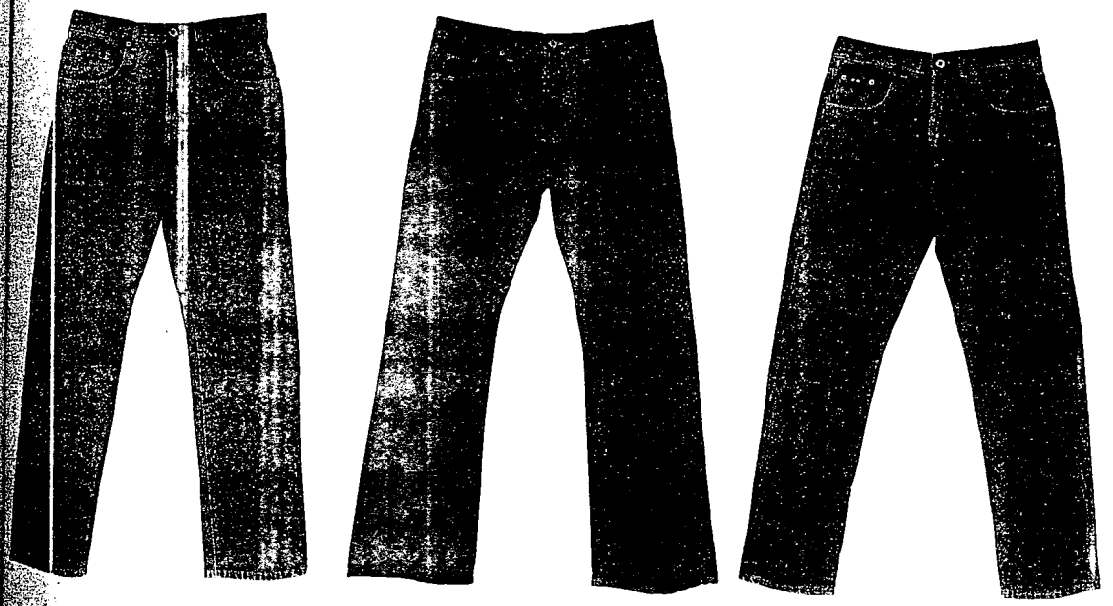
Denim technic® – Future Fashion

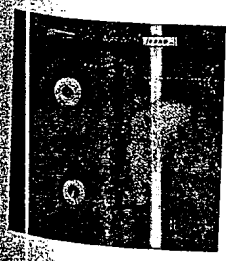
Jack & Jones' trend kollektion er Denim technic – en linie af jeans og pants med gennemførte og anderledes detaljer, der afspejler tidens trend. Det specielle ved Denim technic er det tekniske materiale, hvor vi ofte kombinerer den traditionelle bomuld med polyester. Resultatet er en slidstærk kvalitet med et rent og skarpt udseende. Materialet matcher de utraditionelle snit, som til enhver tid afspejler det aktuelle modebillede.

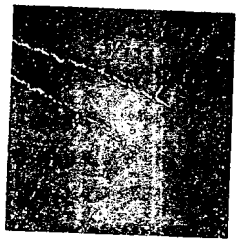
Basic

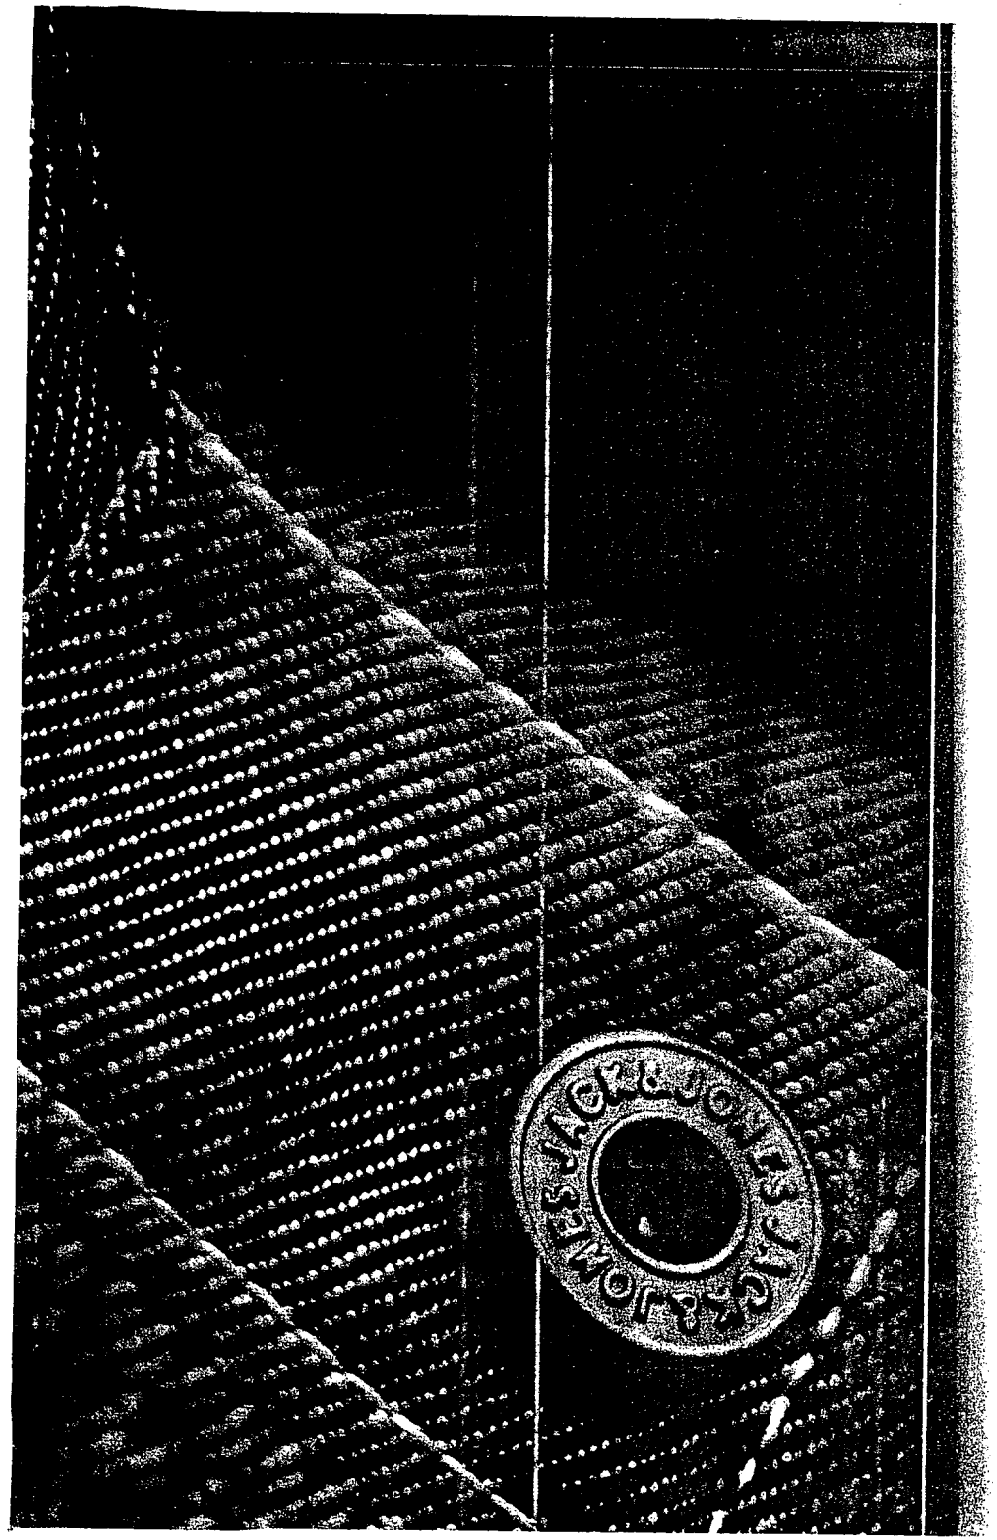
– The reliable blue jeans



Basic er Jack & Jones klassiske jeanslinie med de originale five-pocket-modeller. Man kan kende dem på snittet, forskellige modeller med unik pasform og den gennemførte finish til mindste detalje. Basic fås i alle de klassiske jeansvaske som f.eks. stonewash, dark og black. Har man fundet sin Basic-klassiker, bliver den et must – og med leveringsgaranti fra Jack & Jones. Alle modeller ligger naturligvis til stykvis supplering – rely on Basic!







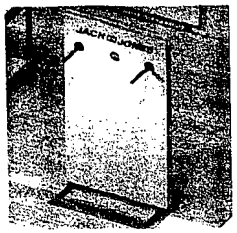
Online jeans – how to get them

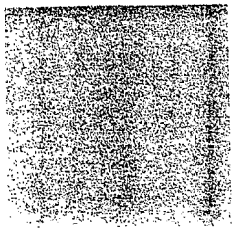
Vores jeanslager er Nordeuropas største, og vi har altid over 150.000 par jeans på lager. Kombineret med gennemtænkte suppleringssystemer og en omfattende og effektiv logistik, er vi i stand til at levere hurtigt og præcist.

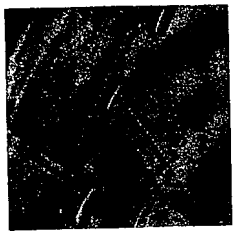
Som forhandler af Jack & Jones Jeans får du adgang til vores online suppleringsfunktion. Her kan du hurtigt og nemt bestille nye varer og orientere dig om produktsortimentet. Alt, hvad du har brug for, er en pc med adgang til internettet samt et login og et password, som du modtager fra os. Herefter kobler du dig på vores extranet via vores hjemmeside www.jackjones.com og har nu adgang til suppleringsfunktionen. Vi hjælper selvfølgelig dig og dit personale i gang.

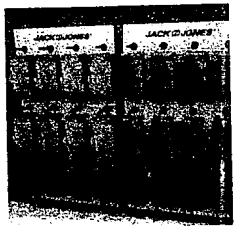
Suppleringsfunktionen giver dig en oversigt over de eksisterende modeller, størrelser, vaske og farver. Du kan også se detaljebilleder af modellerne eller se billederne i stort format. Samtidig har du adgang til en liste over de mest bestilte modeller, der kan orientere dig om modellernes popularitet. Afslutningsvis får du en oversigt over det bestilte antal varer, og det beløb du har handlet for. Du har selvfølgelig mulighed for at rette evt. fejl og kan udskrive din bestilling på print.

Systemet vil herefter spare dig både tid og lagerplads og sikre, at du altid har de rigtige størrelser og modeller i dit sortiment.









Jeans Control – the rack

Jeans reolen fra Jack & Jones er et praktisk og gennemtænkt display til denim. Den består af to vægmoduler med plads til i alt 240 par jeans – har du plads og behov, kan du selvfølgelig få flere vægmoduler. Ingen rodede hylder, men fuldt overblik for både dig og kunderne. Med reolen kan du på en flot og overskuelig måde vise de mange forskellige styles, så kunderne får et indtryk af bredden i Jack & Jones' sortiment.

Jack & Jones har i dag 600 Jeans & Pants Supply Systems i europæiske butikker. Erfaringen fra samarbejdet med vores kunder viser entydigt, at systemet øger omsætningshastigheden og bruttoavancen.

Når du har købt systemet, og jeansreolen er monteret, kan du benytte Jack & Jones Supply System. Idéen med systemet er enkel. Lageret og ansvaret flyttes fra din butik til hovedkontoret, der holder dig forsynet og orienteret på jeanssiden. Hver uge gennemgår du alle modeller på reolen efter et skema og registrerer, hvad du mangler. Herefter bliver du kontaktet af en suppleringssælger fra hovedkontoret, der tager imod dine ordrer, og du vil ugentligt blive suppleret med jeans.

Din sælger holder dig ajour med seneste nyheder indenfor traditionelle 5-pocket jeans, fancy jeans, poly/cotton pants m.m. Han fortæller dig også, hvad der sælger bedst nu og her, så du kan købe ind på den mest hensigtsmæssige måde. Samtidig har du hele tiden de aktuelle varer og du sparer både tid og lagerplads.

Velkommen til dem, der vil skabe en god forretning til egen og fælles glæde!

Blue tour 2002

A great night - cool band, cool crew and a cool crowd. A perfect way to start the tour.

Heading for another outdoor adventure tomorrow – must remember to check Leon's kick drum to perfect his beat. But first a good nights sleep on the bus.

Jack & Jones Blue tour 2002

De fleste mennesker har mindst ét par jeans i deres garderobe – og ville nødigt undvære dem. Men kun de færreste ved, hvordan man fremstiller og efterbehandler jeans, inden de færdige Jack & Jones ligger i butikken. Derfor rejste 43 personer fra Jack & Jones til Italien, for at studere den imponerende og i flere tilfælde overraskende proces.

I bogen her vil vi fortælle vores kunder, kolleger og samarbejdspartnere om den fascinerende arbejdsproces, om vores styles og om samarbejdet med Jack & Jones. Jack & Jones rangerer i dag blandt Europas mest markante denim brands, fordi vores jeans er høj kvalitet til fair pris, og fordi samarbejdet med vores italienske jeansfabrikanter resulterer i innovative, markedstilpassede kollektioner. Men først og fremmest fordi vi indgår i et partnerskab med vores kunder om at skabe en sund forretning til fælles glæde og udbytte.

Bestseller Wholesale A/S – from a Retail Perspective

Bag Jack & Jones står den danske virksomhed Bestseller Wholesale A/S, der også omfatter Vero Moda, ONLY, Vila, Selected, tdk og EXIT. Bestsellers mærker forhandles i mere end 6.000 detailbutikker og ca. 850 franchisebutikker rundt om i verden. Virksomheden er dermed en af de største modetøjsproducenter på det europæiske marked. Bestseller Wholesale A/S er udsprunget af detailbranchen – den første butik åbnede i 1975, og fra den næste åbnede, er det gået stærkt. Men det er stadig arbejdet i butikkerne, der er omdrejningspunktet for virksomheden. Bestseller Wholesale A/S blev grundlagt i Brande, Danmark, hvor den stadig ligger i dag, og hvor Jack & Jones også holder til.

Samtidig er alle aktiviteter på hovedkontoret indrettet til at yde den bedst mulige support på produkter, logistik, IT, uddannelse, marketing og merchandising.

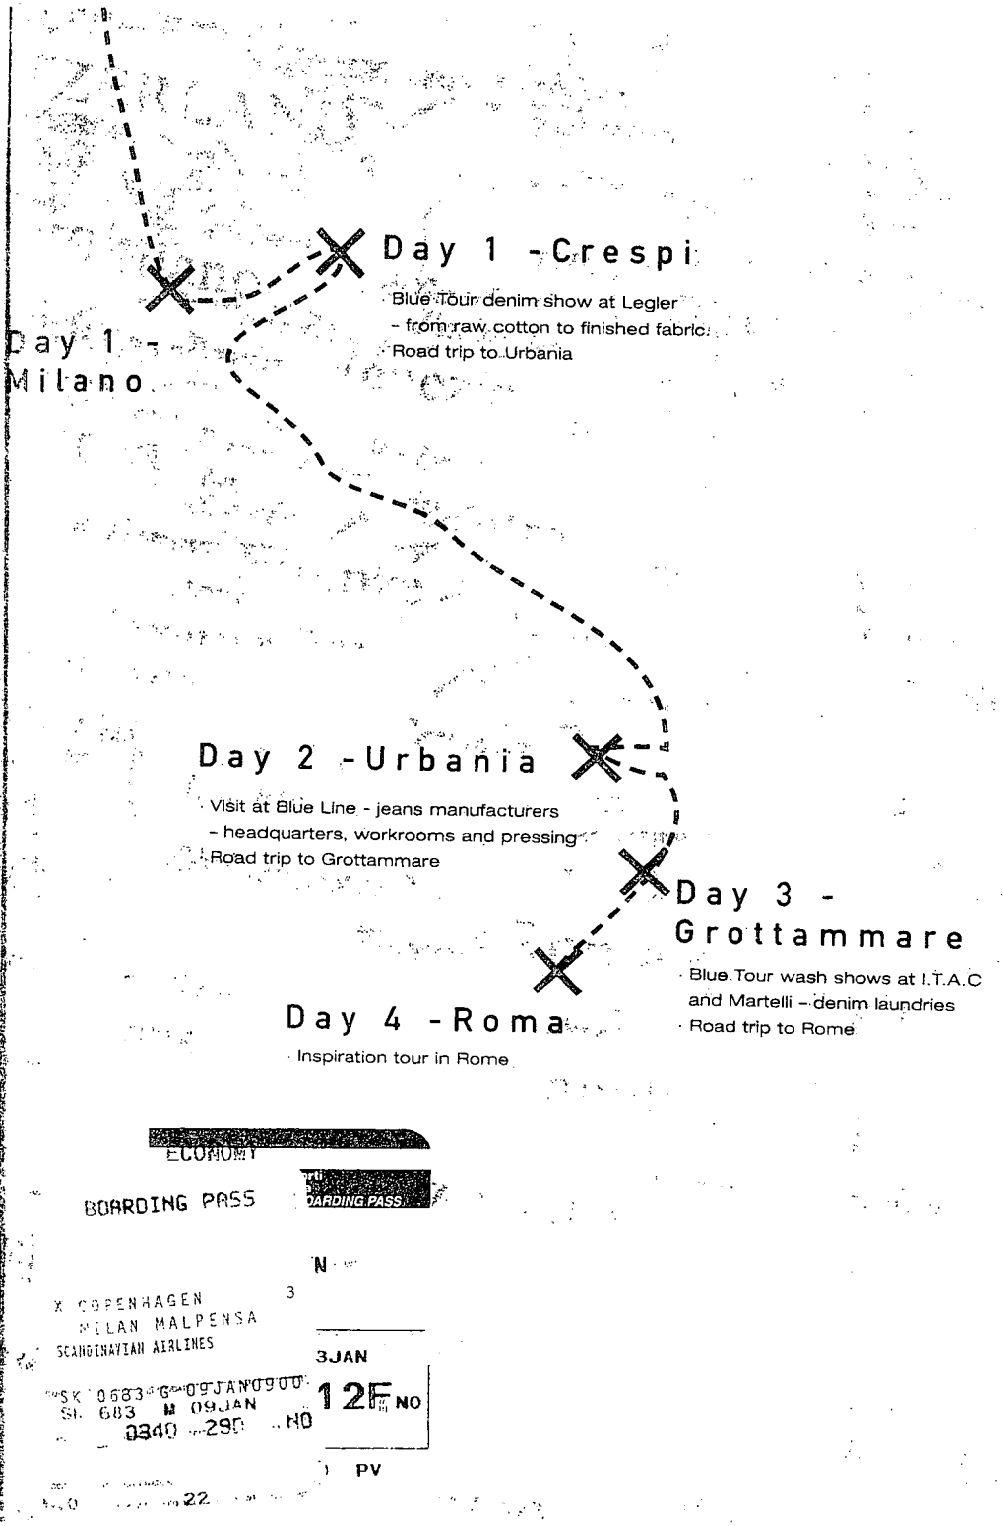
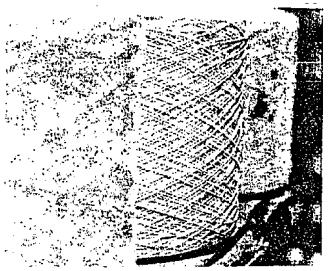
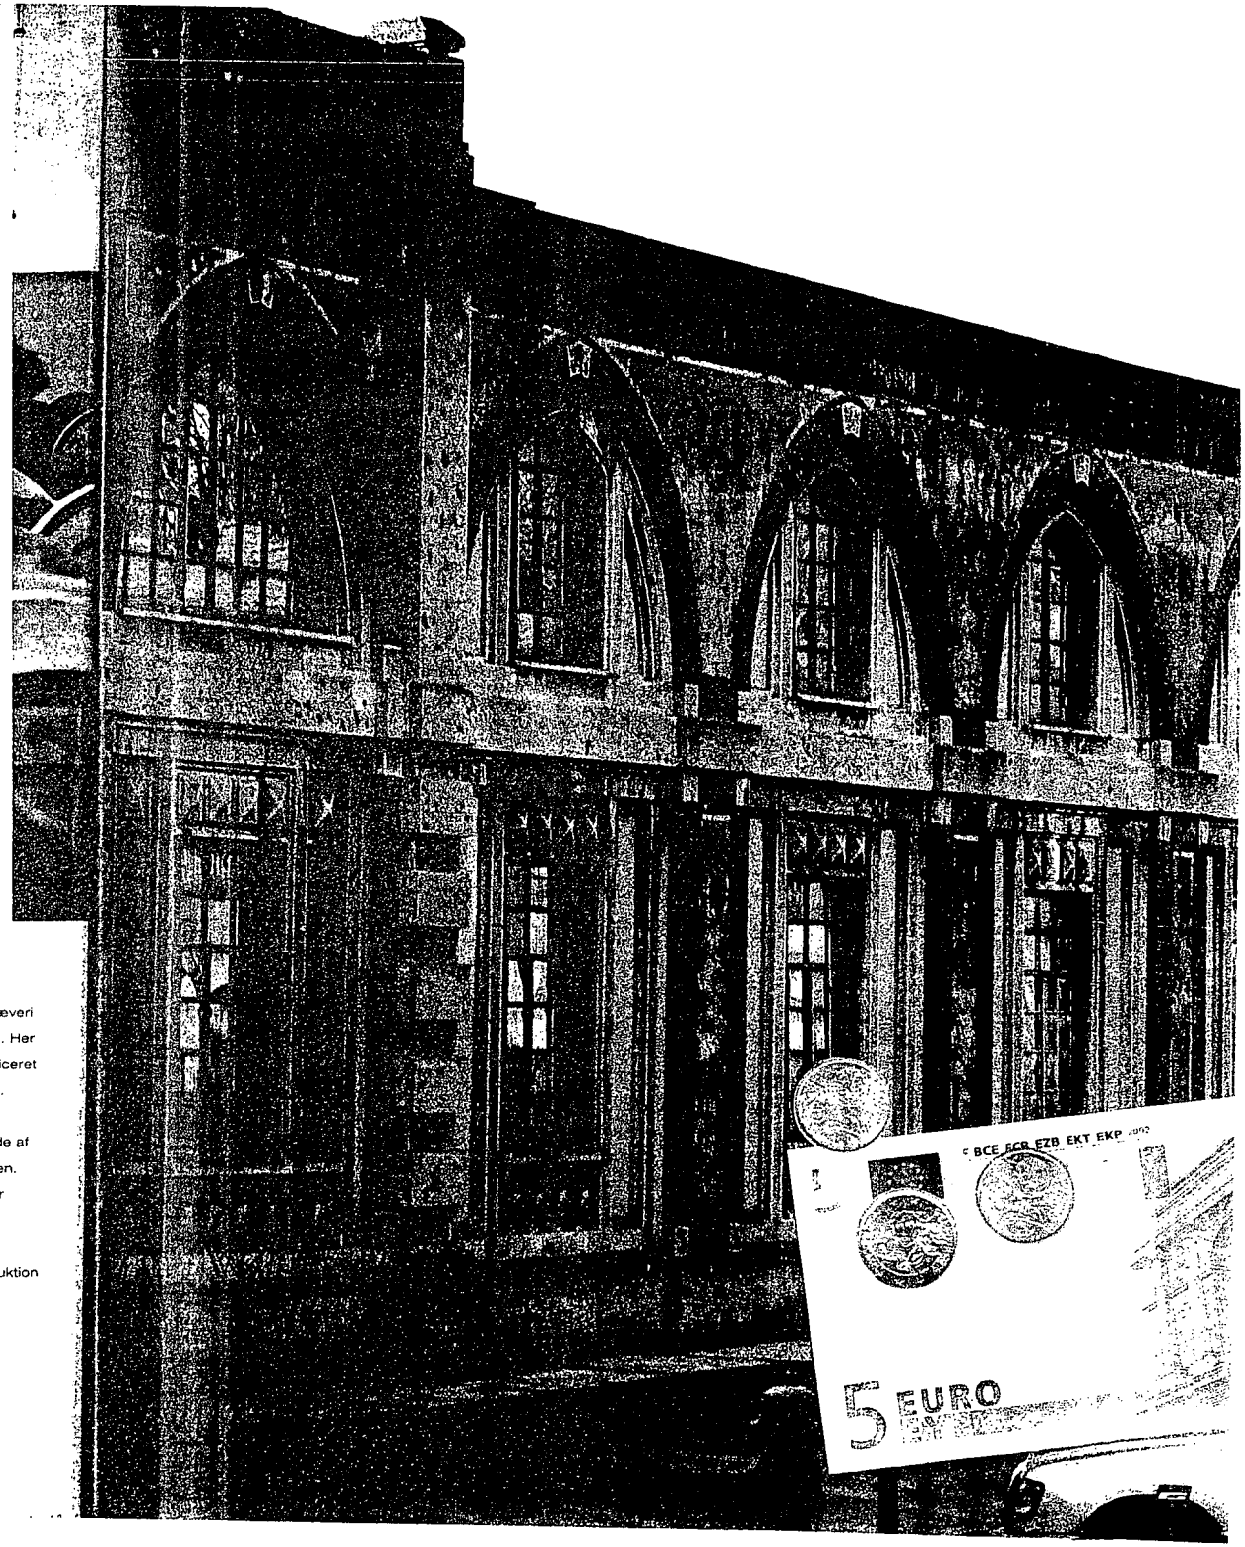
tour 2002 – Exploring Blue Land

inuar tog et hold på 43 Jack & Jones sælgere og salgsansvarlige på rejse. Destinationen var jeanslandet Italien, igde en rute på næsten 1.000 km mellem Jack & Jones' forskellige jeansleverandører. En tur med et tæt iram, hvor 11 forskellige nationaliteter delte deres passion for denim jeans.

ed egne øjne, ører og hænder den langvarige og komplicerede fremstillingsproces, der ligger bag hvert par eans. Da vi vendte hjemad, havde vi hørt og set næsten alt, der er at vide om denim-procuktion; væve- og issen, det tekniske skære- og syarbejde og den fascinerende efterbehandling. En proces hvor hvert par jeans nem 50 par hænder fra den færdige metervare til butikken. Holdt vi af jeans, da vi tog af sted, så elsker vi dem emstilling er mere end et håndværk - det er næsten en kunst.







1
n Show at Legler

Vi kørte direkte fra lufthavnen i Malpensa i Milano til det italienske væveri Legler i Crespi, hvor metervaren til et par Jack & Jones jeans er købt. Her begyndte vores rejse gennem jeansproduktionen – en lang og kompliceret proces, inden de færdige jeans ender hos Jack & Jones' forhandlere.

Virksomheden Legler blev bygget ved indgangen til det 20 århundrede af Greven af Crespi, og der voksede en hel landsby op omkring fabrikken. De fleste af de smukke bygninger, som i dag er fredet af UNESCO, er stadig i brug.

Legler er specialiseret i denim, floj og kanvas. Fabrikkens årlige produktion er på 50 millioner meter stof – til et par jeans går der 1,30 m denim.

ng the Fabric

ng rulles bomuldstråden op på store ruller med 40.000 m på
åføres en hærdende lim, som beskytter fibrene under de
ehandlinger

er hvidt, når den sænkes ned i indigoen. Den blå farve opstår
nisk proces med ilten i luften, når tråden igen trækkes op.
siteten på tråden varierer alt efter, hvor mange gange garnet
farven og angives med betegnelsen 8, 16 eller 24 dips. Hele
ssen tager ca. tre timer.

3. Når tråden væves indgår hhv. en hvid tråd (den vandrette kædetråd) og en blå (den lodrette skudtråd). På et par færdige jeans kan farven på den anvendte metervare ses på vrangen af bukserne. Ydersiden får sin mørkere farve ved efterfølgende behandlinger.

4. Fra etagen med vævemaskinen sænkes stoffet direkte ned på etagen under, hvor den kontrolleres foran stærke lamper, der afslører evt. fejl i vævningen. På den måde kan fejlen markeres.

5. Computerteknologi markerer med stor præcision evt. fejl i meter-varen. Når stoffet senere skæres til, kan mønsterdelene lægges, så fejlene ikke anvendes i det færdige produkt.

6. Producenten sikrer også, at en ordre produceres af stof fra det samme parti ruller, så der ikke opstår farveforskelle.

at Blue Line
Jeans Partner.

Efter en lang tur i bussen fra Crespi ankom vi sent om natten til Urbania i Marche. Næste morgen vågnede vi til en fantastisk udsigt i det højtliggende område

På turens anden dag besøgte vi Blue Line, Bestsellers jeanspartner i Italien. Sammen med resten af Bestseller udgør Jack & Jones 60% af jeansproducentens omsætning, og det 12 år gamle samarbejde er tæt og venskabelig:.

Vi blev modtaget på virksomhedens nye hovedkontor i Urbania, hvor vi blev introduceret til virksomheden. Der arbejder ca. 130 mennesker på hovedkontoret, hvor der er indrettet hhv. salgskontor, produktionsstyring, mønster- og konstruktionskontor, showroom og prøvesystue.

Herefter kørte vi hhv. til Blue Lines skæreri og til systuen i Fermigniano – en af Blue Lines mange systuer. Dagens sidste stop var presseriet.

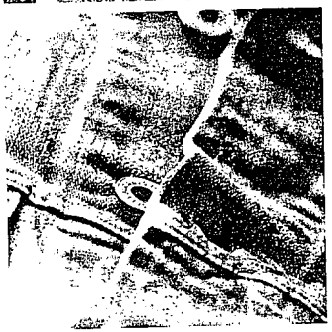
å den ligger 100% præcist under kniven.

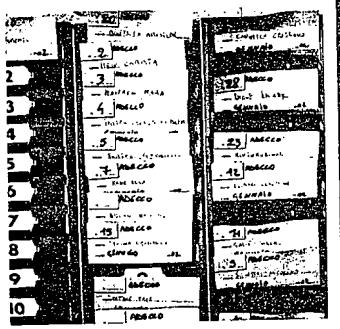
3. Et tæt samarbejde har skabt stor tillid mellem Blue Line og Bestseller. Skærerenet i Fermigniano fungerer derfor også som lager for Bestseller. Blue Lines har altid 1 mio. meter jeansstof til Jack & Jones liggende – klar til at tage i brug ved ordrer.

4. Baglommerne er et af de mest karakteristiske kendetegn ved et par jeans. De skal derfor skal syes på med stor nøjagtighed, så de sidder lige højt. Det foregår på en højteknologisk maskine, der placerer de to lommer helt identisk.

5. På syestuen i Centro Italia arbejder der cirka 30 syersker, der i alt syer 1.200 par jeans. Selvom syningen foregår på maskiner, skal de betjenes af en sikker og rutineret hånd. Syerskerne arbejder med en hastighed og præcision, der imponerede deltagerne i Jack & Jones-gruppen.

6. Hvert par jeans består af 19 stofdele, der syes sammen af cirka 50 meter tråd. Knaphullerne syes på en fuldautomatisk maskine, der syer de fem huller på få sekunder.



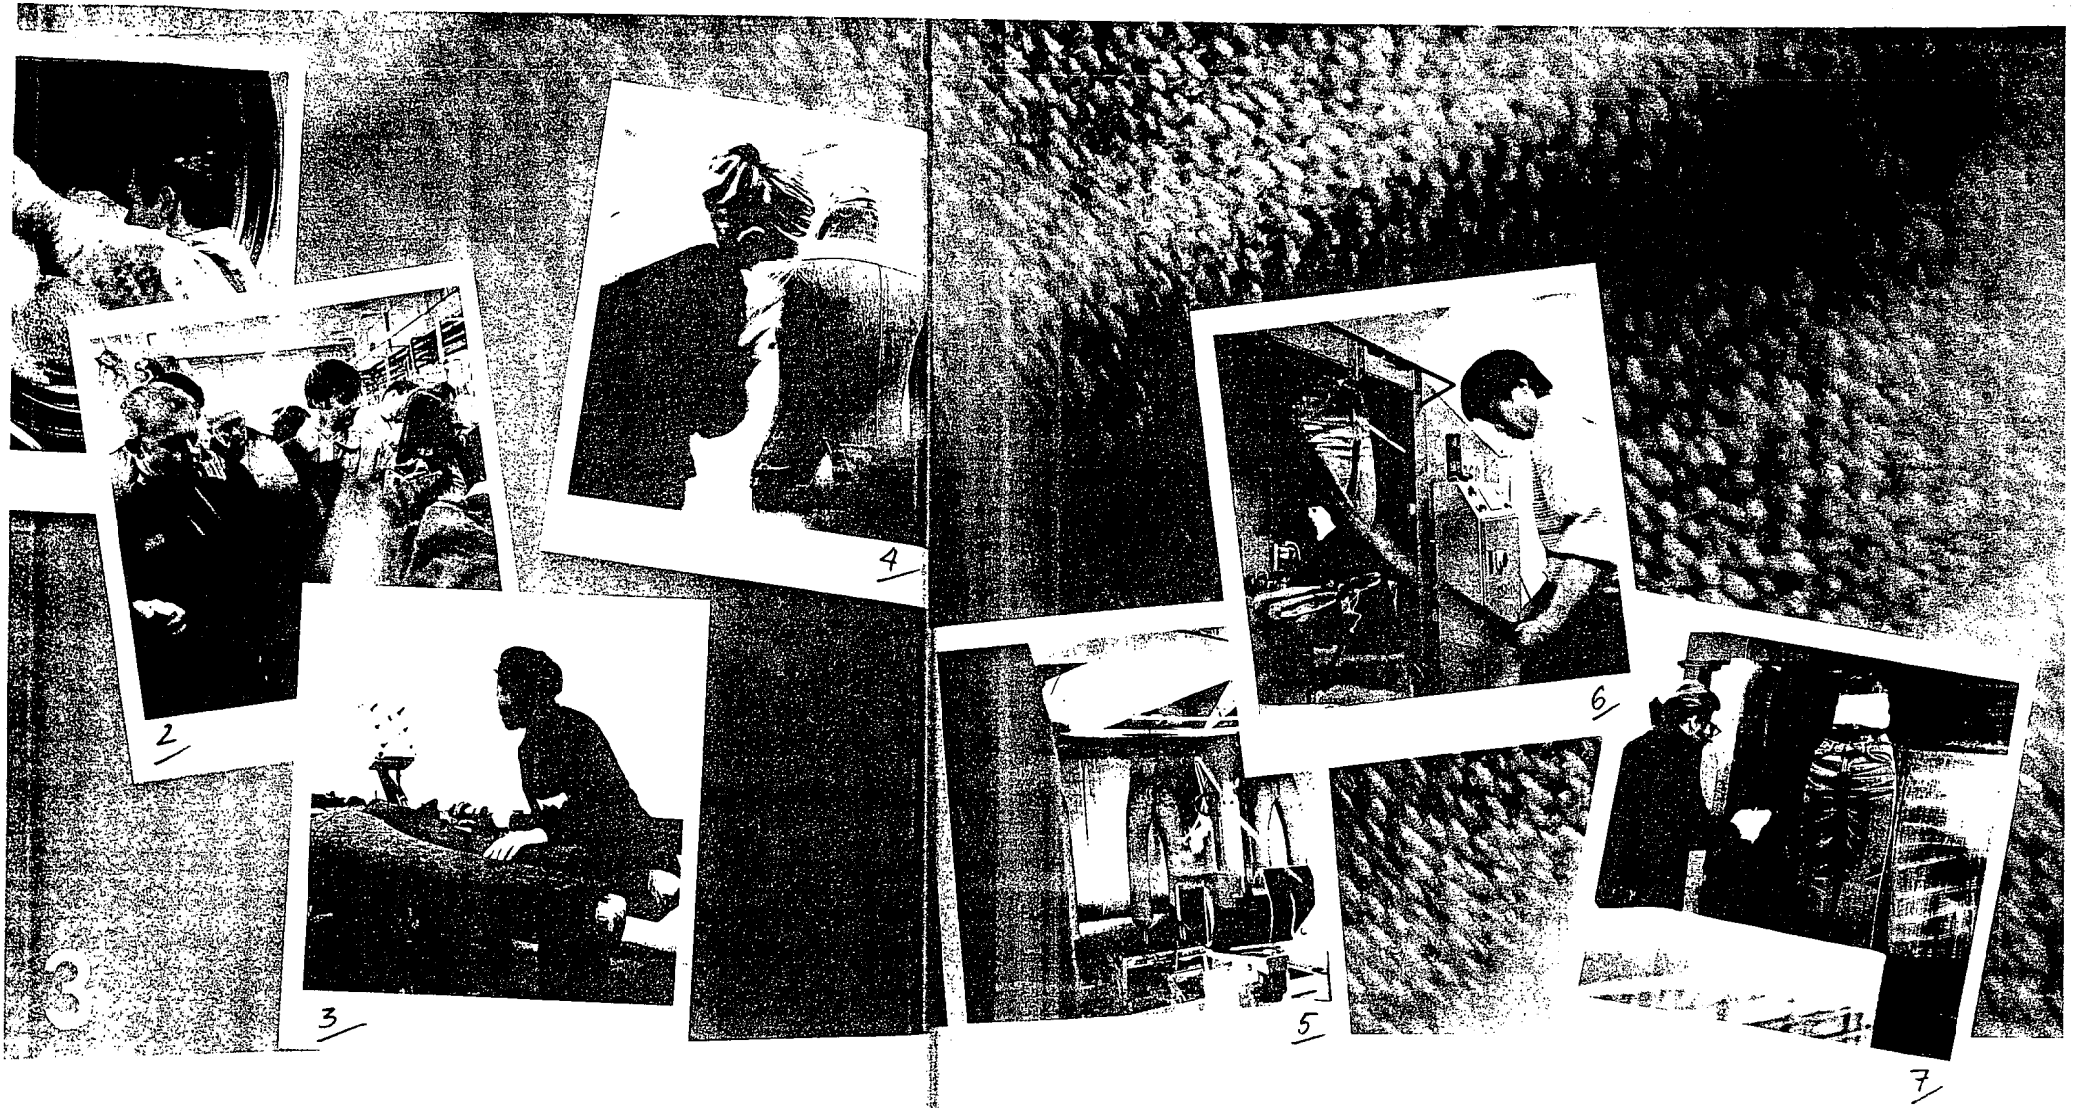


y 3
sit at the Laundries

I San Benedetto overnattede vi på Hotel Progresso, et gammelt art deco palæ på den vintertomme strandpromenade. Da vi forlod hotellet næste morgen var himlen blå og skyfri. Langs stranden stod palmer og pinjetræer, men luften var isnende kold.

På rundrejsens sidste dag besøgte vi I.T.A.C og Martelli – to af de vaskerier Jack & Jones anvender, og som kan betragtes som to af de bedste jeansvaskerier i Italien. Vasken og efterbehandlingen er den mest kostbare og komplicerede proces i fremstillingen af et par jeans. For det er her, de enkelte modeller opnår deres særpræg. Det var også det besøg som gjorde størst indtryk på Jack & Jones-gruppen.

Mange modeller skal have flere forskellige behandlinger. Mange af dem kan kun udføres med håndkraft og er derfor tidkrævende og kostbare. Derfor vil der også altid være en lille forskel fra par til par – eller med andre ord, hvert par Jack & Jones jeans er et unikum.



ial Treatments

yede jeans kommes i gigantiske vaskemaskiner, hvor alting dautomatisk. Det sikrer bl.a. at alle jeans i en serie får præcis ie behandling. Bukser i stonewash bliver bogstavelig talt nmen med sten, forskellige i størrelse og vægt, alt efter den ffekt.

eget testlaboratorium. Her tester teknikere bl.a. stoffets styrke arvægthed i sollys. Er resultaterne for dårlige, rettes opskrif- så de færdige jeans får den bedst mulige kvalitet.

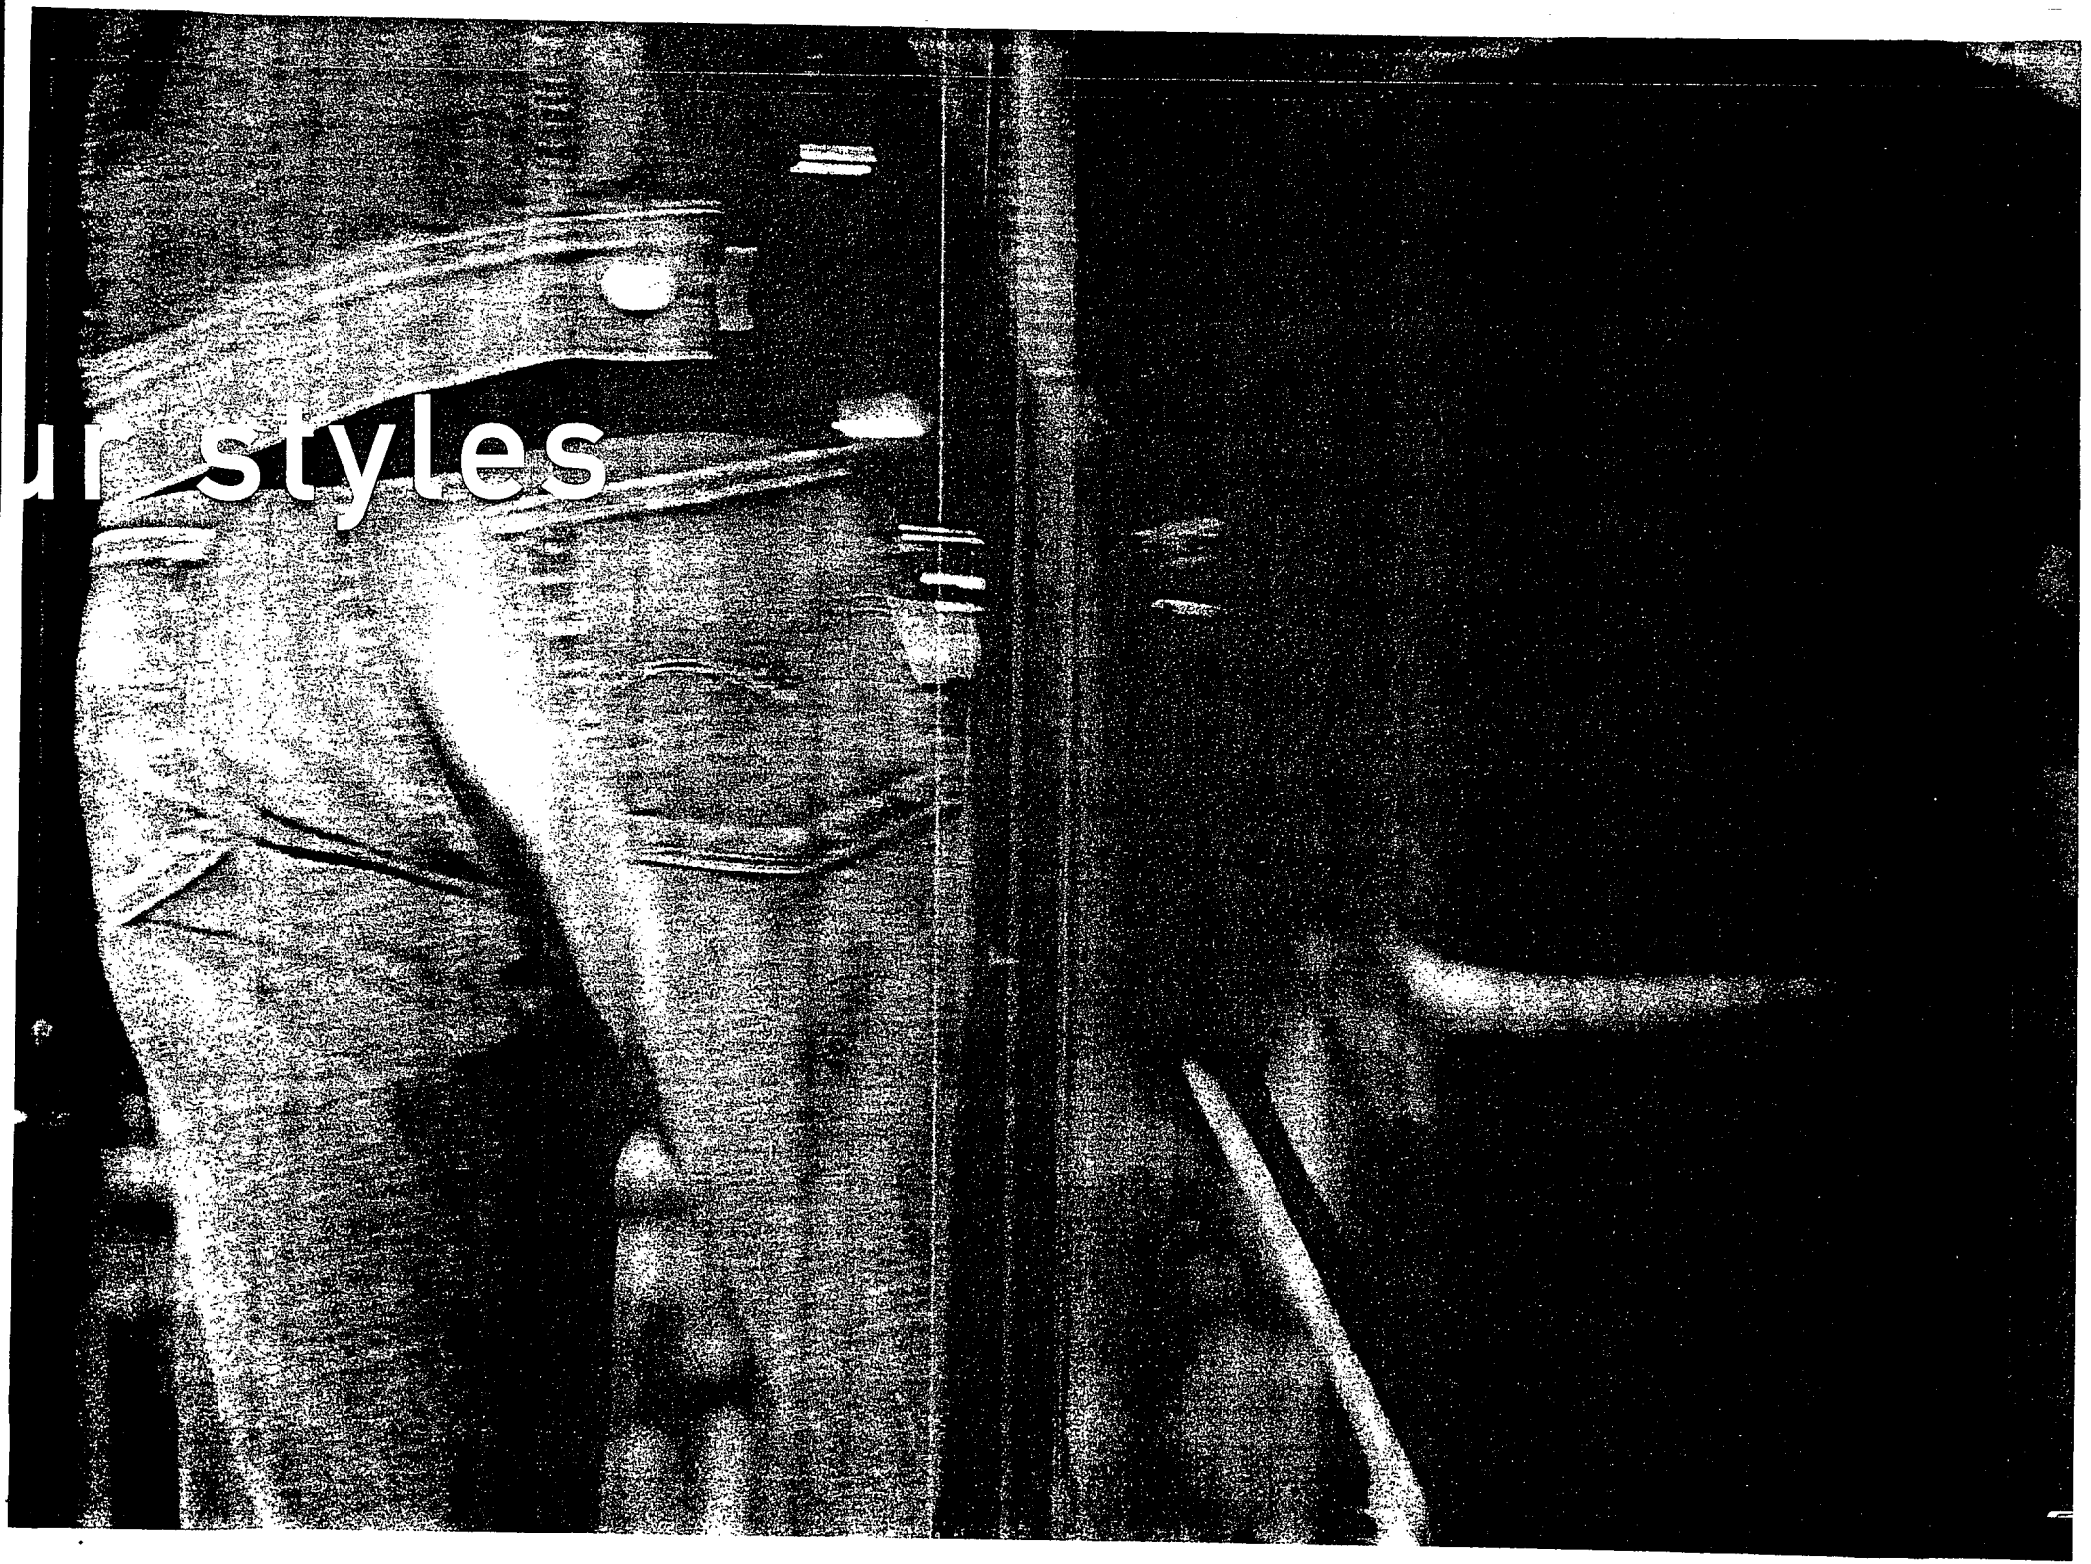
3. Det er en lang og kostbar proces at skabe effekterne "used" og "moustache". Først bliver bukserne trukket på oppustelige mannequiner og slebet omhyggeligt med sandpapir på udvalgte steder. Herefter bliver de sudset efter for at udviske overgange.

4. Meget af arbejdet foregår med håndkraft og kræver tid. Men bukserne får det autentiske second hand udseende, og håndarbejdet gør hvert par jeans unikke. Dirt-effekt håndmales med pensel. Herefter kommer bukserne i ovnen, hvor farven fikseres ved 180 graders varme.

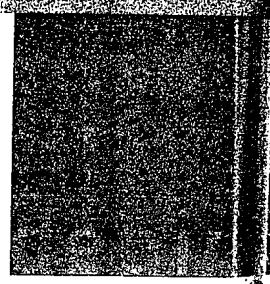
5. Denne maskine hos Martelli skaber afblegede effekter på op til 12 par jeans ad gangen. Maskinen sprøjter klor præcis de steder, hvor effekten ønskes.
Efter behandlingerne vaskes bukserne – 80-100 ad gangen – i kæmpe vaskemaskiner, for at neutralisere evt. reststoffer fra behandlingerne. Bagefter tørres de i tørretumblere med plads til 250 par bukser.

6. De fleste jeans har slidte kanter, men andre har også slidte sømme. De slidte kanter laves bl.a. vha. en almindelig slibesten. Mange af især Vintage-modellerne skal have et særligt slidt udseende, og sandblæses derfor med sand blandet med metalstøv.

7. Den hårde medfart i efterbehandlingen kræller bukserne. Den sidste proces, inden de færdige bukser pakkes, er derfor presning, så deres finish fremhæves, og bukserne opnår den helt rigtige passform. Det foregår maskinelt ved hjælp af varm damp eller med et almindeligt strygejern. Herefter kvalitetskontrolleres bukserne inden pakning. Er der fejl på dem, går de hhv. til andensortering eller sendes til reparation på Blue Lines systue.



styles

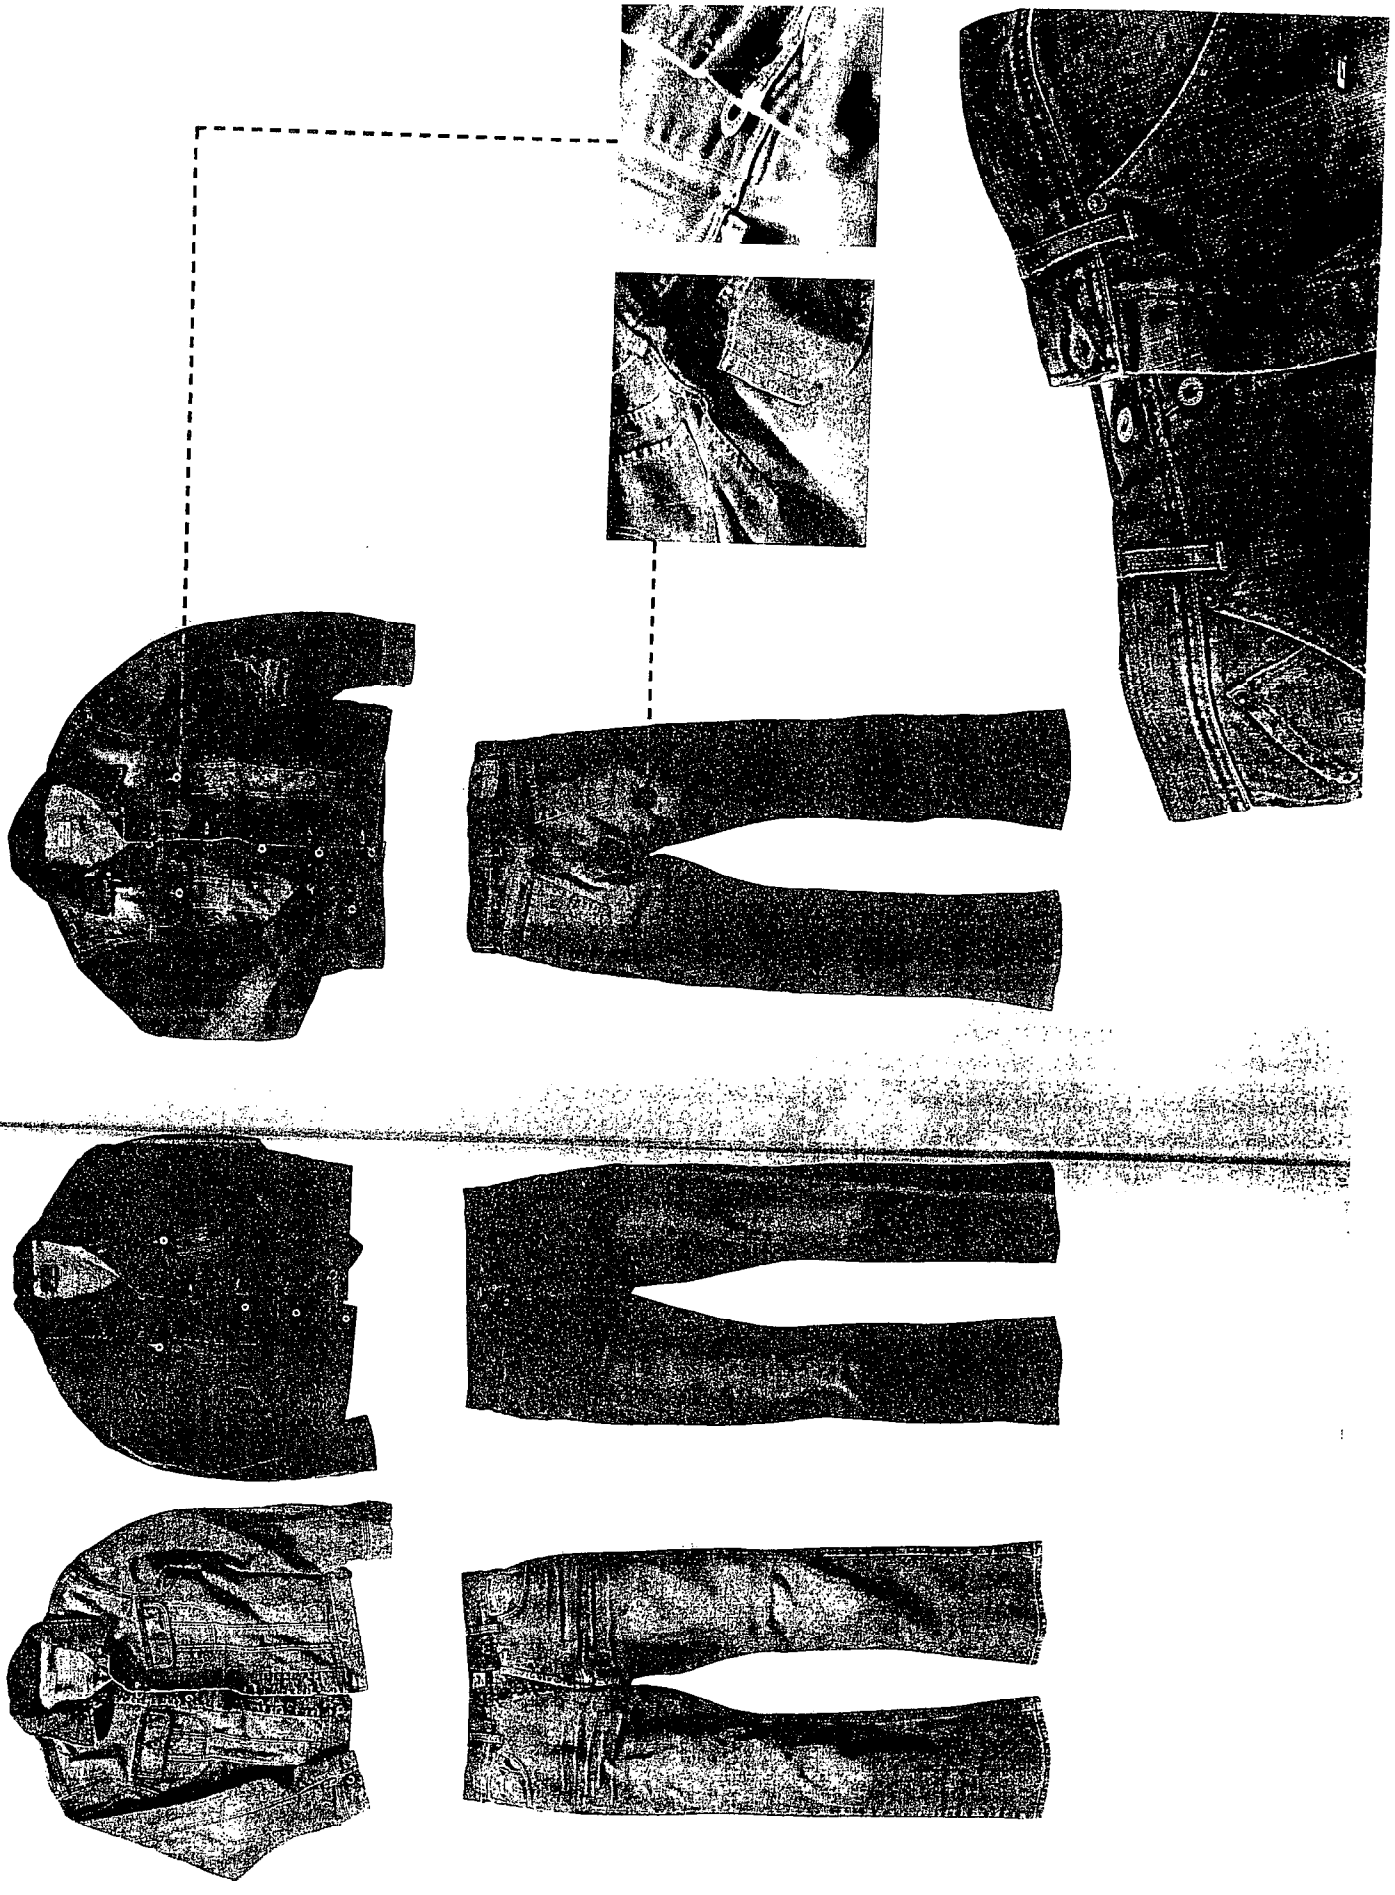


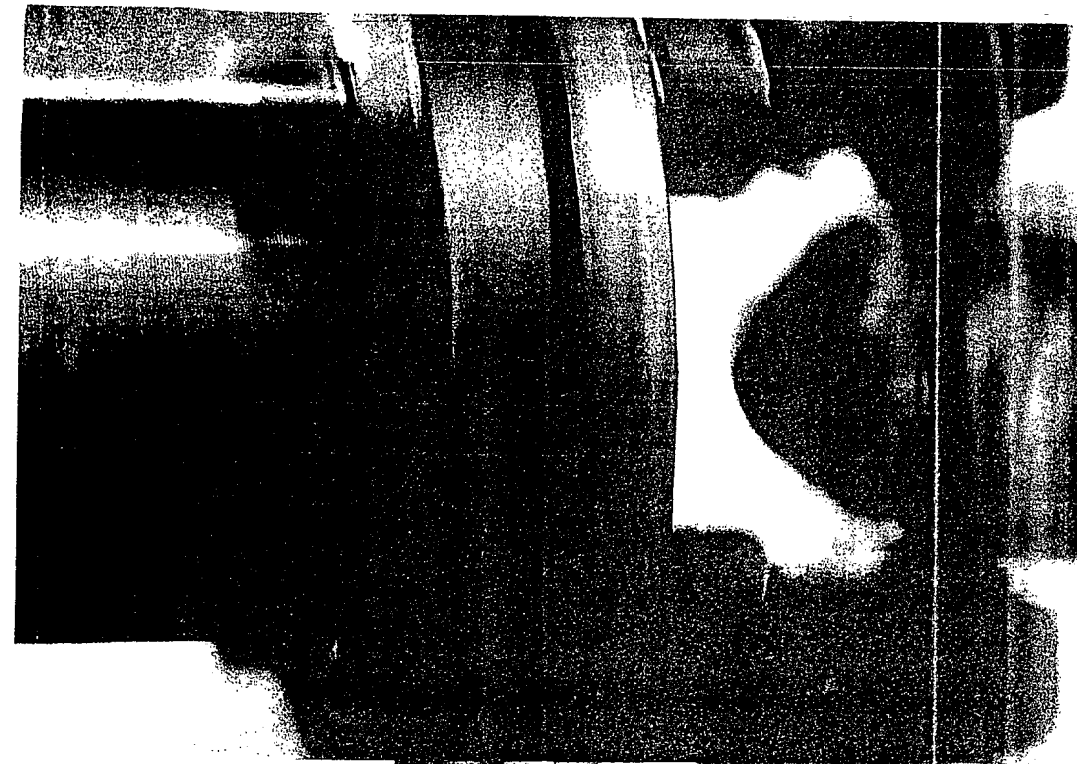
Vintage

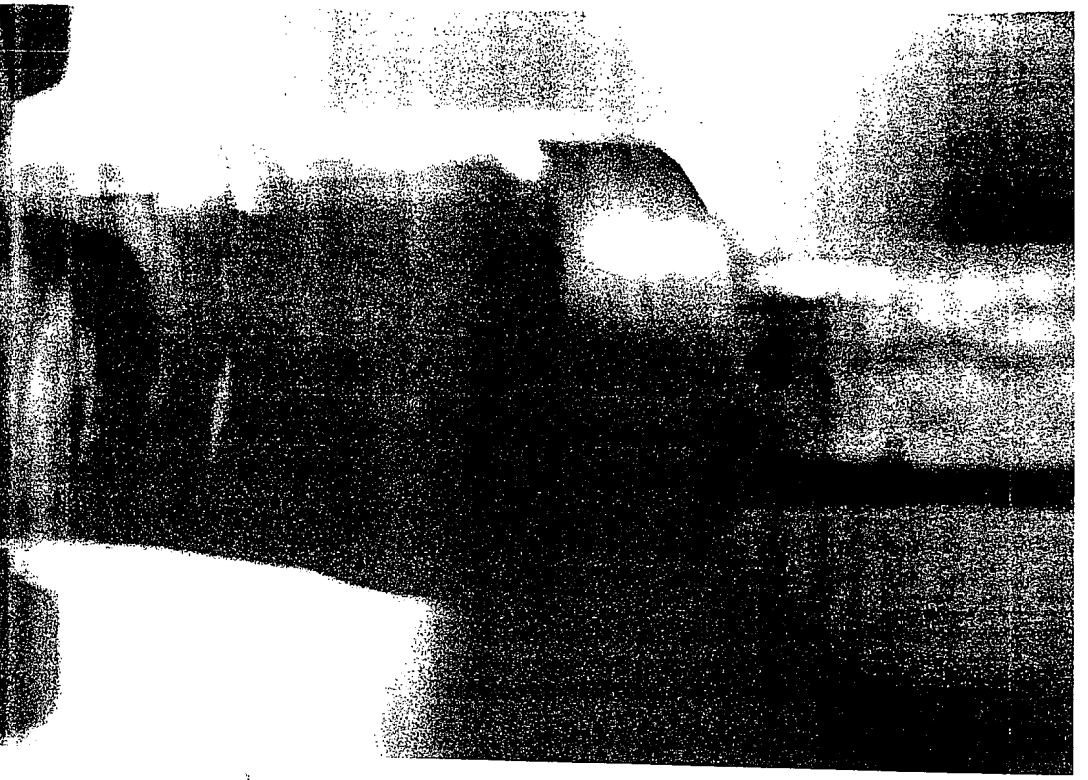
One-of-a-Kind Jeans

Vintage er vores second hand inspirerede tema.

Jeans i Vintage kollektionerne har gennemgået en eller flere af de mest komplicerede processer i jeansproduktion - som f.eks. stone wash, overfarvning, slid og dirt-effect. Mange af disse behandlinger kan kun foretages ved håndkraft. Det betyder, at der vil være små variationer fra par til par, og hvert par jeans bliver dermed et unikum.







Denim Technic®

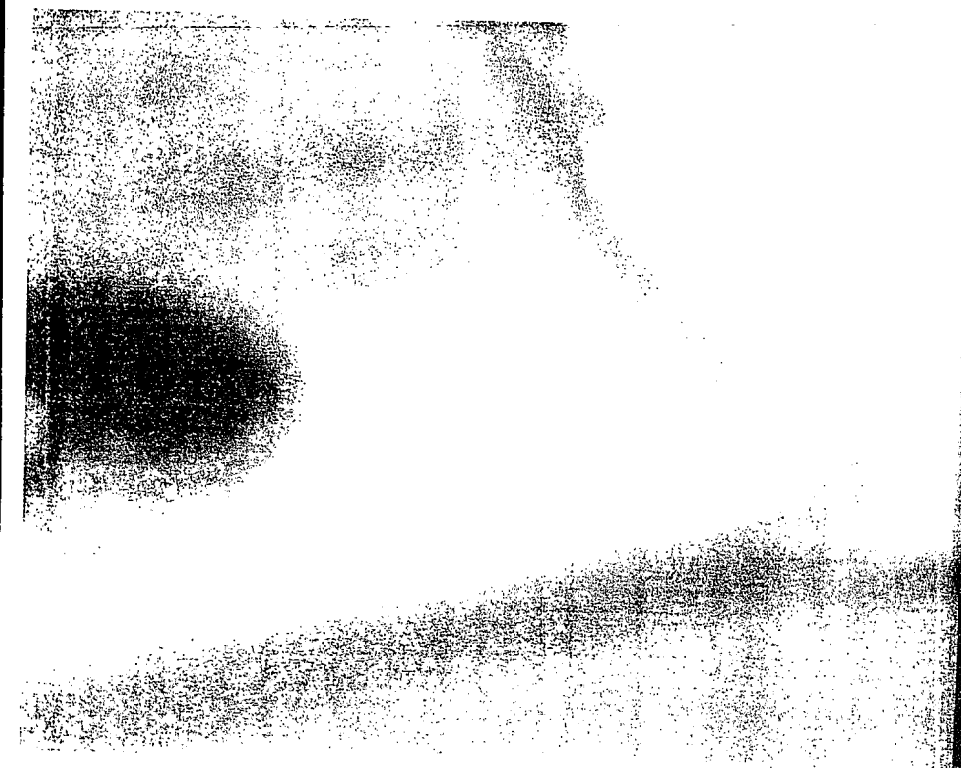
Denim Technic® – Clean-Cut Jeans

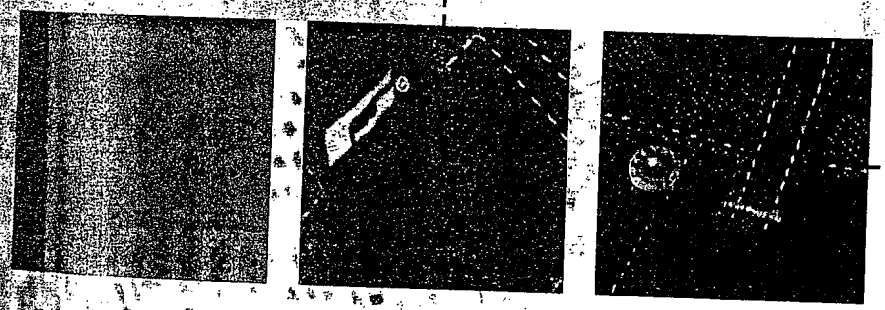
Modstykket til Vintage temaet er Denim Technic® – en linje af jeans i ubehandlede denim kvaliteter, men med masser af anderledes detaljer.

Denim Technic® er i modsætning til vores andre styles ikke syet i 100% bomuld.

Metervarerne er derimod tekniske materialer blandet med f.eks., polyester, det giver de færdige jeans et skarpt og rent udseende.

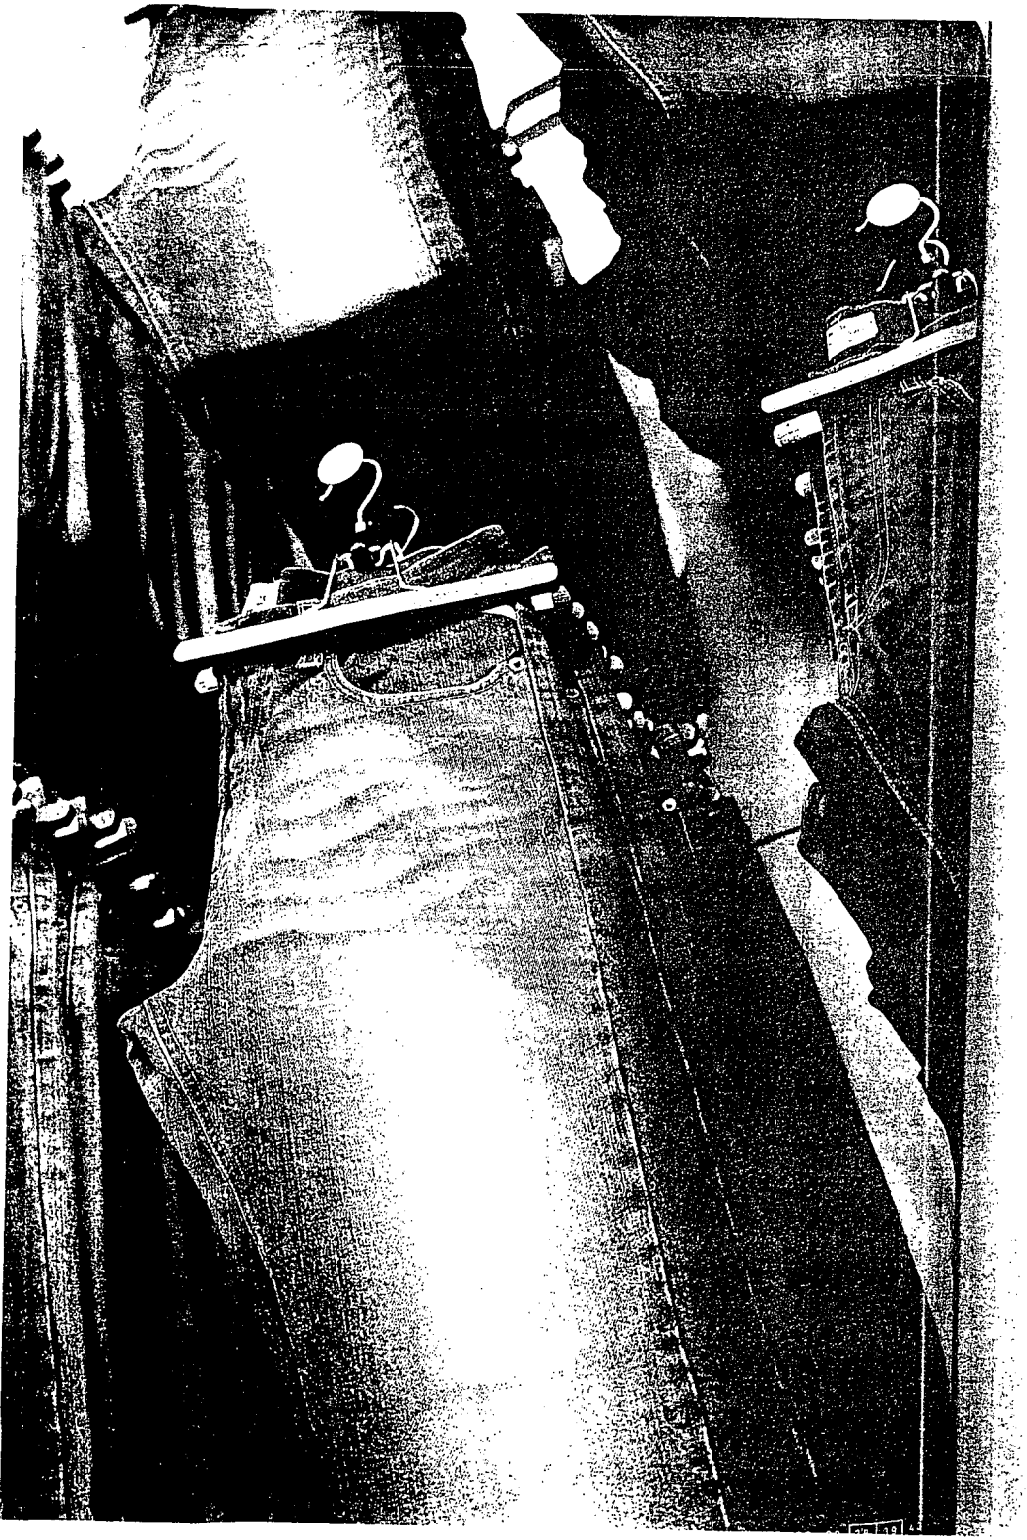
JONES JACKET





Basic – Everblues

Vores klassiske five-pocket-modeller hedder Basic. Det er originale jeans gennemarbejdet i mindste detalje. Basic fås i alle de klassiske jeansvaske i både blå og sort. Pasformen er optimal – hver gang, og Jack & Jones garanterer – lige som på Vintage og Denim Technic® – levering, når de game en gang er slidt op. Derfor ligger Basic til stykvis supplering, når jeansreolen er ved at være tom.



In Store – Jeans Storage

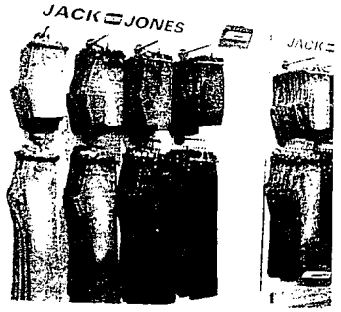
Det afgørende arbejde i Jack & Jones foregår ved disken. Vores vigtigste opgave er derfor at hjælpe og rådgive vores kunder til at skabe en flot og omsætningsdygtig butik.

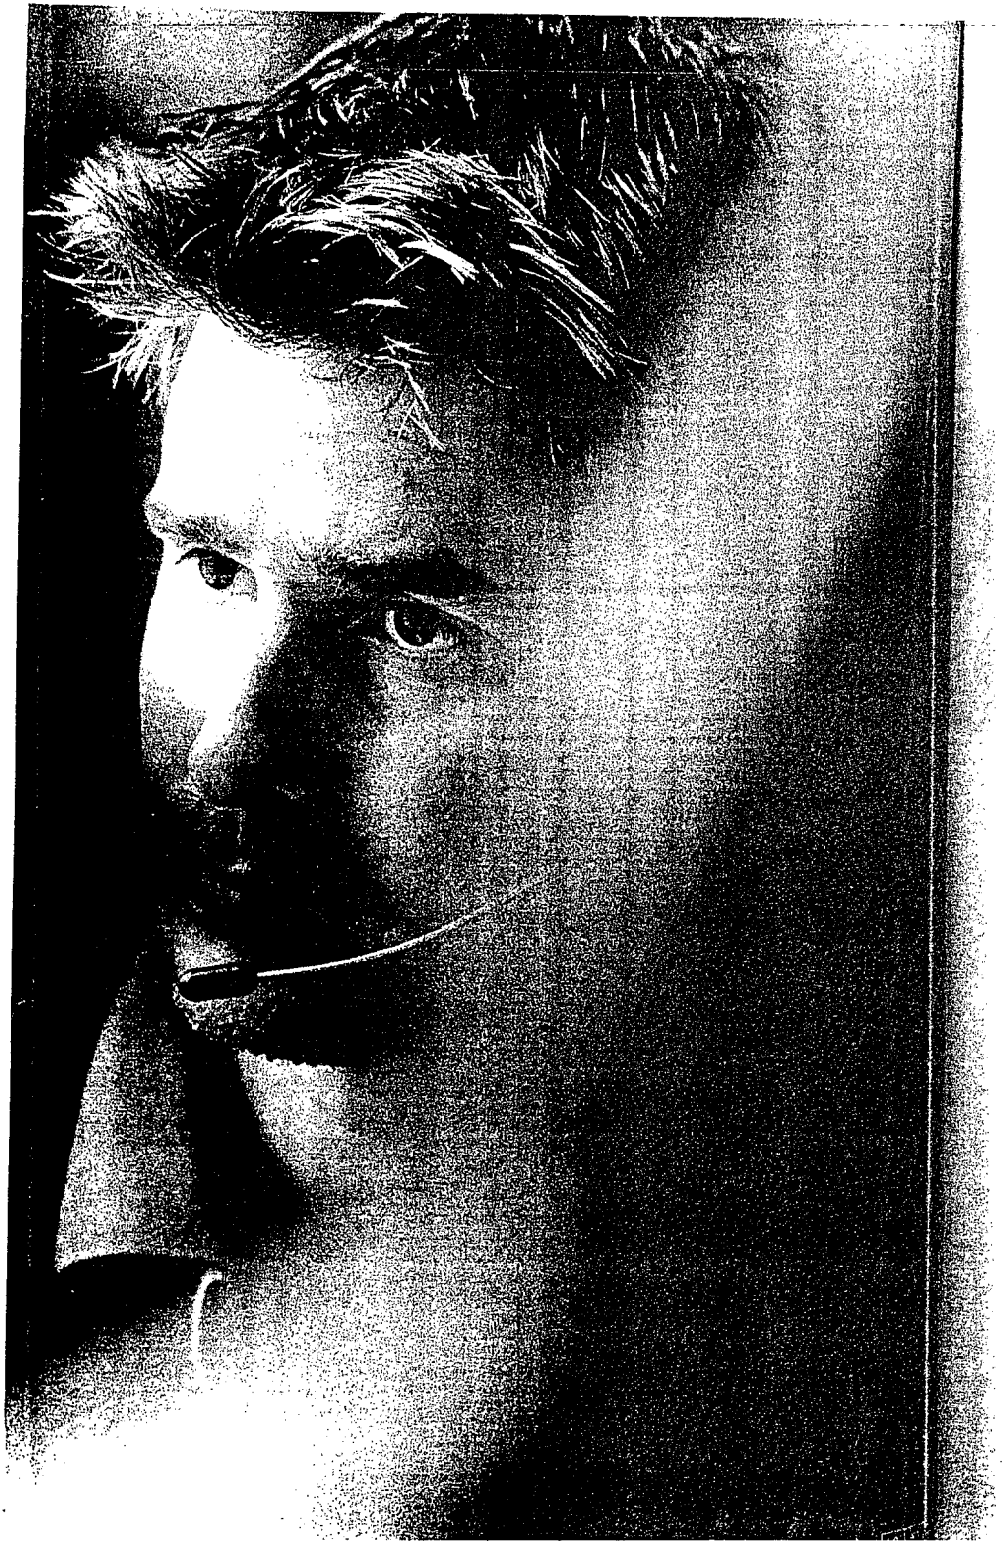
Vi har udviklet en række displays til effektiv og overskuelig opbevaring af denim i butikken. F.eks. en gennemtænkt in store pakke, der sikrer en flot præsentation af dine varer. Den består af en jeansreol, to giner, to borde, et 2-pack tee rack og to fritstående reoler til bøjlevarer.

Vores jeans reol kan også købes separat to vægmoduler med plads til i alt 240 par jeans. Reolen giver et godt og præsentabelt overblik over de mange styles, og har du behov for det, kan du selvfølgelig få flere moduler. De mere end 700 reoler, der i dag er i brug, har bevist, at modulerne øger omsætningshastigheden og bruttoavancen.

Med Jeans reolen får du samtidig adgang til Jack & Jones Supply System. Det flytter lageret og ansvaret fra din butik til Jack & Jones hovedkontor. Hver uge gennemgår du dit jeanssortiment. Du noterer, hvilke styles du har brug for og afleverer dine suppleringsordrer til sælgeren, der kontakter dig ugentligt. Nu vil du løbende modtage suppleringer, så du altid har det optimale sortiment på din jeansreol. Du sparer både tid og lagerplads, og vi holder dig orienteret om nyheder og om hvilke styles, der sælger bedst i dit område.

Hos Jack & Jones gør vi vores bedste til at hjælpe dig med at skabe en sund forretning med god indtjening og høj bruttoavance - vores fremgang afhænger af din. Vi sigter mod et positivt og langsigtet samarbejde med vores kunder bygget på tillid, respekt, enkle løsninger og godt købmandskab - til glæde for både forbruger, detaillist og grossist.





Supply

Jeans Supply

Hos Jack & Jones bygger vi vores samarbejdsrelationer på gensidig tillid og en fælles stræben mod positive resultater. Vores vigtigste opgave er derfor at give vores kunder de bedste betingelser i det daglige arbejde.

På jeanssiden betyder det b.la., at vi har et gennemtænkt suppleringssystem. Vores logistik er hurtigt og effektiv, og vores jeanslager er, med en beholdning på over 150.000 par jeans, Nordeuropas største.

I åbningstiden sidder et kompetent hold af konsulenter klar til at rådgive og tage imod bestillinger. Som kunde, kan du derfor altid have de rigtige størrelser og de bedst sælgende modeller på hylderne - vel at mærke i det rigtige antal, så du sparer lagerplads.

Jack & Jones kan altid tilbyde mindst 30 styles med matchende jakker til den brede, men kvalitetsbevidst kundegruppe. Vores modeller fås i størrelserne: 26-46 i waist og 30-36 i length.

Alle Jack & Jones forhandlere har adgang til suppleringsfunktionen på vores extranet. Her kan du bestille varer online, orientere dig i produktsortimentet, se detaljebilleder af modellerne og top ti lister over de bedst sælgende varer. Adgangen til extranettet går via vores hjemmeside www.jackjones.com. Alt du behøver er en pc og adgang til internettet. Vi sender login og password og hjælper dig i gang.

- No olvidéis cambiar los pósters de la tienda a la vez que se cambian los adornos del escaparate.
- Muista vaihtaa myymälän julisteet samaan aikaan ikkunasomisteiden vaihtamisen kanssa.
