Opposition No. 91163622

The Red Hat Society, Inc

v.

MacDonald, Louis R.

On March 23, 2005, the Board noted opposer's motion for default judgment and entered a notice of default against applicant under Fed. R. Civ. P. 55(a) for failure to file an answer to the notice of opposition. Applicant was allowed thirty days to show cause why judgment should not be entered against applicant in accordance with Fed. R. Civ. P. 55(b).

The record showed no response thereto. On May 21, 2005 the Board inadvertently entered another notice of default as its dispositive action. Accordingly, the Board's May 21, 2005 order is hereby vacated, judgment by default is hereby entered against applicant, the opposition is sustained, and registration to applicant is refused. See Fed. R. Civ. P. 55, and Trademark Rule 2.106(a).
