v.

The Board of Trustees of the
University of Alabama

**M. Catherine Faint,
Interlocutory Attorney:**

As required by a prior order of the Board, the Board held a telephone conference on December 2, 2011 involving Jonathan Hudis, counsel for The Board of Trustees of the University of Alabama, and Rosemary Tarlton, counsel for Athletics Investment Group LLC d/b/a The Oakland Athletics Baseball Company. Upon order of the Board, applicant's counsel then filed a written consented motion to extend.

Before the Board was the consented request of the parties to extend discovery and trial dates. The parties represented that they believe they are close to settlement, and do not expect to request any further extensions. For good cause shown during the teleconference, the extension is granted. Trademark Rule 2.127(a).

The discovery and trial dates are reset in accordance with applicant's motion.

The parties are under a continuing duty to telephone the assigned Interlocutory Attorney before filing any further motions for suspension or extension in this case.
