Opposition No. 91165434

Rose Art Industries, Inc.

v.

SHUR-LINE INC.

**Linda Skoro, Interlocutory Attorney**

On September 9, 2005, the parties filed applicant's proposed amendment to its application Serial No. 78330028, and opposer's withdrawal of the opposition with prejudice.

By the proposed amendment applicant seeks to change the identification of goods **from** "paint applicators" **to** "paint applicators for interior and exterior paints."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

In view thereof, and in accordance with opposer's withdrawal, the opposition is hereby dismissed with prejudice.
