Opposition No. 91166487

Hasbro, Inc.

v.

Creative Action, LLC

**Andrew P. Baxley, Interlocutory Attorney:**

Pursuant to the Board's February 3, 2011 order, applicant, on March 3, 2011, filed an answer to the amended notice of opposition and counterclaim. The counterclaim set forth therein is identical to the counterclaim that applicant included in its answer to the original notice of opposition. Accordingly, opposer's original answer to the counterclaim will be treated as the responsive pleading to the counterclaim set forth in the answer to the amended notice of opposition and counterclaim.

Dates remain as last reset in the February 3, 2011 order.
