Mailed: January 9, 2006

Opposition No. 91166786

EAGLE PRECISION
TECHNOLOGIES, INC.

v.

EATON LEONARD ROBOLIX, INC.

Elizabeth A. Dunn, Attorney:

The motion (filed November 23, 2005) to suspend the proceeding pending final determination of a civil action between the parties is hereby granted as well taken. As set forth in the pleadings which accompanied the stipulation, Case 03CV0352(WMC), now pending in the United States District Court for the Southern District of California, will address the right to use the marks EATON LEONARD or EAGLE EATON LEONARD. It is the policy of the Board to suspend proceedings when the parties are involved in a civil action which may be dispositive of or have a bearing on the Board case. See Trademark Rule 2.117(a).

Accordingly, proceedings are suspended pending final disposition of the civil action between the parties.

Within twenty days after the final determination of the civil action, the interested party should notify the Board so that this case may be called up for appropriate action. During the suspension period the Board should be notified of any address changes for the parties or their attorneys.
