The parties have exchanged draft settlement agreements. While the current suspension does not expire until June 2, 2006, this additional time is requested in order to enable the parties to finalize hopefully a settlement of this entire opposition.

Consistent with the Board's Order dated December 2, 2005, the applicant's time to answer or move with respect to the Notice of Opposition and the parties' time to serve responses to any outstanding discovery requests would be extended from July 2, 2006 up to, and including, January 1, 2007.
