APPLICANT'S SECOND AMENDED CERTIFICATE OF SERVICE  
REGARDING APPLICANT'S TRIAL BRIEF

---

This is to certify that on night of April 9, 2008 the Applicant's Trial Brief was served upon Opposer by depositing a copy thereof in the United States mail as first class mail, postage pre-paid, to counsel for Opposer as noted below. For further clarification, the date next to the Trial Brief submission line of "This 9<sup>th</sup> day of April, 2008" was correct on the Trial Brief as submitted, but the Certificate of Service on the page thereafter was inadvertently not changed from the prior filing of a different document in this same case, and therefore mistakenly identified the service date as November 26<sup>th</sup>, 2007. Also for further clarification, the upload process with the TTAB was initiated prior to midnight on April 9, 2008, Central Time, and it is believed that the submission was accepted before midnight Central Time; but the fact that the TTAB electronic filing system is based on Eastern Time, not Central Time, was mistakenly overlooked. Applicant's counsel apologizes for any inconvenience in this regard.
