v.

Ahlert, Gary

Cheryl Goodman, Interlocutory Attorney:

Applicant's motion (filed June 7, 2007) to suspend the proceeding pending final determination of a civil action between the parties is hereby **provisionally** granted. See Trademark Rules 2.127(a) and 2.117(a).

In order for the Board to determine whether the civil action will have a bearing on the Board proceeding, the Board requires that a copy of the pleadings in the civil action be submitted. See TBMP Section 510.02(a). ("When a motion to suspend pending the outcome of a civil action is filed, the Board normally will require that a copy of the pleadings from the civil action be submitted, so that the Board can ascertain whether the final determination of the civil action will have a bearing on the issues before the Board").

In view thereof, applicant is allowed until **THIRTY DAYS** from the mailing date of this order to submit a copy of the pleadings in the civil action, failing which, proceedings may be resumed.

Within twenty days after the final determination of the civil action, the parties shall so notify the Board and call this case up for any appropriate action. During the suspension period the Board shall be notified of any address changes for the parties or their attorneys.

With respect to the parties' filings of June 13, 2007 and June 18, 2007, no ethics complaint is part of the record in the Board proceeding. For questions regarding public access of such papers filed with the Office of Enrollment and Discipline, the parties must contact that division directly.
