## Motion for an Extension of Discovery or Trial Periods With Consent

The Close of Discovery is currently set to close on 06/02/2006. Samuel Bouter dba Minatek Solutions requests that such date be extended for 90 days, or until 08/31/2006, and that all subsequent dates be reset accordingly.

Discovery Period to Close : 08/31/2006  
Thirty-day testimony period for party in position of plaintiff to close : 11/29/2006  
Thirty-day testimony period for party in position of defendant to close : 01/28/2007  
Fifteen-day rebuttal testimony period to close : 03/14/2007

The grounds for this request are as follows:

- *Response to previous motion not yet settled. I selected 90 days to give the board as much time as they need; however, if they feel they can proceed sooner less time may be given for the extension.*

Samuel Bouter dba Minatek Solutions has secured the express consent of all other parties to this proceeding for the extension requested herein.

Samuel Bouter dba Minatek Solutions has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
