Opposition No. 91168256

Johnson Marketing Group, Inc.

v.

Bilezikian, Holcombe Deborah

On December 17, 2006, the Board issued an order allowing opposer thirty days therefrom in which to submit applicant's written consent to opposer's previously-filed withdrawal of the opposition.

The record shows no response.

In view thereof, and because the withdrawal was filed after the answer, the opposition is dismissed with prejudice. See Trademark Rule 2.106(c).
