Opposition No. 91168419

Fibre-Craft Materials
Corporation

v.

Oriental Trading Company,
Inc.

Due to a typographical error, the Board's January 13, 2009 order incorrectly identified one of the subject applications. The Board's order is hereby modified to reflect that the subject applications of the above consolidated proceedings are Serial Nos. 76586885 and **76586891**.

Furthermore, the Board has corrected a typographical error in the id of goods in International Class 16, namely, the word stationary.

Pursuant to the Board's January 13, 2009 order, the amendment to the subject application having been approved and entered, the opposition remains dismissed.
