Opposition No. _____

Commissioner for Trademarks
Trademark Trial and Appeal Board
P.O. Box 1451
Alexandria, VA 22313-1451

NOTICE OF OPPOSITION

Dear Sir:

Opposer, Dots, LLC, a limited liability company organized and existing under the laws of the State of Delaware, located and doing business at 30801 Carter Street, Solon, Ohio 44139, (hereinafter referred to as "DOTS" or "Opposer") believes that it will be

01/05/2006 HPHAM1 00000099 78583001
01 FC:6402 300.00 OP

damaged by the registration of the mark "T-RAGS" shown in the above-identified application in International Class 25, and hereby opposes the same.

The grounds for opposition are as follows:

1. Opposer, Dots, LLC (and its predecessor in interest), is now and has for over twenty-five years been involved in the business of marketing men's, women's and children's clothing and clothing accessories and providing retail clothing store services. Moreover, Opposer is now and has been for over four years been involved in providing said goods and retail clothing store services via the Internet.
2. Opposer has become widely known nationally as a marketer of items of clothing and apparel, those items having aesthetic appearance and good quality, and Opposer has acquired a favorable reputation throughout large segments of the retail industry for its above-described goods and services sold and provided under, and in association with, the marks "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG". Conversely, the term "T-RAGS" is the subject of merely an intent-to-use application by the Applicant.
3. Opposer is the owner of U.S. trademark registration No. 2,450,263 granted May 8, 2001 for the mark "RAGSPORT" in International Class 25 for the goods of "men's, women's and children's clothing, namely, dresses, skirts, shirts, blouses, pants, overalls, jackets, coats, vests, shorts, t-shirts, sweatshirts, sweaters, swimsuits, headwear, socks, hosiery, pajamas, underwear, belts, scarves, ties, gloves, shoes, boots, sneakers, sandals and slippers." This mark has been in use in commerce for goods in International Class 25 since at least August 1997. A copy of the registration and the recordation in the United

States Patent and Trademark Office of the assignment of the mark to Opposer are attached hereto, and made part hereof as Opposer's Exhibit A1. Opposer is also the applicant of U.S. trademark application Serial No. 76/363,509 filed January 28, 2002 for the mark "RAGSPORT" in International Class 18 for the goods of "handbags, purses, backpacks, wallets, billfolds, credit card cases, tote bags, duffle bags, and umbrellas." A copy of the application is attached hereto as Exhibit A2.

4. Opposer is the owner of U.S. trademark registration No. 2,901,881 granted November 9, 2004 for the mark "R.A.G." (& design) in International Class 25 for the goods of "men's, women's and children's clothing, namely, dresses, skirts, shirts, blouses, pants, overalls, jackets, coats, vests, shorts, T-shirts, sweatshirts, sweaters, swimsuits, headwear, socks, hosiery, pajamas, underwear, belts, scarves, ties, gloves, shoes, boots, sneakers, sandals and slippers." This mark has been in use in commerce for goods in International Class 25 since at least September 15, 1998. A copy of this registration is attached hereto as Exhibit B.

5. Opposer is the owner of U.S. trademark registration No. 2,955,189 granted May 24, 2005 for the mark "RAG" (& design) in International Class 25 for the goods of "men's, women's and children's clothing, namely, dresses, skirts, shirts, blouses, pants, overalls, jackets, coats, vests, shorts, t-shirts, sweatshirts, sweaters, swimsuits, headwear, socks, hosiery, pajamas, underwear, belts, scarves, ties, gloves, shoes, boots, sneakers, sandals, and slippers." This mark has been in use in commerce for goods in International Class 25 since at least January 1, 1998. A copy of the registration is attached hereto as Exhibit C1. Opposer is also the applicant of U.S. trademark application Serial No.

76/363,508 filed January 28, 2002 for the mark "RAG" (& design) in International Class 18 for the goods of "handbags, purses, backpacks, wallets, billfolds, credit card cases, tote bags, duffle bags, and umbrellas" and in International Class 35 for services of "retail clothing store services." A copy of this application is attached hereto as Exhibit C2.

6. Opposer is the applicant of U.S. trademark application Serial No. 76/505,806 filed April 11, 2003 for the mark "RAG" in International Class 25 for the goods of "women's and children's clothing, namely, dresses, skirts, shirts, blouses, pants, overalls, jackets, coats, vests, shorts, t-shirts, sweatshirts, sweaters, hosiery, and pajamas" (based on use in commerce), in International Class 25 for the goods of "men's, women's and children's clothing, namely, swimsuits, headwear, socks, underwear, belts, scarves, ties, gloves, shoes, boots, sneakers, sandals and slippers" (based on intent to use) and in International Class 35 for the services of "retail clothing services." This mark has been in use for the indicated goods in International Class 25 since at least January 1, 1998. A copy of the application is attached hereto as Exhibit D.

7. Notwithstanding Opposer's prior rights in and to said marks, Applicant, on March 8, 2005, filed an application for registration of the trademark "T-RAGS" in International Class 25 for "Clothing, namely, shirts, tank tops, jerseys, t-shirts, blouses, sweat shirts, sweaters, ponchos, shawls, scarves, dresses, skirts, shorts, overalls, jeans, pants, sweat pants, sweat shirts, coats, jackets, rainwear, belts, socks, swim wear, robes, gloves, mittens, sleepwear and under garments; headwear and footwear." Said application was given Serial No. 78/583,001 and the mark was published for Opposition in the *Official Gazette* on November 22, 2005 at page TM 450, International Class 25 and

is an intent-to-use application.

8. The goods for which Applicant seeks to register its "T-RAGS" term are identical to, substantially similar to or of the same general type of goods as the goods sold in connection with the retail store goods and services of Opposer under its "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG" marks.

9. Since long prior to March 8, 2005, Opposer has become extensively associated with retail sales of men's, women's and children's clothing and accessories by virtue of its contemporarily designed products. Opposer's customers include purchasers of apparel and accessories and are likely to include the same people before whom Applicant is using or intending to use the "T-RAGS" trademark. Applicant's customers or prospective customers are very possibly customers of Opposer, and would unwittingly believe that Opposer was directly or indirectly involved with the goods provided by Applicant. Users of Opposer's products are likely to believe, to be confused or deceived into thinking that Applicant's goods originate with, or in some way are associated with, connected with, sponsored, endorsed or authorized by Opposer. By reason of the substantially similar identity, appearance and sound of Applicant's alleged mark "T-RAGS" and Opposer's marks "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG" and the likely overlapping of the class of customers and channels of trade, Applicant's alleged mark, when applied to its goods is likely to cause confusion or mistake, or to deceive, all to the injury or threatened injury of Opposer.

10. Opposer has developed an exceedingly valuable amount of goodwill with respect to its marks "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG."

By virtue of its efforts, and the expenditure of considerable sums of promotional activities and by virtue of the excellence of its products, Opposer has gained for its "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG" marks a most valuable reputation.

11. If Applicant is permitted to register "T-RAGS" as specified in the application herein opposed, confusion in the trade resulting in damage and injury to Opposer would be caused and would result by reason of the perception of a relationship between goods bearing the mark and name "T-RAGS" of Applicant and Opposer's goods and services bearing the "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG" marks and names. In this respect, consumers may have the impression that goods and/or services of Opposer bearing the "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG" marks and names, and the goods having the "T-RAGS" mark are being marketed, endorsed, approved or sponsored by Opposer. Persons familiar with the marks and names "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG" of Opposer would likely buy Applicant's goods as goods marketed, endorsed, approved or sponsored by Opposer. Any such confusion in the trade inevitably would result in dilution of the goodwill created by Opposer. Furthermore, any defect, objection or fault found with Applicant's goods marketed under the "T-RAGS" mark would unnecessarily reflect upon and seriously injure the reputation which Opposer has established with respect to its goods and services associated with its "R.A.G." (& design), "RAG" (& design), "RAGSPORT" and "RAG" marks and names.

12. Based upon the foregoing, the registration of the mark depicted in

Application Serial No. 78/583,001 filed March 8, 2005 on the Principal Register of the United States Patent and Trademark Office would cause injury and damage to Opposer.

WHEREFORE, Opposer requests that registration of Applicant's mark "T-RAGS", Application Serial No. 78/583,001, in International Class 25, be denied and this opposition be sustained.

Respectfully submitted,

Date: December 29, 2005
