IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

Urban Vet, PLLC (Opposer)

v.

Holly Birkett (Applicant, Serial No. 78531745),

Opposition No. 91168524.

Request For Extension of Time to File Answer

In accordance with The Trademark Trial and Appeal Board Manual of Procedure (TBMP), Chapter 310.03 (c), an extension of time to file an answer can be requested from the Board. Consent for such extension from other involved parties is advisable before proceeding with this request. On Monday, February 13th, 2006, I, Holly Birkett (Applicant), requested such consent by contacting Everett E. Fruehling (correspondence for the Plaintiff) at 11:20 AM via email communications. A reply was exchanged (February 13th, 2006) that he needed to discuss consent with the Plaintiff and get back to me. By Wednesday, February 15th, 2006 and 5:30 PM, a reply has not yet been received. Consent from the Plaintiff has neither been granted nor denied. Due to the fact there are only two business days left until an Answer is set to be due (February 19th, 2006), I am respectfully sending this request now to the Board for extension of time to file an answer.

I, Holly Birkett (Applicant), believe that I have good cause for such request as the allotted time is not sufficient for me to research, consult counsel, and file an answer therefore additional time is needed.

An answer is currently set to be due on February 19th, 2006. I politely request that a 30 day extension from the set due date be granted until March 21st, 2006. This extension of time does not extend beyond the close of discovery (July 29th, 2006).

Sincerely,
Holly Birkett, D.V.M.
