THE PARTIES' JOINT MOTION FOR EXTENSION OF DISCOVERY

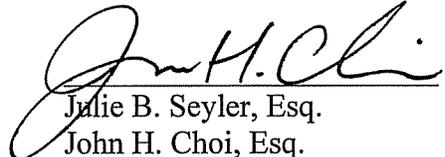

Pursuant to the Trademark Trial and Appeal Board's Order dated March 11, 2008, the parties hereby submit their joint motion for further extension of discovery.

The parties have made significant progress in completing and resolving outstanding discovery issues. However, there remain a number of issues that the parties are still working to resolve.

While the parties were working to resolve these issues, in late February 2008, Applicant inquired whether Opposer was interested in discussing settlement. The undersigned is waiting for further comments from Opposer and thus to date there have not been further substantive discussions in this regard.

For the reasons set forth above, the parties request that the discovery period be further extended sixty (60) days.
