Opposition No. 91168906

The American Academy of
Neurology

v.

Brain Matters Inc.

Michael B. Adlin, Interlocutory Attorney:

Opposer's August 20, 2008 motion to lift the automatic stay of proceedings is noted. Inasmuch as the bankruptcy proceeding has apparently been decided, proceedings herein are resumed and applicant is allowed thirty days from the mailing date of this order to: (1) indicate any objection to resuming this proceeding, and the bases therefore; and (2) appoint new counsel or inform the Board that it wishes to represent itself. If applicant fails to respond within the time provided, the Board may issue an order to show cause why this proceeding should not be dismissed for applicant's apparent loss of interest in this proceeding. Proceedings remain otherwise suspended.
