Opposition No. 91168979

Alstom

v.

Astom Co., Ltd.

**Andrew P. Baxley, Interlocutory Attorney:**

On June 25, 2007, applicant filed the parties' stipulation to amend the identification of goods applicant's involved application Serial No. 76556692, to dismiss this opposition with prejudice upon entry of the proposed amendment, and to suspend this case pending the Board's decision on the proposed amendment.

Consideration of the stipulation to amend and then to dismiss is deferred. Proceedings herein are suspended pending the parties' satisfactory response to the foregoing.

By the proposed amendment, the parties seek to delete the entire identification of goods and replace it with an amended identification that is more than a page in length. To facilitate review and entry of the proposed amendment, the parties are allowed until thirty days from the mailing date set forth in the caption of this order to file a version of the amendment which indicates exactly what

**Opposition No. 91168979**

changes are being proposed and where they are to be entered  
in the identification.
