Alexandria, VA 22313-1451

Baxley

Mailed: August 18, 2006

Opposition No. **91168979**

Alstom

v.

Astom Co., Ltd.

Andrew P. Baxley, Interlocutory Attorney:

Opposer's consented motion (filed August 10, 2006) to suspend proceedings for settlement negotiations is hereby granted to the extent modified hereby.

Proceedings herein are suspended until November 7, 2006, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c). If there is no word from either party concerning the progress of their negotiations on or prior to November 7, 2006, proceedings will resume automatically without further action by the Board on November 8, 2006.

Discovery and testimony periods will be reset as follows:¹

DISCOVERY PERIOD TO CLOSE:

11/20/06

¹ The discovery and trial schedule set forth in opposer's consented motion was in error because (1) it called for applicant's thirty-day testimony period to commence prior to the close of opposer's thirty-day testimony period; and (2) it did not leave thirty days between each testimony period. See TBMP Section 701 (2d ed. rev. 2004).

Plaintiff's 30-day testimony period to close: **2/18/07**

Defendant's 30-day testimony period to close: **4/19/07**

Plaintiff's 15-day rebuttal testimony period to close: **6/3/07**

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
