Opposition No. 91168995

VENIS, S.A.

v.

ATLAS BLOCK CO. LIMITED

On October 3, 2007, the parties filed applicant's proposed amendment to its application Serial No. 76485978, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "concrete retaining walls and blocks therefore" **to** "Non-ceramic concrete retaining walls and blocks therefore for outdoor use only in class 19."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
