v.

Board of Regents of the
University System of Georgia

A notice of opposition to the registration sought in the above-identified application was filed on November 22, 2005.

It is noted that applicant filed an express abandonment of its application on November 29, 2005. However, it is noted that if an applicant files a written abandonment of its subject application or mark without the written consent of every adverse party to the proceeding after the commencement of an opposition proceeding, judgment will be entered against applicant.

It is noted that the Board instituted the above-identified opposition on February 10, 2006, allowed applicant time to file its answer and set forth the discovery and trial schedule. In view of the filing of the abandonment of the
