Mailed: November 14, 2006

Opposition No. 91169216

The Gates Corporation

v.

Brand X-treme, Inc.

By the Trademark Trial and Appeal Board:

On October 12, 2006, the parties filed applicant's proposed amendment to its application Serial No. 78278455, with opposer's consent, and opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods in International Class 12 **from** "Land vehicles, namely, snowmobiles; land vehicle parts, namely, suspension systems and shock absorbers for snowmobiles" **to** "Land vehicle parts, namely, suspension systems and shock absorbers for snowmobiles."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed in accordance with the agreement between the parties.
