BARBARA J. SCHELL M.D., PLLC
Opposer,

vs.

GRAHAM D. SIMPSON,
Applicant.

Opposition No. 91169231

MOTION TO SUSPEND FOR SETTLEMENT DISCUSSIONS

Opposer hereby moves that the TRADEMARK TRIAL AND APPEAL BOARD (TTAB) suspend the subject opposition proceedings for an additional sixty (60) days.

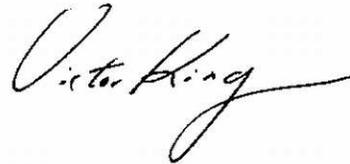

On November 4, 2008, Opposer, Barbara J. Schell M.D., PLLC, filed a copy of the parties' trademark usage agreement. In that agreement, Opposer consented to a concurrent use registration of the mark in applicant's involved application and agreed not to oppose involved application Serial No. 76/619,613.

Opposer respectfully moves that the TTAB suspend the subject opposition proceedings for an additional sixty (60) days, so that Opposer and Applicant would be allowed to have the opportunity to further continue settlement discussions so that the trademark usage agreement can be amended to recite: (i) "Opposer shall have the right to expand its use of its marks into any territory *except* in territories that Applicant is using his marks", and (ii) "Applicant shall move to convert the involved application into a concurrent use application after a Statement of Use is filed".

Opposer prays that the present Motion to Suspend be granted.

The undersigned hereby certifies that a copy of this paper has been served upon Applicant on this date.

Respectfully submitted,
