MGI LUXURY GROUP S.A.

v.

INNODIS

Vionette Baez, Paralegal Specialist:

It has come to the attention of the Board that, due to a clerical error by the Patent and Trademark Office, Trademark Registration No. **3115654** (application Serial No. **76572222**), for the mark **EBL**, was inadvertently issued on **July 18, 2006**. The registration issued inadvertently after a Notice of Opposition had been timely filed with the Trademark Trial and Appeal Board against the goods in class 3 only.

Accordingly, the above-identified application will be forwarded to the Office of the Assistant Commissioner for Trademarks for appropriate action.¹

¹ The Office of the Assistant Commissioner for Trademarks may issue an order cancelling the inadvertently issued registration and restoring the application to pendency, subject to the present opposition proceeding.

The parties are advised, however, that the opposition proceeding will go forward in the usual manner and in accordance with the Trademark Rules of Practice, set forth in Title 37, part 2, of the Code of Federal Regulations.

Dates remain as set in opposer's consented motion to extend dated November 28, 2006, granted by the Board on the same day.
