**Cheryl Butler, Attorney, Trademark Trial and Appeal Board:**

Proceedings herein are **suspended** pending disposition of applicant's motion to compel (filed September 26, 2006), except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to respond to discovery requests which had been duly served prior to the filing of the motion to compel, nor does it toll the time for a party to appear for a discovery deposition which had been duly noticed prior to the filing of the motion to compel. See *Id.* The motion to compel will be decided in due course.

The parties' stipulated motion, filed September 21, 2006, agreeing to take the deposition of Scott Elliott after the close

of discovery is granted. The Board notes that, as part of its motion to compel, applicant has requested that the date for the deposition be rescheduled.
