Opposition No. 91170028

Altour International, Inc.

v.

Altair Relocation, Inc.

On March 29, 2007, the parties filed applicant's proposed amendment to its application Serial No. 78/495356, with opposer's consent, and opposer's stipulated withdrawal of the opposition without prejudice, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the recitation of services in International Class 35 **from** "Management of employee relocation programs of others" **to** "Management of employee relocation programs of others, excluding travel management."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's stipulated withdrawal having now been met, the opposition is dismissed without prejudice in accordance with the agreement between the parties.
