Opposition No. 91170560

Poulsen Roser A/S

v.

Knud Nielsen Company, Inc.

**By the Trademark Trial and Appeal Board:**

On May 9, 2007, applicant filed the parties' stipulation to amend involved application Serial No. 78547410 and to withdraw the opposition with prejudice upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "dried and natural flowers; arrangements of dried and natural flowers **to** "dried and natural flowers not including roses or clematis; arrangements of dried and natural flowers not including roses or clematis."

The amendment is clearly limiting in nature as required by Trademark Rule 2.71(b). Because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition and counterclaim are dismissed with prejudice.
