1 Formulas by Ecoly, and that brand still exists today in
2 Sexy Hair Concepts. The Linear brand has gone away.

3 And we introduced numerous other lines over the
4 years. And I can't give you specific dates, but some of
5 the other lines that we introduced were Sea Critters,
6 Rumble boys, Woman. And then in end of '98 is when the
7 first Sexy Hair product was launched. Do you want me to
8 run through all of the various launches of the Sexy Hair
9 line?

10 Q Before we get to that, during what period of
11 time did Ecoly International market Sexy Hair products?

12 A Ecoly International had Sexy Hair from the
13 first one towards the end of '98 up until it stopped --
14 until the operations were transferred to Sexy Hair
15 Concepts January 1, 2002.

16 Q Can you explain to me how that transfer
17 occurred?

18 A Yeah. When we brought out Sexy Hair at the end
19 of '98 and then started launching all the sub brands
20 through '99 and 2000 and the subsequent years, the
21 popularity of Sexy Hair caused us to take Sexy Hair
22 Concepts as a dba. So we had Ecoly International, a dba
23 of Sexy Hair Concepts.

24 We became known as Sexy Hair Concepts. And in
25 January 1, 2002 we decided to actually change -- to form

1 a new corporation called Sexy Hair Concepts, and we
2 transferred all the assets and liabilities from Ecoly
3 International into Sexy Hair Concepts.

4 Q So would it be fair to state that the business
5 of Ecoly International with the Sexy Hair brand was
6 simply transferred into Sexy Hair Concepts, LLC and
7 continued uninterrupted?

8 A Correct.

9 Q Now, you mentioned sub brands. What are the
10 sub brands for Sexy Hair Concepts or Sexy Hair?

11 A Would you like me to go in chronological order,
12 or you just want a listing of the --

13 Q Chronological order if you can, please.

14 A Okay. To the best of my recollection, the
15 first line out was the Big Sexy Hair line. That was
16 started in '98 and then rolled out more complete in
17 early '99. After Big Sexy Hair came Straight Sexy Hair
18 in '99, and then also in '99 was Short Sexy Hair. In
19 2000 we had Curly Sexy Hair.

20 I actually have a sheet to refer to here to
21 just help my memory. In 2000 we also had Hot Sexy
22 Highlights, which fell under the Sexy Hair Concepts'
23 products. In 2001 we had Healthy Sexy Hair launch. So
24 that was -- those were all the lines that Sexy Hair had
25 until the transfer of assets and liabilities at the

1 beginning of 2002. You want me to continue; right?

2 Q Hold on before we get there. Now, at the end
3 of 2001 the assets and liabilities of Ecoly
4 International were transferred into Sexy Hair Concepts,
5 LLC. What position did you hold with Sexy Hair
6 Concepts, LLC?

7 A I became -- in early 2002 I took on the
8 additional title of chief operating officer. So I was
9 still CFO and secretary, treasurer, and COO.

10 Q And did your position with Sexy Hair Concepts
11 ever change after early 2002?

12 A I'm still COO, but recently I gave up the CFO
13 position.

14 Q Who is the CFO of Sexy Hair Concepts at this
15 time?

16 A Jim Morrison.

17 Q Now, after Sexy Hair Concepts, LLC was formed
18 and began operating, were there additional Sexy Hair
19 products that were added to the line?

20 A Yes, there were.

21 Q What were those?

22 A In 2002 we added Wild Sexy Hair. In 2003 we
23 added Silky Sexy Hair. In 2005 we added Simply Sexy
24 Hair. And in 2007 we added Strong Sexy Hair.

25 Q At the present time, approximately how many

1 SKUs are there of Sexy Hair products?

2 A I would estimate in the range of 150.

3 Q Now, in 1998 when the first Sexy Hair products
4 were introduced, what was the approximate sales volume
5 of Ecoly International?

6 A At the end of '99 -- this will be an estimate
7 as well -- I think we were doing about 8 or 9 million.
8 I'm sorry that was the end of '98, not the end of '99.

9 Q At the time of the transfer of assets and
10 liabilities into Sexy Hair Concepts, LLC, what were the
11 approximate sales of product of the company?

12 A Again, are we -- sorry. Just to clarify. Are
13 we talking the total sales of the company or just Sexy
14 Hair sales?

15 Q Let's do -- in 2001 what were the total sales
16 of the company?

17 A About 21 million.

18 Q And how much of that was Sexy Hair Concepts --
19 was Sexy Hair products?

20 A 13 and a half million.

21 Q And at the end of 2006, what were the sales of
22 Sexy Hair Concepts?

23 A 53 million.

24 Q And how much of that was Sexy Hair product?

25 A 51.3 million or 97 percent.

1 Q You referred to a sheet before. Can you tell
2 me what that is?

3 A Yeah. This is just a summary of our sales from
4 1999 through to our estimate for 2007. I have company
5 total sales by year. I then have the Sexy Hair sales at
6 our selling price. I then have what percentage Sexy
7 Hair is of total sales.

8 I then have an estimate of what our Sexy Hair
9 sales are at retail because understand we sell to a
10 distributor who in turn sells to a salon who in turn
11 sells to the consumer who walks into the salon. So once
12 you mark it up -- for example, in 2006 the 51 million --
13 51.3 million is equivalent to approximately 185 million
14 at retail level.

15 Below that I have our selling expenses for each
16 year, our marketing expenses for each year, and then
17 I've listed just the years in which we launched each sub
18 brand. This was just to help my memory. And I compiled
19 this from our internal financial information.

20 MS. JACOBS-MEADWAY: I'd ask the reporter to
21 mark the document Mr. Stiller has referred to as Sexy
22 Hair Testimony Deposition Exhibit 1.

23 (Sexy Testimony Deposition Exhibit 1 was
24 marked for identification by the court
25 reporter.)

1 BY MS. JACOBS-MEADWAY:

2 Q Mr. Stiller, you stated that the sales of the
3 Sexy Hair products were made through distributors to
4 salons and then purchased by consumers in salons. Are
5 there sales of Sexy Hair products outside the salons?

6 A Yes, our products are found outside of salons.

7 Q Where outside of salons are Sexy Hair products
8 sold?

9 A You can find our products in the mass
10 retailers, drug stores -- mass retailers: Target,
11 Rite-Aid, Costco, various -- and spread across the
12 country. CVS. And this gets there through what we call
13 diversion.

14 Q Can you describe what diversion is for the
15 record?

16 A Yeah. Diversion is where the products end up
17 in a channel that they weren't intended to be. So we
18 are a professional hair care company, and our products
19 are targeted to be sold through the professional hair
20 care industry, which is through salons.

21 However, because there is such a demand for our
22 product by the consumer, the mass market -- the large
23 retailers try to get our products. And so through the
24 gray market, whether they buy directly from a
25 distributor or from a salon, they purchase our products

1 and then sell them in the retail. And because of the
2 popularity of the brand it's a growing business.

3 Q Is there any way of tracking the sales of
4 product in the mass market/drug store/retail trade
5 channel?

6 A We don't do it ourselves, but there is a
7 company -- the Nielsen Company who actually does do a
8 quarterly report. And I do have an example of one here
9 where they track the diversion for the industry and then
10 the major companies' diversion quarterly and percentage
11 change.

12 Q Does Sexy Hair Concepts purchase the Nielsen
13 data?

14 A No, we do not.

15 Q So how do you secure the Nielsen data?

16 A One of our chain accounts, Regus, provides it
17 to us. They send it out to all of their manufacturers.

18 Q And you said that you had a Nielsen report
19 here?

20 A Yes.

21 MS. JACOBS-MEADWAY: Can we have the reporter
22 mark that as Sexy Hair Testimony Deposition Exhibit 2.

23 (Sexy Testimony Deposition Exhibit 2 was
24 marked for identification by the court
25 reporter.)

1 THE WITNESS: May I just clarify one point on
2 our distribution channel? I spoke about distributor to
3 salon. We also do sell directly to chains, so in that
4 situation there isn't a distributor involved such as
5 Regus who I just mentioned. There we sell it directly
6 to Regus, and they sell it through their various salons.

7 BY MS. JACOBS-MEADWAY:

8 Q And can you identify some of the chains that
9 Sexy Hair Concepts sells the Sexy Hair products to?

10 A Well, there's the Regus Organization which has
11 a number of different chains under them such as
12 Supercuts, Trade Secrets. There are numerous others. I
13 think they have between 12 and 15,000 different salons,
14 and we're in at least half to two-thirds of their
15 different salons.

16 So there's the whole Regus Organization.
17 There's JCPenney salons, which is about a 900 to 1000
18 salon chain. There's Ulta, U-l-t-a. They're about a
19 100-door chain. There's Beauty Brands, and they're, I
20 think, about a 50 -- I'm guessing about a 50-door chain.

21 There's Beauty First. I think they're a
22 similar size. Those are the major ones that come to
23 mind.

24 Q And turning to Testimony Deposition Exhibit 2,
25 can you explain that to me?

1 and 16 million dollars.

2 Q Now --

3 A Now, understand these dollars are at retail
4 dollars.

5 Q Mr. Stiller, you identified a number of sub
6 brands for Sexy Hair, and I'd like to just identify some
7 examples of that. Big Sexy Hair was the first sub
8 brand?

9 A Correct.

10 Q Are Big Sexy Hair products still being sold by
11 Sexy Hair Concepts?

12 A Very much so.

13 Q And I show you a can of hair spray with "Big
14 Sexy Hair" on it and ask if you can identify that for
15 me.

16 A Sure. This product is our Spray & Play
17 Volumizing Hair Spray. This product was launched in
18 '99 -- early '99 and is our No. 1 SKU. Has been since
19 it was -- pretty much since it was launched and remains
20 our No. 1 selling SKU.

21 MS. JACOBS-MEADWAY: I would ask the reporter
22 to mark the Spray & Play Volumizing Hair Spray with the
23 "Big Sexy Hair" mark on it as Sexy Hair Testimony
24 Deposition Exhibit No. 3.

25 (Sexy Testimony Deposition Exhibit 3 was

1 marked for identification by the court
2 reporter.)

3 BY MS. JACOBS-MEADWAY:

4 Q Mr. Stiller, what are the marks that Sexy Hair
5 Concepts uses for the Spray & Play Hair Spray product
6 which is Testimony Deposition Exhibit No. 3?

7 A What are the marks that are on the product?

8 Q Yes, sir.

9 A There's "Big Sexy Hair." There is "Sexy Hair."
10 There is "Sexy," and there's "Spray & Play."

11 Q Has the packaging for the Big Sexy Hair product
12 changed since the introduction of the product?

13 A Yes, it has.

14 Q And what was the nature of the change?

15 A When we first launched Big Sexy Hair in '98 and
16 then the rest of it in '99, the words "Big Sexy Hair"
17 were more in a stacked format where you had "Big",
18 underneath it "Sexy" and underneath it "Hair." And then
19 we went in 2001 or 2002 we changed to this vertical
20 format which is much bolder and easier to see.

21 We wanted to highlight the "Sexy" more, and the
22 "Sexy" really stands out. It's in a different color.
23 We also have changed our star logo from -- this one
24 actually is the old logo that has the "Sexy" inside the
25 star. We changed that as well to where you have the

1 little star and next to it it says "Sexy Hair." Those
2 are the major changes.

3 Q I'm going to show you a photograph of a product
4 and ask if you can identify that for me.

5 A Yes. This is the Spray & Play with the old
6 "Big Sexy Hair" logo -- the stacked format I spoke
7 about. I guess one other change that I missed that's on
8 here is when the product was first launched it didn't
9 have the "Sexy" that's on the actual product sample. It
10 was Formulas by Ecoly.

11 It was later that we actually brought out the
12 "Sexy" and then subsequently changed that star Sexy to
13 the star with the "Sexy Hair" next to it. So this would
14 be the very original packaging back from '99.

15 MS. JACOBS-MEADWAY: I would ask the reporter
16 to mark the photograph showing the original packaging
17 for the Big Sexy Hair product as Sexy Testimony
18 Deposition Exhibit 4.

19 (Sexy Testimony Deposition Exhibit 4 was
20 marked for identification by the court
21 reporter.)

22 BY MS. JACOBS-MEADWAY:

23 Q Mr. Stiller, I show you a product and ask if
24 you can identify that for me.

25 A Sure. This one is a shampoo in our Big Sexy

1 Hair line. It's called Extra Big Volume Shampoo. This
2 product was actually launched after the rollout in '99.
3 So we started with the Root Pump at the end of '98.

4 We launched another 5 or 6 products in early
5 '99. And then a year -- maybe a year or 2 later we
6 launched a few more products into Big Sexy Hair, and the
7 Extra Big Volume was one of those.

8 Q And what are the trademarks that appear on that
9 package?

10 A Again, this one has "Big Sexy Hair" as a
11 trademark, "Sexy Hair" as a trademark, "Sexy" as a
12 trademark.

13 Q And does that show the current star Sexy logo?

14 A Yes, it does.

15 MS. JACOBS-MEADWAY: I would ask the reporter
16 to mark the Extra Big Volume Shampoo product in the Big
17 Sexy Hair line as Sexy Testimony Deposition Exhibit 5.

18 (Sexy Testimony Deposition Exhibit 5 was
19 marked for identification by the court
20 reporter.)

21 BY MS. JACOBS-MEADWAY:

22 Q Mr. Stiller, I believe you testified that the
23 next sub brand was Straight Sexy Hair?

24 A Correct.

25 Q And I show you a product which is a conditioner

1 and ask if you can identify that for me.

2 A Sure. This is our conditioner in the Straight
3 Sexy Hair line. It's the newer packaging. We are -- I
4 think we have just changed the packaging again. I'm not
5 sure if it's shipped yet. It's either shipped this
6 month or shipping -- I think it's shipping next month.
7 Either August or September. Not sure.

8 But this is the packaging that we have had for
9 the last 2 or 3 years. Prior to that, again, we had --
10 when it first came out, we had the stacked logo as
11 opposed to the vertical logo. And this one has the new
12 Sexy Hair star logo.

13 MS. JACOBS-MEADWAY: I would ask the reporter
14 to mark the Straight Sexy Hair product that the witness
15 has just been testifying about as Sexy Testimony
16 Deposition Exhibit 6.

17 (Sexy Testimony Deposition Exhibit 6 was
18 marked for identification by the court
19 reporter.)

20 BY MS. JACOBS-MEADWAY:

21 Q Mr. Stiller, I show you a photograph of a
22 product and ask if you can identify that product for me.

23 A Yes. This is our Straight Aero in the Straight
24 Sexy Hair line. This was an aerosol straightening
25 product.

1 Q Does this show the original logo for the
2 Straight Sexy Hair sub brand?

3 A Yes, it does. It shows the stacked, and it has
4 the old star logo as well.

5 MS. JACOBS-MEADWAY: I would ask the reporter
6 to mark the photograph depicting the initial Sexy Hair
7 brand in the Straight Sexy sub brand as Sexy Testimony
8 Deposition Exhibit 7.

9 (Sexy Testimony Deposition Exhibit 7 was
10 marked for identification by the court
11 reporter.)

12 BY MS. JACOBS-MEADWAY:

13 Q Mr. Stiller, I show you another package and ask
14 if you can identify that for me.

15 A Yes. This is the same product -- the Straight
16 Aero -- however, with the vertical design for the
17 Straight Sexy Hair. So this is updated from the picture
18 one. Still has the old star logo, but it has the
19 vertical "Straight Sexy Hair."

20 MS. JACOBS-MEADWAY: I would ask the reporter
21 to mark the Straight Sexy Hair product as Sexy Testimony
22 Deposition Exhibit No. 8.

23 (Sexy Testimony Deposition Exhibit 8 was
24 marked for identification by the court
25 reporter.)

1 BY MS. JACOBS-MEADWAY:

2 Q Mr. Stiller, I note that in the packages and
3 the photographs that have been identified the term
4 "Sexy" appears in a different color than the other
5 components of the mark. Is that something that the
6 company has done consistently?

7 A Yes, it is.

8 Q And why has that been done?

9 A Well, the whole success of this brand has been
10 around the word "Sexy." When we first came up with the
11 concept back in '98, we wanted an emotional trigger for
12 the consumer. So it was a combination of the color of
13 the packaging, but more importantly the word "sexy."

14 We wanted that to invoke some emotion with the
15 consumer when they walked in and saw our products, so we
16 wanted the "Sexy" to stand out. So even in the old
17 stacked logo the word "Sexy" was bigger and in a
18 different color.

19 And in the vertical logo you can see it's a
20 different color so that it stands out. And for most
21 products from a distance all you really can see clearly
22 is the "Sexy."

23 Q Now, the next sub brand, I believe you
24 testified, was the Short Sexy Hair?

25 A Yes.

1 Q And let me show you a package and ask if you
2 can identify that for me, sir.

3 A Yeah. This is our Short Sexy Hair Hard Up Gel.
4 This is our most popular product in the Short Sexy Hair.

5 It has the vertical "Short Sexy Hair," so it's
6 newer packaging, but it's changed since this time.
7 About earlier this year we took the images -- this has a
8 guy on the label. We took the images off the packaging.
9 Everything else remained the same.

10 MS. JACOBS-MEADWAY: I would ask the reporter
11 to mark the package for the Short Sexy Hair Hard Up
12 product as Sexy Testimony Deposition Exhibit No. 9.

13 (Sexy Testimony Deposition Exhibit 9 was
14 marked for identification by the court
15 reporter.)

16 BY MS. JACOBS-MEADWAY:

17 Q Mr. Stiller, you noted that there was a male
18 figure on the package of Sexy Testimony Deposition
19 Exhibit No. 9. Is that a product that's intended for
20 men?

21 A Yes. That's why we put it on originally. We
22 had -- our original demographic when we first brought
23 out Big Sexy Hair was predominantly female. And with
24 the Short Sexy Hair we decided a way to target males
25 would be to put a male's image on the product. So some

1 products would have a female -- had a female and male
2 image and some have just a male image. And it worked
3 very well. We in Short Sexy Hair have a large male
4 users of the product.

5 Q Can you estimate what percent of the purchasers
6 of the Short Sexy Hair product are men?

7 A For example, Hard Up Gel, which is by far the
8 biggest SKU in the line, I would say would be in the
9 90's. I'm trying to imagine -- I guess there might be
10 some females that would use it, but I would think it's
11 at least 90 percent male. And this SKU happens to be
12 our 4th or 5th biggest SKU.

13 So it alone out of Short must account for at
14 least 50 percent of the sales in that line. To answer
15 your question, I would guess that in the whole Short
16 line males probably account for 60 percent of the sales,
17 and that's just an estimate.

18 Q Do you know whether with the other sub brands
19 in the Sexy Hair line there are male purchasers?

20 A Yes, there are male purchasers, but to the
21 extent they are I'm not sure. For example, Healthy I
22 know would have a number of male purchasers because of
23 the positioning that it has.

24 The healthy seems less targeted towards females
25 and seems more generic. And being a cleansing and

1 conditioning line, I would imagine that has a fair
2 number of male users.

3 Q In your estimation, would the Big Sexy Hair and
4 Straight Sexy Hair lines be purchased primarily by
5 women?

6 A Primarily, but there are certain products like
7 you referred to the Extra Big Volume Shampoo. That's a
8 great shampoo for guys, and I know a lot of guys use
9 that as well. But the hair sprays and those types of
10 products would be predominantly female.

11 Q Is there a target market for the products of
12 Sexy Hair Concepts generally?

13 A It's basically all hair -- all people who use
14 hair care products.

15 Q I'd like to show you another product in a
16 silvery gray package with a yellow cap and ask if you
17 can identify that for me.

18 A Yes. This is another Short Sexy Hair product.
19 It's called "What a Body." It's a blow dry gel. It's
20 the same packaging as the -- the same time frame as the
21 Hard Up Gel. It has the same sort of label: the
22 vertically-stacked logo with the star and the "Sexy
23 Hair."

24 MS. JACOBS-MEADWAY: I'd ask the reporter to
25 mark the What a Body product in the Short Sexy Hair line

1 as Sexy Testimony Deposition Exhibit No. 10.

2 THE WITNESS: And this has a female's image on
3 it, and being a blow dry gel would be targeted primarily
4 to females.

5 (Sexy Testimony Deposition Exhibit 10
6 was marked for identification by the
7 court reporter.)

8 BY MS. JACOBS-MEADWAY:

9 Q Mr. Stiller, I note that there are different
10 colors that are used in connection with the different
11 sub brands. Was that an intentional choice?

12 A Absolutely.

13 Q Can you explain that choice for me?

14 A Yeah. We wanted to make the line very simple
15 to understand, and we wanted it to stand out on the
16 shelf. I already mentioned that the word "sexy" was
17 there as an emotional trigger. So was the red packaging
18 when we first launched the Big Sexy Hair.

19 We decided to launch in sub brands so that
20 there would be a focus on each sub brand as opposed to
21 launching everything at one time. We decided to use the
22 different colors so that it would be very easy for you
23 to identify the different products.

24 And if you were someone who wanted volume in
25 their hair, you knew the red products were the ones you

1 would go to. If you wanted -- if you had curly hair,
2 you knew the blue products were the ones you wanted.

3 So it just became very simple, big, clear logo
4 that would say "Big Sexy Hair," the name of the product
5 very descriptive: Big Volume Shampoo, Hard Up Gel. All
6 designed to be very simple and designed to sell itself
7 on the shelf.

8 We wanted it to be able to stand on the shelf
9 without someone having to explain it. Someone could
10 look at it and easily understand who it was targeted
11 towards. And this has proven to have worked very well
12 for us by the proof that we do extremely well in the
13 store-type locations where the products just sit on a
14 shelf like the professional stores or the chains.

15 And that's why, again, the diversion is so high
16 because it does so well on a shelf on its own without
17 having to have a hairdresser stand there and explain it.

18 Q I show you a photograph of a product and ask if
19 you can identify that for me.

20 A This has got to be the original packaging on
21 the Blow It Up Gel in Short Sexy Hair. This has the
22 stacked logo that has "Short," then a big "Sexy" in the
23 middle in a different color, and then "Hair" below it.

24 So this is a gel foam, again, in the original
25 Short Sexy Hair packaging.

1 MS. JACOBS-MEADWAY: I'd ask the reporter to
2 mark the photograph as Sexy Testimony Deposition Exhibit
3 No. 11.

4 (Sexy Testimony Deposition Exhibit 11
5 was marked for identification by the
6 court reporter.)

7 BY MS. JACOBS-MEADWAY:

8 Q Mr. Stiller, you identified the blue package as
9 Curly Sexy Hair products. And I show you a package
10 which is blue with Curly Sexy Hair with the "Curly" and
11 "Hair" in silver and the "Sexy" in the middle in red and
12 ask if you can identify that for me.

13 A Yeah. So this is an example of the Curly Sexy
14 Hair line that was launched, I believe, in 2000 I said.

15 This actually looks like -- it says "Advanced
16 Formula," so I think this was a subsequent repackage.
17 When it was first launched it would have had the stacked
18 Curly Sexy Hair format, so this was done sometime later.
19 Again, as you mentioned, the "Sexy" is in a different
20 color so that it stands out in the logo as a separate
21 mark. And this is called Power Spray Foam.

22 Q And how many products are there in the Curly
23 Sexy Hair sub brand for Sexy Hair?

24 A I would estimate separate products probably
25 about 5 -- 5 or 6. And then SKU wise obviously you get

1 more SKUs because you have the different sizes.

2 MS. JACOBS-MEADWAY: I would ask the reporter
3 to mark the Curly Sexy Hair product which the witness
4 has just been testifying as Sexy Testimony Deposition
5 Exhibit No. 12.

6 (Sexy Testimony Deposition Exhibit 12
7 was marked for identification by the
8 court reporter.)

9 BY MS. JACOBS-MEADWAY:

10 Q Mr. Stiller, I show you a photograph of a
11 product which appears to bear what you've identified as
12 the old logo and ask if you can identify this for me.

13 A Yes. So this is the Curly Sexy Hair shampoo in
14 the old stacked logo that I mentioned. So this is
15 probably the original packaging with "Curly" at the top,
16 then "Sexy" and then "Hair". Again, the "Sexy" being
17 much larger than the "Curly" and the "Hair" and also in
18 a different color.

19 Q And is it also in a different font?

20 A And a different font, yes.

21 MS. JACOBS-MEADWAY: I'd ask the reporter to
22 mark the photograph as Sexy Testimony Deposition Exhibit
23 No. 13.

24 (Sexy Testimony Deposition Exhibit 13
25 was marked for identification by the

1 court reporter.)

2 BY MS. JACOBS-MEADWAY:

3 Q Mr. Stiller, I'm going to show you another
4 product in a blue package and ask if you can identify
5 that for me.

6 A Yes. This is another Curly Sexy Hair product.
7 This is the Curl Reactivator. This is one of the newer
8 packages. It has the vertical format for the "Curly
9 Sexy Hair." Again, the "Curly" and the "Hair" are in
10 silver or gray, and the "Sexy" is in red. It has the
11 older star logo with the "Sexy Hair Concepts" in it.

12 MS. JACOBS-MEADWAY: I'd ask the reporter to
13 mark the Curl Reactivator product with the Curly Sexy
14 Hair mark on it as Sexy Testimony Deposition Exhibit 14.

15 (Sexy Testimony Deposition Exhibit 14
16 was marked for identification by the
17 court reporter.)

18 BY MS. JACOBS-MEADWAY:

19 Q Mr. Stiller, what are the marks of the company
20 that appear on that package which we've marked as Sexy
21 Testimony Deposition Exhibit No. 14?

22 A The marks are "Curly Sexy Hair," "Sexy Hair,"
23 "Sexy," "Sexy Hair Concepts," and "Curl Reactivator."

24 Q I believe you testified that the next line of
25 product was Hot Sexy Highlights?

1 A Yes.

2 Q And what is Hot Sexy Highlights?

3 A Hot Sexy Highlights is a brand that we brought
4 out to address the growing color segment of the market
5 at that time. So it had color shampoos. So you would
6 have a -- if you had your hair colored brown, it would
7 have a shampoo.

8 I think it was called Foxy Brown, something
9 like that. And if you used it it would help retain the
10 color. We also had different glitter sprays like a gold
11 glitter spray and a blue glitter spray. So it was all
12 around color.

13 Q And I believe you next testified that Healthy
14 Sexy Hair products were introduced?

15 A Yes.

16 Q I believe you testified that was in 2001?

17 A Correct.

18 Q I show you a package and ask if you can
19 identify that for me.

20 A Yes. This is under the Healthy Sexy Hair
21 brand, and this is the Pumpkin Rehydrating Shampoo. The
22 Healthy Sexy Hair line basically has 2 segments to it.

23 It has the soy-based segment, and it has the
24 pumpkin segment. So the original launch in 2001 was the
25 soy-based segment of the line. And the pumpkin, which

1 this product is, was launched in 2006. So this is the
2 Pumpkin Rehydrating Shampoo.

3 MS. JACOBS-MEADWAY: I'd ask the reporter to
4 mark as Sexy Testimony Deposition Exhibit No. 15 the
5 Pumpkin Rehydrating Shampoo.

6 (Sexy Testimony Deposition Exhibit 15
7 was marked for identification by the
8 court reporter.)

9 BY MS. JACOBS-MEADWAY:

10 Q Mr. Stiller, I show you a photograph of what
11 appears to be a package and ask if you can identify that
12 for me.

13 A Yeah. This is part of the soy segment of the
14 Healthy Sexy Hair. This product is called Soy
15 Salvation, which was a deep treatment hair mask. This
16 was part of the original launch of Healthy Sexy Hair.

17 You can see the stacked format that says
18 "Healthy Sexy Hair", again, with "Sexy" in a different
19 color. It has the star logo with the "Sexy Hair
20 Concepts." So this would have been one of the products
21 that launched in 2001.

22 MS. JACOBS-MEADWAY: I'd ask the reporter to
23 mark the photograph with the Healthy Sexy Hair package
24 as Sexy Testimony Deposition Exhibit No. 16.

25 (Sexy Testimony Deposition Exhibit 16

1 was marked for identification by the
2 court reporter.)

3 BY MS. JACOBS-MEADWAY:

4 Q Mr. Stiller, I show you another package. This
5 one is a light blue and ask if you can identify that for
6 me.

7 A Yeah. This is the Healthy Sexy Hair Soya Want
8 Full Hair. This product was launched with the original
9 products back in 2001, I believe it was. However, we
10 went through a repackage about 2 years ago. And so as
11 you can see by the previous exhibit where you had the
12 white and red color to it, we then changed it to blues
13 and whites with blue and brown. So this was part of the
14 repackage.

15 MS. JACOBS-MEADWAY: I'd ask the reporter to
16 mark the Soya Want Full Hair product in the Healthy Sexy
17 Hair line as Sexy Testimony Deposition Exhibit No. 17.

18 (Sexy Testimony Deposition Exhibit 17
19 was marked for identification by the
20 court reporter.)

21 BY MS. JACOBS-MEADWAY:

22 Q Mr. Stiller, I show you another product which
23 is in the same or very similar light blue to Exhibit 17
24 and ask if you can identify this for me.

25 A Yeah. This is the Soy Tri-Wheat Leave-in

1 Conditioner. This is the lead SKU in the soy-based
2 line. And this, again, is the repackaged look from a
3 couple of years ago for this product. So it came out at
4 the same time as the full hair one, which was the
5 previous one we spoke about.

6 Q When you say it's the lead SKU, what does that
7 mean?

8 A The top selling product in that sub brand.

9 MS. JACOBS-MEADWAY: I'd ask the reporter to
10 mark the conditioner product in the Healthy Sexy Hair
11 line as Sexy Testimony Deposition Exhibit No. 18.

12 (Sexy Testimony Deposition Exhibit 18
13 was marked for identification by the
14 court reporter.)

15 BY MS. JACOBS-MEADWAY:

16 Q Mr. Stiller, I show you another product which
17 is a Pumpkin Puree Treatment Mask, and I note that the
18 Healthy Sexy Hair mark appears to be horizontal while
19 the Sexy Hair mark is vertical. Can you explain why
20 this varies from the other formats that we've looked at?

21 A Yeah. Wherever we can, the logo is consistent
22 where it's vertical on the packaging. However, some
23 packages don't allow us to do that. If you look at
24 this, your actual real estate on which you can place
25 your artwork is only probably about an inch high.

1 So in this sort of case where we can't fit it
2 vertically we put it horizontally. It's still the same
3 fonts. It still has "Sexy" in a different color, but
4 because of the packaging limitation it's horizontal as
5 opposed to vertical.

6 MS. JACOBS-MEADWAY: I'd ask the reporter to
7 mark the package for the Pumpkin Puree Treatment Mask as
8 Sexy Testimony Deposition Exhibit No. 19.

9 (Sexy Testimony Deposition Exhibit 19
10 was marked for identification by the
11 court reporter.)

12 BY MS. JACOBS-MEADWAY:

13 Q Mr. Stiller, the next sub brand I believe you
14 identified was Wild Sexy Hair; is that correct?

15 A Correct.

16 Q I show you a picture and ask if you can
17 identify that for me.

18 A Yes. This product is called Untamed Whipped
19 Wax, and it's under the Wild Sexy Hair. Again, it's
20 vertical logo with writing in silver, "Sexy" in red, and
21 has the star format with the "Sexy Hair Concepts."

22 Q And how many SKUs have there been sold under
23 the Wild Sexy Hair sub brand?

24 A I believe we had -- it was either 3 or 4.

25 MS. JACOBS-MEADWAY: I'd ask the reporter to

1 mark the photograph for the Wild Sexy Hair product as
2 Sexy Testimony Deposition Exhibit No. 20.

3 (Sexy Testimony Deposition Exhibit 20
4 was marked for identification by the
5 court reporter.)

6 BY MS. JACOBS-MEADWAY:

7 Q I believe you testified that the next sub brand
8 in the Sexy Hair line of products was Silky Sexy Hair?

9 A Correct.

10 Q I show you a product which is in a slightly
11 tinted bottle and ask if you can identify that for me.

12 A Sure. This is our Frizz Eliminator in the
13 Silky Sexy Hair line. It's actually interesting because
14 the package isn't really tinted, but we put this disc
15 which was very innovative the time. As opposed to
16 painting the bottom, we really just put a clear sort of
17 purple disc in there. And it reflects up and looks as
18 though it is that color.

19 Anyway, so this was actually a repackaged of the
20 Silky Sexy. It's not the original. It does have the
21 vertical logo. I believe the Silky Sexy Hair was
22 launched with the vertical logo. I think that's when we
23 transitioned to the vertical logo, but I know we
24 repackaged this product.

25 MS. JACOBS-MEADWAY: I'd ask the reporter to

1 mark the Silky Sexy Hair package as Sexy Testimony
2 Deposition Exhibit No. 21.

3 (Sexy Testimony Deposition Exhibit 21
4 was marked for identification by the
5 court reporter.)

6 BY MS. JACOBS-MEADWAY:

7 Q Mr. Stiller, I show you another product in a
8 deep purple package and ask if you can identify that for
9 me.

10 A Yes. This is the Silky Conditioner. So this
11 is the latest packaging. It has the stacked format, and
12 it has the Sexy Hair -- the star and the "Sexy Hair"
13 logo.

14 Q Excuse me. You said the stacked format?

15 A Sorry. I apologize. It has the vertical
16 format with "Sexy" in red, the "Silky" and the "Hair" in
17 silver. This product originally came out in, I believe,
18 a clear white bottle, so this was the repackage.

19 Q At the current time is there a color that's
20 used for the Silky Sexy Hair sub brand line of Sexy
21 Hair?

22 A This is the color -- this purple color.

23 MS. JACOBS-MEADWAY: I'd ask the reporter to
24 mark the package for the Silky Sexy Hair Conditioner as
25 Sexy Testimony Deposition Exhibit No. 22.

1 (Sexy Testimony Deposition Exhibit 22
2 was marked for identification by the
3 court reporter.)

4 BY MS. JACOBS-MEADWAY:

5 Q Now, you identified as, I believe, the most
6 recent addition to the lines of Sexy Hair products
7 Strong Sexy Hair?

8 A Yes.

9 Q I show you a package and ask if you can
10 identify this for me.

11 A This is the Strengthening Conditioner under the
12 Strong Sexy Hair brand, and this brand was just launched
13 this year -- earlier this year.

14 Q And is there a color associated with the Strong
15 Sexy Hair product line?

16 A Yes, it's white and gold.

17 Q And to what market is the Strong Sexy Hair
18 product line targeted?

19 A It's targeted to people with brittle, fine hair
20 who want their hair to be stronger. So it has a
21 proprietary complex called the Tritanium Complex which
22 was formulated to make the hair stronger and feel
23 stronger.

24 Q And what are the marks of the company that
25 appear on that package for the conditioner product?

1 A The marks are "Strong Sexy Hair," "Sexy Hair,"
2 "Sexy," "Tritanium Complex." And I said "Sexy" already,
3 so that's it.

4 MS. JACOBS-MEADWAY: I'd ask the reporter to
5 mark the package as Sexy Testimony Deposition Exhibit
6 No. 23.

7 (Sexy Testimony Deposition Exhibit 23
8 was marked for identification by the
9 court reporter.)

10 BY MS. JACOBS-MEADWAY:

11 Q I show you a hair spray product and ask if you
12 can identify this for me.

13 A Yes. This is the Strong Hold Hair Spray which
14 is part of the Strong Sexy Hair line, so was launched
15 earlier this year at the same time as the previous
16 product we looked at.

17 Q And what's the color scheme on that package?

18 A This one is predominantly gold with the writing
19 in white and black.

20 MS. JACOBS-MEADWAY: I'd ask the reporter to
21 mark the hair spray product as Sexy Testimony Deposition
22 Exhibit No. 24.

23 (Sexy Testimony Deposition Exhibit 24
24 was marked for identification by the
25 court reporter.)

1 BY MS. JACOBS-MEADWAY:

2 Q Mr. Stiller, are the product and packages that
3 we've identified the complete line of Sexy Hair product?

4 A No. There's also Simply Sexy Hair, which is
5 the color line. We have Liquid Art and Color Me Sexy
6 are the sub sections of Simply Sexy Hair. Liquid Art is
7 a demi-permanent color, and Color Me Sexy are color
8 shampoos.

9 Q And are the products in each line
10 representative of the packaging for the other SKUs
11 within that product line?

12 A Can you repeat that?

13 Q Let me clarify. By way of example, we have 2
14 of the products in the Big Sexy Hair line that we've
15 marked. Are there other products in the Big Sexy Hair
16 line?

17 A Yes, there are.

18 Q And are they packaged essentially the same way?

19 A Yes, the color scheme will be the same. The
20 logo will be the same. The only limitation you'll have
21 is if there's a short package where you might have the
22 horizontal versus the vertical logo. You might also
23 find in the marketplace some older packaging prior to
24 the transition to the new packaging.

25 Q And similarly with respect to the Curly Sexy

1 Hair product, there are 2 packages that we've identified
2 and have marked as Exhibits 12 and 14. The other
3 products in the Curly Sexy Hair line, are they packaged
4 similarly to these?

5 A Yes, they are.

6 Q And would that be the case with all of the
7 other sub brands in the Sexy Hair lines?

8 A Yes, it would be.

9 Q Now, who designed the packaging for the Sexy
10 Hair products?

11 A At the time when we first started, Michael came
12 up with the concept of using "Sexy" as the emotional
13 trigger, and our in-house creative director at the time
14 would have worked with Michael in terms of the look.

15 Q Who is Michael?

16 A Sorry. Michael O'Rourke is the founder of Sexy
17 Hair Concepts. He's a hairdresser -- celebrity
18 hairdresser, and he was CEO of the company until 2006.

19 He is now chairman and works with the company
20 with product development and is a face of the company at
21 trade shows and things like that.

22 Q Was there any effort to have the packaging have
23 a consistent look or not?

24 A Absolutely. Sexy was what we were all about.
25 That's who we are. That's what distinguishes this

1 brand. It's the emotional trigger. We wanted to be
2 sure that when people saw the word "Sexy" they thought
3 of us. So we always had "Sexy" permanently displayed in
4 a different color. We wanted people to see us as a --
5 our products as a family to easily identify our products
6 and associate them with us.

7 Q Has Sexy Hair taken any steps to promote the
8 Sexy and Sexy Hair marks?

9 A Absolutely.

10 Q What's been done to promote the Sexy and Sexy
11 Hair marks of the company?

12 A I referred to us being a manufacturer. That's
13 what we're called in the industry. We're really a
14 marketing company, and so we spend a ton of money
15 marketing our products. And since the launch of Sexy
16 Hair that has been our primary focus, so all our dollars
17 that we spend on the sales side and marketing side have
18 been to promote the Sexy Hair brand.

19 There are numerous ways in which we do this.
20 I'll run through some of the categories. We attend
21 trade shows. These trade shows can be the large trade
22 shows that are not distributor-specific, and there's
23 probably 3 or 4 of them that we attend around the
24 country in Chicago, in Florida, in L.A., in Las Vegas.

25 So those are the major trade shows that are

1 really targeted towards the stylists. There are also
2 distributor-specific trade shows where a distributor
3 would have a show for their customers -- their salons in
4 their territory. So that's the trade shows. At these
5 trade shows we have a huge booth, a huge presence.

6 We're a fun company, you know, with the name
7 Sexy. We put on a good show, and we typically are the
8 highlight of any trade show that we go to. We cut hair
9 on the stage. We have dancers on the stage. And at any
10 time at any trade show you go to we normally are the
11 talk of the show. So we spend a lot of money at these
12 shows.

13 Each one of the major shows we spend probably
14 about \$150,000 at a show. We hire stylists. We hire
15 models. Michael O'Rourke goes in. We'll sell products
16 at the shows as well. It's a huge event, and we are
17 known in the industry. They want -- all the show
18 organizers want Sexy Hair there because we're a huge
19 draw.

20 Q Let me show you a photograph and ask if you can
21 identify that for me.

22 A Yes. This is our booth that we use at the
23 major shows and at some of the bigger
24 distributor-specific shows. You can see the huge Sexy
25 Hair banners strung around the booth with "Sexy," again,

1 in a different color to "Hair" so that it stands out.

2 This would be -- you see people cutting on pods
3 around the booth. So our format here that we use is we
4 have this kind of enclosed area but with sheer panels so
5 you can see through it. We'd have a platform in the
6 middle, and people would come in and sit in the middle,
7 watch haircutting, which would be -- every now and then
8 we'd have some dancers in just to liven it up.

9 And then we'd have artists back on the platform
10 cutting hair, showing how to cut certain styles. And
11 then on the outside we have these pods and selling areas
12 where people will be demonstrating either specific
13 products or specific cuts. And we'd be selling products
14 as well. And this is what our current booth looks like.
15 We just change the imagery from time to time.

16 Q Mr. Stiller, approximately how large is that
17 booth?

18 A That booth -- the space we take, I'm
19 guessing --

20 Q Approximately.

21 A I think it's about 20-foot by 60-foot, I'm
22 guessing.

23 Q How many hairstylists can be operating at any
24 one point in time when they're surrounded by these
25 selling stations?

1 A We would have 3 operating on the stage in the
2 middle at one time each with an assistant who would be a
3 hairdresser as well. And then on the outside we could
4 have 6 -- about 6 different pods, maybe up to 8 with
5 stylists, again, with assistants next to them. So you
6 have probably 10 platform artists at any time operating
7 in and around the booth.

8 MS. JACOBS-MEADWAY: I'd ask the reporter to
9 mark the photograph of the Sexy Hair trade show booth as
10 Sexy Testimony Deposition Exhibit No. 25.

11 (Sexy Testimony Deposition Exhibit 25
12 was marked for identification by the
13 court reporter.)

14 MS. JACOBS-MEADWAY: Off the record.

15 (Brief recess taken.)

16 BY MS. JACOBS-MEADWAY:

17 Q In addition to trade shows, Mr. Stiller, how is
18 the Sexy and Sexy Hair brand promoted?

19 A So I went through trade shows. The next
20 category would be education. Education is where --
21 there are 2 different types of education.

22 There's product knowledge education where we
23 have stylists who go out into the market to salons and
24 will give classes on our product, go through all the
25 products, say how they are to be used, what their

1 purpose is, how they're positioned, and answer any
2 questions so that if a new salon has bought our products
3 the stylist will then know which products to use when.

4 So that's product knowledge. The larger part
5 of education we do is where we have a team of artists
6 who actually go out and teach haircutting techniques.

7 And what we do here is because the stylists are
8 so important to us in the salon industry we want to have
9 a close relationship with them. And stylists are always
10 looking for education, techniques, better ways to cut
11 hair, new styles. Clients will often walk in and want
12 to have the style that they just saw at the Academy
13 Awards or some celebrity has. And they'll walk in and
14 say "I want my hair cut like Charlize Theron," for
15 example.

16 What we do is Michael will come out. It's been
17 historically about twice a year he'll come out with a
18 haircut where he'll actually do a step-by-step process
19 on how to achieve a certain style, and we'll bring all
20 our artists together.

21 Now, our artists are independent contractors.
22 These are stylists who work in salons already, but they
23 subcontract with us to work on their off days and attend
24 trade shows or do these educational classes. So Michael
25 will bring them into this event, which is in L.A.

1 normally. In fact, we've got one coming up, I think,
2 this weekend. And he'll teach them how to cut the
3 style, how to achieve that look very easily.

4 He actually developed his own cutting
5 technique, which is called Structure in Motion, which is
6 a quicker way to cut hair and achieve a look. And this
7 is, again, to help stylists because it's all about
8 money. The quicker they can turn over the client, the
9 more clients they can fit into a day.

10 So Michael has developed this technique, and we
11 teach all these artists who then go out and teach
12 stylists around the country and internationally on how
13 to cut the Structure in Motion way and also how to
14 achieve the style.

15 Obviously in achieving a style there are
16 certain products that go with it. So we do a more
17 subtle sell on that basis in that we're teaching them
18 cutting. They'll always come to cutting classes. They
19 won't always come to product knowledge classes.

20 So we go. We teach them cutting. And at the
21 same time they lock in. They love the company. They
22 love what we're about. They love that we're educating
23 them. And they're attached to us and then want to buy
24 our products, or they feel for that style they need our
25 products.

1 So it's been a great way of promoting the
2 products. Having been hairdresser led for so many
3 years, we are known -- and there aren't that many
4 competitors that have a hairdresser at the head of the
5 company. We are known by the stylists as being a
6 hairdresser-orientated company and very good with
7 education. And we'll do 500, 600 classes -- different
8 types of classes in a year.

9 Q How many different artists are there who will
10 attend this show coming up in Los Angeles?

11 A I'm not sure of the amount. It's probably
12 between 50 and 100.

13 Q Now, other than trade shows and education, how
14 are the Sexy and Sexy Hair marks promoted by Sexy Hair
15 Concepts?

16 A Obviously a large -- a lot of money gets spent
17 on actual promotions where every month we will sell a
18 significant amount of our products in promotions as
19 opposed to open stock. And a promotion can take a
20 number of different formats.

21 It can be 2 products together at a special
22 price. It can be a sample size that comes with a full
23 retail size. It can be a rack. It can be a box with 3
24 products at a special price. It can come with the
25 merchandising material.

1 There are numerous different ways in which we
2 do promotions, and in any month we could have up to 30
3 different promotions that we will actually package and
4 ship out to our distributors along with the promotional
5 sheets that go out with it. And we currently trend at
6 about 40 percent of our sales are in promotions.

7 Q Mr. Stiller, I show you a document which is
8 titled "August 2006 Promo Guide" and ask if you can
9 identify that for me.

10 A Yes. So this promo guide -- this August 2006
11 Promo Guide would be the promo sheet that went out for
12 the August promotions. So this would have shipped the
13 month before in July. It would have shipped to all our
14 distributors. And it shows in there -- it shows
15 examples of the promotions that we had in that month.

16 For example, there's one where it's "Buy Blow
17 Dry Gel and Get Remedy for 50 percent off." There's a
18 special price on some products. There's free
19 accessories with some. We have our Big Sexy Lips. On
20 the back is the price list that shows all of our
21 different Sexy Hair products. And there's also an
22 insert for our rack deal that says "Rack Deal 2006."

23 And what this is is a rack like the one you see
24 here in the room today where a salon could buy the whole
25 line basically -- so many products of each of the

1 different SKUs that we have and they get a rack for
2 free. Now, this can take different -- it might be "buy
3 so many products, get so many racks free."

4 It can take different formats, but it is a
5 promotion where a salon is committed to the full brand
6 and they have this nice display that they can put all
7 the products on and show the whole family of Sexy Hair.

8 MS. JACOBS-MEADWAY: I would ask the reporter
9 to mark the August 2006 Promo Guide as Sexy Testimony
10 Deposition Exhibit No. 26.

11 (Sexy Testimony Deposition Exhibit 26
12 was marked for identification by the
13 court reporter.)

14 BY MS. JACOBS-MEADWAY:

15 Q Mr. Stiller, I show you another document which
16 bears the designation "Holiday 2006 Promotion Guide" and
17 ask if you can tell me what that is.

18 A Yeah. We have -- each year we ship -- around
19 August/September we would ship the holiday promotions
20 for the year. These are normally our most aggressive
21 promotions. And what you have here is we were giving a
22 small Spray & Play. And this was, I believe, a
23 1-and-a-half-ounce Spray & Play Hair Spray.

24 If you remember, earlier I mentioned the Spray
25 & Play was our lead SKU. So what we were doing here is

1 making a small size of it that was then packaged along
2 with various other products and given away free, which
3 then becomes a sampling of our Spray & Play product.

4 And you can see here that it's not only with
5 Big Sexy Hair products, but it's also with others like
6 you have Curl Power with the free Spray & Play Hair
7 Spray.

8 You have the Straight Smooth & Seal. You have
9 the Hard Up Gel. You have the Soy Tri-Wheat Leave-in.
10 So you have a cross-section of the sub brands all with a
11 free mini hair spray and in a little bag.

12 MS. JACOBS-MEADWAY: Let me have the reporter
13 mark that as Sexy Testimony Deposition Exhibit No. 27.
14 That is the Holiday 2006 Promotion Guide.

15 (Sexy Testimony Deposition Exhibit 27
16 was marked for identification by the
17 court reporter.)

18 BY MS. JACOBS-MEADWAY:

19 Q Mr. Stiller, I show you a document which is
20 designated "March/April 2004 Promotion Guide" and ask if
21 you can identify that for me.

22 A Yeah. This is March/April, so at this time we
23 were probably doing bi-monthly promotions. For the last
24 2 years at least we've done monthly. So this here shows
25 a number of promotions that we were offering during this

1 period.

2 There's the What A Tease product, which is a
3 Big Sexy Hair product in a display. You got a sample --
4 a free tester came with 6 of the products, and it had a
5 display with a big sign at the back that clearly showed
6 the logo in big and some imagery.

7 You then had -- on the inside you have
8 different promotions, and one, for example, where you
9 can buy some shears and you get some Big Sexy Hair
10 product, Silky Sexy Hair, Healthy and Short Sexy Hair
11 products.

12 There's various other -- we were promoting
13 different tools here. You can see we have this Z-Blade
14 cutting tool, a blow dryer. There's some gallon
15 promotions. There's a special price on the Spray &
16 Play. There's some publicity that's shown in this
17 Hairstyles magazine. Do you want me to go through each
18 promotion here as there's numerous of them?

19 Q No, that's not necessary. I note that there
20 are a number of promotions where the different sub brand
21 lines are combined.

22 A Yes.

23 Q Is that a deliberate decision on the part of
24 the company?

25 A Absolutely.

1 Q And why is that done?

2 A We do that for a number of reasons. Obviously
3 we want the salons and the consumer to carry and buy as
4 much of our product as possible. So you might have a
5 person who somehow got one of our products, say, the
6 Spray & Play Hair Spray and loves it. And we want them
7 to carry more products, not only of the Big Sexy Hair
8 line, but we want them to have other of our products.

9 So we will sample them or put them in a
10 promotion so that they have the opportunity to try some
11 of our other products and then hopefully become users of
12 the product.

13 MS. JACOBS-MEADWAY: Now, I have some older
14 package deals, promotional materials. Let me ask you to
15 identify that, and perhaps we'll just mark this as a
16 group exhibit. Let's first mark the 2004 March/April
17 Promotion Guide as Sexy Testimony Deposition Exhibit No.
18 28.

19 (Sexy Testimony Deposition Exhibit 28
20 was marked for identification by the
21 court reporter.)

22 BY MS. JACOBS-MEADWAY:

23 Q Mr. Stiller, could you identify this material
24 for me generally. They are photocopies.

25 A Okay. Here we have a whole lot of our

1 promotional sheets for 2000, 2001, 2002. I'm not sure
2 if it extends beyond those years, but these are more
3 examples of our monthly or bi-monthly promo sheets that
4 go out to our distributors who in turn then would go and
5 give them to the salons so that the salons can order the
6 promotions that they want to order.

7 So we would send out a mailing or all these --
8 I think we print at the moment about 80 or 90,000 of
9 these promo sheets a month. We ship them to our various
10 distributors.

11 Depending on the size of the distributor,
12 they'll get their proportionate quantity. They then
13 will see which promotions they want to order and will
14 then give it to the salons so that they know which
15 promotions are available for that promotional period.

16 MS. JACOBS-MEADWAY: I would ask the reporter
17 to mark the collection of older promotional sheets as
18 Sexy Testimony Deposition Exhibit No. 29.

19 (Sexy Testimony Deposition Exhibit 29
20 was marked for identification by the
21 court reporter.)

22 BY MS. JACOBS-MEADWAY:

23 Q Mr. Stiller, in addition to the promotions, the
24 education, and the trade shows, what other actions does
25 Sexy Hair take to promote the Sexy and Sexy Hair marks?

1 Testimony Deposition Exhibit 30.

2 (Sexy Testimony Deposition Exhibit 30
3 was marked for identification by the
4 court reporter.)

5 THE WITNESS: And our Web address is on every
6 product that we produce. And on all the literature we
7 would have our website so that the consumer or stylist
8 can refer to our website for more information.

9 BY MS. JACOBS-MEADWAY:

10 Q Now, you mentioned a celebrity spokesperson.
11 Can you tell me about that?

12 A Right. Katharine McPhee was the runner-up in
13 American Idol, not this season that's just ended, but
14 the one before that. And we signed her up in 2006 to be
15 our first celebrity spokesperson. Michael O'Rourke was
16 a spokesperson of Sexy Hair, but this is our first
17 person from outside the company.

18 And we signed a 2-year deal with Katharine
19 McPhee to be the face and spokesperson for Sexy Hair.
20 So this agreement contracts her to do certain
21 appearances for us, certain photo shoots so that -- a
22 certain number of photo shoots.

23 And so we're using her imagery on, as you can
24 see, our website, our deal sheets, our posters. And
25 then she goes out and whenever she is out in front -- on

1 Katharine McPhee and the tag line "Beauty that
2 Performs."

3 A I don't recall specifically how we used this,
4 but it looks like a POP, something that would have gone
5 in with a promotion either as part of a display or to
6 just sit on a shelf. And it has Katharine. It refers
7 to her as, "The RCA recording artist Katharine McPhee
8 for Sexy Hair." And then you see our logo, and it says
9 "Beauty That Performs," as you mentioned. Refers to our
10 website.

11 Q POP is point of purchase?

12 A Correct.

13 Q Does Sexy Hair distribute the POP or point of
14 purchase pieces?

15 A Yes, we do. We would have -- we would either
16 sell a display that has a POP built into the display, or
17 we'll have a promotion that will have an easel card or a
18 shelf talker, which is a little piece that sits on a
19 shelf and will give some -- say something about the
20 products or the promotion that we are running.

21 We also have posters. There's numerous
22 merchandising materials that we will either ship into a
23 distributor on its own or as part of a promotion.

24 Q I show you a product display, I guess. Is that
25 what this is -- for Sexy Hair Frenzy?

1 A Yeah.

2 Q Can you identify that for me?

3 A Yeah. So this would be one of our promotions
4 that we ran and it forms -- it's a POP as well. So this
5 would sit on a shelf. It's got -- it's like an easel.

6 It's got a stand behind it so you can clearly
7 see the products we promoted, and then it has like this
8 billboard behind it that has "Sexy Hair" clear with the
9 "Sexy" and the star standing out.

10 It gives the name of the product Frenzy and the
11 logo "Short Sexy Hair" as well with the "Sexy" standing
12 out. It will just tell you about the products that we
13 are promoting here.

14 MS. JACOBS-MEADWAY: I would ask the reporter
15 to mark the 2 point of purchase pieces as Sexy Testimony
16 Deposition Exhibits 32 and 33 respectively.

17 (Sexy Testimony Deposition Exhibits 32
18 and 33 were marked for identification by
19 the court reporter.)

20 THE WITNESS: I would just like to add a couple
21 more things on Katharine. One is once we signed her up
22 we also used her image in consumer advertising, and we
23 can get into that as another category of dollars we have
24 spent.

25 Also, one point I want to make is that for her

1 Q Why do you advertise to consumers if you are
2 primarily a professional hair care company?

3 A The consumers are ultimately the ones that buy
4 our product. They're our ultimate customer. And we use
5 the salon as a channel through which to sell to the
6 consumer.

7 Q I'm going to show you a collection of
8 advertisements and ask if you can identify these for me,
9 and then I think we'll mark them as a group exhibit.

10 A Just in general. You don't want me to go
11 through each one?

12 Q No. If you can identify some of the
13 publications and who reads them and how they're
14 distributed and some notion of some of the dates as you
15 go through.

16 A Okay. So the first one has Modern Salon. I
17 mentioned we do trade advertising. These are our
18 targeted main 2 stylists, and the big ones would be
19 Modern Salon and American Salon. You will find them in
20 salons sitting at the table.

21 The consumer -- the person who talks in to have
22 their hair done will have access to them as well, but
23 they are read by the stylists and all of the people in
24 the industry. So that's Modern Salon, and this looks
25 like it's some publicity we received rather than an ad

1 we ran.

2 So there'll be a combination in consumer and in
3 trade of publicity that's either our PR company has sent
4 a press release, or it can just be publicity where no
5 action on our part. They have just chosen to highlight
6 it because either the editor likes it or a celebrity
7 likes it or they're doing a segment on a particular type
8 of product.

9 So we'll get that type of publicity. So here's
10 one called Platinum is the next one, and that would be a
11 consumer magazine as opposed to the trade. And, again,
12 this is publicity rather than an ad that we ran.

13 Q Directing your attention to the page which is
14 marked SH636.

15 A Yeah, this is the Parenting magazine, which is
16 obviously a consumer magazine as well. And here you can
17 see they're talking about our Curly Sexy Hair. There's
18 a picture of the actual Curly Sexy Hair Conditioner, it
19 looks like. So it's just some publicity, again, that we
20 got for this article.

21 Q Looking at page 624 in the document that I've
22 handed you.

23 A So this is Seventeen magazine, which again is a
24 consumer magazine. This is from September 2000. This
25 shows celebrities and some of the products. And I'm

1 trying to see --

2 Q I believe it's in the upper right-hand corner.

3 A Yeah, I see the "Sexy" -- sorry. The copy
4 isn't great. It talks about Curly Sexy Hair. This has
5 to do with Keri Russell. Yeah, the copy isn't great. I
6 can't read it that well, but you have teen star
7 hairstyles, just a ton of -- and this looks like
8 initially from me looking at it mainly consumer
9 magazines where we've had hits or had some publicity as
10 opposed to ads that we have run.

11 Q And directing your attention to the page which
12 is marked 707 and 708.

13 A Yeah. I can't see what the name of this --

14 Q I think that's In Style.

15 A Oh, sorry. Yeah, it's a very light copy. But,
16 yeah, it looks like -- I can see the "In". It looks
17 like In Style magazine, and in here we have -- it's
18 titled "Sexy Hair, Great Hair with Flair," and it shows
19 one of our Short Sexy Hair products. It talks about the
20 slept-in product in Short Sexy Hair.

21 Q Let me direct your attention to the page which
22 is 779 and 780.

23 A So this is titled "ABC Soaps," and this here
24 under what looks like the title "Beauty Secrets" has our
25 Straight Sexy Hair product. It says "Freelance hair and

1 makeup artist Tamara Ogden suggests using a product like
2 Sexy Hair Concepts' Straight Sexy Hair Smooth & Seal to
3 tame those frizzies."

4 It says a little more in it, but you clearly
5 see a picture of our Straight Sexy Hair product with,
6 again, "Sexy" standing out on the package.

7 Q And I'd like to direct your attention to page
8 853 and 854.

9 A So this is Marie Claire magazine. Again, a
10 consumer magazine. And this here has a section that
11 says, "Marie Claire recommends 10 Best Beauty. Marie
12 Claire's beauty editors pick this month's must haves."

13 And under there they have -- it's a bit faint,
14 but it says something about "Giving your roots a boost
15 with Big Sexy Hair Volumizing Hair Spray."

16 Q And does the page depict any of the Sexy Hair
17 products?

18 A Yes. So it has here a picture of our Spray &
19 Play Hair Spray, and you can see the Big Sexy Hair logo
20 and "Spray & Play."

21 Q Are these materials typical of the editorial
22 mentions of Sexy Hair products in both professional and
23 consumer magazines?

24 A Yes, these are typical. And as you can see by
25 the pile here there are a number of them. And this is

1 just editorial we've looked at. We haven't looked at
2 the advertising yet, but this is typical.

3 MS. JACOBS-MEADWAY: I would ask the reporter
4 to mark the group exhibit as Sexy Hair Testimony
5 Deposition Exhibit 36.

6 (Sexy Testimony Deposition Exhibit 36
7 was marked for identification by the
8 court reporter.)

9 THE WITNESS: To help get publicity, we do
10 media tours where Michael would go to the editors in New
11 York and spend up to a week there going from one
12 magazine to the other just talking about the company and
13 the products and getting the editors familiar with maybe
14 the latest product we've brought out and just staying in
15 their face so that whenever possible we can get some
16 publicity.

17 BY MS. JACOBS-MEADWAY:

18 Q Now, I show you what appear to be ads from the
19 company that have been run in various media and ask if
20 you can identify those for me.

21 A Yeah. These look like -- these are copies of
22 ads we've run in different magazines. I can't tell you
23 specifically here which one it is as it just shows the
24 different ads, but here's one for Big Sexy Hair that
25 shows a model with big sexy hair and then shows various

1 of our Sexy Hair products. The next page is, again, for
2 Big Sexy Hair Spray & Play. There's one for Big Sexy
3 Hair Root Volumizer, and that would be the root pump.

4 Another one for Big Sexy Hair. Then we have
5 one for Straight Sexy Hair showing 4 different products
6 in Straight and talks about each product and highlights
7 that we have our Straight Aero was the first aerated
8 straightening spray. There's an ad here with Michael
9 with a model.

10 Q Can you identify some of the publications in
11 which these ads have been placed?

12 A Yeah. These specifics ads would have been
13 placed -- these go back a few years. These would have
14 been placed in some of the trade magazines like American
15 Salon, Modern Salon, Canadian Hairdresser. We also
16 advertise in Vibra, Salon Today. Those are some of the
17 trade mags that we advertise in.

18 Q And what are the consumer magazines that you
19 advertise in?

20 A The consumer magazines we really have focused
21 on since last year with the signing of Katharine, and we
22 have been in Cosmopolitan, Teen Vogue, People, and I
23 think Star, but Jim Morrison can speak more to that.

24 MS. JACOBS-MEADWAY: I would ask the reporter
25 to mark as a group exhibit the advertisements run in

1 trade publications as Sexy Testimony Deposition Exhibit
2 No. 37.

3 (Sexy Testimony Deposition Exhibit 37
4 was marked for identification by the
5 court reporter.)

6 BY MS. JACOBS-MEADWAY:

7 Q Mr. Stiller, are there any other means of
8 advertising the Sexy and Sexy Hair brands that have been
9 employed by the company?

10 A We also do what's called co-op advertising,
11 which is where we would reimburse our distributors for
12 advertisements that they run or their customers -- the
13 salons -- run.

14 So typically in a regional newspaper or
15 regional magazine a local salon might run an ad saying
16 "We carry Sexy Hair products" or highlighting one of our
17 products, and they would then get reimbursed by the
18 distributor who in turn would get reimbursed by us.

19 So we spend a lot on what's called co-op
20 advertising. So that can be on a radio -- on local
21 radio, local cable, T.V., magazines, newspapers that are
22 local to that territory.

23 Q Are there any other promotional media that you
24 can recall at this time?

25 A Other ways we promote the product, or are we

1 still on advertising?

2 Q Advertising or promotion.

3 A We've done billboards. We had a billboard here
4 on Sunset and --

5 Q In Los Angeles?

6 A Yeah, Sunset Boulevard. We had a big billboard
7 there. And Jim can talk more to this. So we've done
8 billboards. I'm trying to think what else.

9 Q Are there any promotional products that are
10 distributor-sold with Sexy or Sexy Hair marks on them
11 such as shirts or hats or aprons or any of that sort of
12 thing?

13 A Right. Yeah. So then we do -- to help promote
14 the products, we make T-shirts. We make caps, which
15 we'll either have in a promotion -- that might be free
16 in a promotion that a consumer can buy or a salon can
17 buy.

18 And we also will sell them at trade shows, so
19 that's another form of publicity that we do. There are
20 others that I can get into as well, but strictly on the
21 advertising I think we've pretty much covered the
22 different types of advertising that we do.

23 Q Are there any other types of promotion for the
24 Sexy and Sexy Hair marks?

25 A Yeah, we do sampling -- a lot of sampling and

1 giveaways. Sampling would be where we'll give free
2 products to our distributor who in turn will give it to
3 salons or directly to the chain.

4 Say we come out with a new product and we want
5 the stylists to use it at their station on their
6 clients. And hopefully the client likes it, the stylist
7 likes it, and then they buy the product. So we spend a
8 lot of money on giving away free products, and we have
9 found that to be a very effective way to promote the
10 products because they actually get to use the products.

11 And once they use them, they generally like it
12 and buy it. So we do a lot of sampling, a lot of
13 giveaways -- charities, giveaways in bags -- you know,
14 the gift bags that they would have at a charity. Every
15 month we are giving products and donating it to some
16 cause or charity as a giveaway, again, for the consumer
17 to try it and hopefully like it and then buy it.

18 Q Can you identify some of the charities that you
19 have done promotional activities with?

20 A I think Jim can answer that better. I can't
21 specifically -- I just -- you know, I see the dollars
22 every month that are going out, but we have a PR
23 department that has 2 people in it, and they spend a lot
24 of time doing that every month.

25 And through our actual PR agency, M. Craig,

1 they are constantly asking us for product to be given
2 away as samples for various organizations or charities.

3 Q Can you identify for me the dollars that are
4 being spent in connection with promotional and
5 advertising materials by the company?

6 A Yeah, I can. On the exhibit that I think was
7 our first or second exhibit -- there's still other
8 different promotional vehicles we use, but what I have
9 on Exhibit No. 1 I discussed earlier that I have taken
10 from our financial records what we spent in selling and
11 marketing expenses.

12 And what I did is I went through our income
13 statement and pulled out just the expenses that really
14 relate to promoting the products, which are some of the
15 ones we've discussed today. And, for example, in 2006
16 we spent 6.2 -- almost 6.3 million dollars in selling
17 and marketing expenses to promote Sexy Hair.

18 Q And was that more or less than 2005?

19 A More. Each year is slightly more. For
20 example, 2005 was 5.3 million. 2004 was 4.9 million.
21 2003 was 4.2 million. So it's a significant amount of
22 expenditure that we incur every month on promoting
23 because as I mentioned earlier we're really a marketing
24 company. We have a brand, and we market our brand.

25 Some of the categories that we haven't dealt

1 with yet that fall under that are things like detailing
2 where our employees will actually go and walk into
3 salons with salespeople and actually talk about our
4 products and try to sell our products to the salon owner
5 or the stylists in the salon.

6 We will -- it can be our employees or could be
7 some of the independent contractor educators that I
8 mentioned earlier that will go into territories and
9 actually ride with a sales consultant who's employed by
10 the distributor and go and visit all their clients and
11 promote our products while they do that.

12 And there's sales meetings that we spend money
13 on every month where our salespeople go to our
14 distributor sales meetings and present to all the
15 salespeople -- present our promotions for the month and
16 talk about the company and what's happening with the
17 company and what's exciting with the company, but always
18 promoting the product and trying to get them to focus on
19 our products and sell our products.

20 Q Are there any other promotional vehicles that
21 the company uses to promote the Sexy and Sexy Hair
22 brands?

23 A I've mentioned the literature that we do, for
24 example, the promotional sheets. We also have
25 consumer -- we have the consumer brochures, which is a

1 brochure that we prepare. We update it probably every
2 year or twice a year, and that gives information on
3 every one of our products.

4 Now, that will be in a printed form, and we
5 will also produce a DVD that will ship to our
6 distributors that gives information on every product,
7 how you use it so that someone -- stylists or a salon
8 that just got our line in can take it home and learn
9 about the products. I'm trying to think of the other
10 literature.

11 We also -- we will send out our imagery. We do
12 a lot of photo shoots. We'll send out our imagery to
13 all our distributors, and I'm talking international as
14 well. We'll send out our imagery so they can use it on
15 their sell sheets.

16 What a distributor will do is they will have
17 their own magazine or newspaper because a distributor
18 typically will carry not only Sexy Hair but could carry
19 one or more of our competitors. So they'll produce a
20 monthly, say, newspaper that will list the promotions of
21 all the different lines they carry.

22 And so they can pull the imagery from the disc
23 we send them and insert it into their newspaper, and
24 that then goes out to their customers. So I mentioned
25 the literature. I think I've covered the major

1 categories. If anything else comes to mind as we go
2 through this, I'll come back to it.

3 MS. JACOBS-MEADWAY: Excellent. Off the
4 record.

5 (Brief recess taken.)

6 BY MS. JACOBS-MEADWAY:

7 Q Mr. Stiller, before we move to the next topic,
8 are there any other means of promoting the Sexy and Sex
9 Hair marks that you're familiar with?

10 A Yeah. Another area where we spend a fair
11 amount of money is on sales incentives. And this would
12 be where we would incentivize the salespeople -- those
13 are people employed by our distributor -- to sell our
14 product.

15 So there might be a -- it will be a monetary
16 incentive where we would say, for example, "If you sell
17 10 of this deal, you get a hundred dollars." That's
18 just a generic example, but we would quite often --
19 don't forget we're competing for selling time of a
20 salesperson. So our average distributor -- there are 1
21 or 2 that only sell our product -- 1 or 2 distributors.

22 But the bulk of them are multi-line
23 distributors where they can -- a salesperson can have up
24 to maybe 10 lines that they are selling. So what we are
25 competing for is when that salesperson walks into one of

1 his or her accounts what products are they going to talk
2 about. Are they going to talk about ours or our
3 competitors' products?

4 So some of the many things that I've spoken
5 about already -- the sales meetings, our promotions --
6 all those things are to help the salesperson focus on
7 our product, the salon focus on our product, the
8 distributor focus on our product, and, of course, the
9 consumer to buy it.

10 So we regularly would run customized sales
11 incentive programs. Another promotional activity that
12 we engaged in -- and this would have been, I think, in
13 2006 -- was we had a competition called The Show Off.
14 We spent about, I think, \$200,000 on this particular
15 promotion.

16 And what we did here is we ran -- it was
17 Web-based. And we ran this competition that was kind of
18 show us your Sexy Hair. It was we're having a
19 competition under -- for the person who had the best big
20 sexy hair, the best healthy sexy hair, the best curly
21 sexy hair, the best straight sexy hair.

22 So the program was designed you'd go into a
23 salon, the stylist was involved and the consumer was
24 involved. And they'd take a photo and would submit the
25 photo. Judges then would get finalists in each

1 category.

2 And then at a trade show we had in Florida a
3 year ago we picked the winners in the different
4 categories. There was a lot of interest, a lot of --
5 thousands of submissions. We got a good amount of press
6 on it. There's a website called behindthechair.com,
7 which is the premier stylist website in our industry.

8 And we both advertised and they promoted the
9 competition for us as well as some of our various
10 products. So it was totally Web-based, and we got
11 consumers and stylists involved. And then there was a
12 prize -- various prizes: monetary and product, trips and
13 different things like that. It ran for -- I don't
14 know -- about 6 months or 9 months.

15 Q So that would be that the stylist who used a
16 Big Sexy Hair product and the consumer who had her hair
17 done with the Big Sexy Hair product was eligible for the
18 Big Sexy Hair segment of this contest; was that how it
19 worked?

20 A Yeah. It was more into -- typically they would
21 end up being -- they were Sexy Hair product users
22 because really that's how they knew about the products,
23 but really what they submitted was the picture of the
24 client with their short sexy hair or their big sexy hair
25 or their straight sexy hair and was chosen based on

1 A Yes. Yes. Sexy Hair itself is registered in
2 the United States, Canada, and numerous other countries.

3 We also have registrations for some of the
4 other names including Sexy Hair. And off the top of my
5 head I can't state specifically which ones. I know --
6 well, there's Hot Sexy Highlights. I know we had that
7 one. I believe Wild Sexy Hair we have. And there are a
8 whole of others we've applied for as well.

9 Q Now, in addition to securing registrations for
10 Sexy Hair and some of the other marks, does Sexy Hair
11 take any other steps to police or protect its marks?

12 A Yes. We constantly are policing our marks, and
13 this is a joint effort by our counsel -- Bobby -- and
14 us. If we ever see in any publications or out in the
15 salons or stores anything that looks like it's similar
16 to our mark, we would get together with counsel and
17 decide on what action needs to be taken. And over the
18 years there have been a number of instances where we
19 have had to take action of varying degrees.

20 Q I show you a collection of documents which
21 represent various policing activities and just ask if
22 you can identify these generally as policing matters
23 that you're familiar with.

24 A Yes. Looking at this, this is a number of
25 either oppositions or letters that have been sent

1 relating to oppositions -- people who we've opposed
2 using a name that we had an issue with.

3 Q Are you the person at Sexy Hair who has
4 authorized the taking of action?

5 A Yes.

6 MS. JACOBS-MEADWAY: I would ask that the
7 collection of policing documents be marked as Sexy
8 Testimony Deposition Exhibit 38.

9 (Sexy Testimony Deposition Exhibit 38
10 was marked for identification by the
11 court reporter.)

12 BY MS. JACOBS-MEADWAY:

13 Q Have any of the opposition proceedings
14 instituted by Sexy Hair gone to a decision by the
15 Trademark Trial and Appeal Board?

16 A Yes, one has.

17 Q And what is that one?

18 A That was the Victoria's Secret "So Sexy" mark.

19 Q And I show you a copy of the decision mailed
20 April 20, 2007 and ask if you can identify that for me.

21 A Yes. This is the decision from the board on
22 the mark where we prevailed against Victoria's Secret on
23 the "So Sexy" mark.

24 MS. JACOBS-MEADWAY: I'd ask the reporter to
25 mark the decision from the Trademark Trial and Appeal

1 Board as Sexy Testimony Deposition Exhibit No. 39.

2 (Sexy Testimony Deposition Exhibit 39
3 was marked for identification by the
4 court reporter.)

5 BY MS. JACOBS-MEADWAY:

6 Q Mr. Stiller, at the present time are you aware
7 of any use by any other company of "Sexy" as a mark for
8 hair care preparations?

9 A The only companies I'm aware of are this
10 Victoria's Secret one and the Sexy 'N Sassy.

11 Q And that is the Perfect Plus product that is
12 the subject of this opposition proceeding?

13 A Correct.

14 Q Let me show you a package and ask if you can
15 identify that for me.

16 A Yeah. This is the Sexy 'N Sassy, one of the
17 products in their line that clearly has the word "Sexy"
18 on it and is, as you said, the subject of this
19 proceeding.

20 Q When did you first see the Sexy 'N Sassy
21 product which is bearing the mark which is the subject
22 of this proceeding?

23 A I believe it was 2005.

24 Q Have you ever seen the Sexy 'N Sassy product in
25 a salon?

1 A No.

2 Q Have you ever seen the Sexy 'N Sassy product in
3 retail distribution?

4 A No.

5 Q Have you ever seen an advertisement for the
6 Sexy 'N Sassy product?

7 A No.

8 MS. JACOBS-MEADWAY: I would ask the reporter
9 to mark the Sexy 'N Sassy product as Sexy Testimony
10 Deposition Exhibit 40.

11 (Sexy Testimony Deposition Exhibit 40
12 was marked for identification by the
13 court reporter.)

14 BY MS. JACOBS-MEADWAY:

15 Q Mr. Stiller, is the package for the Sexy 'N
16 Sassy product reminiscent of any other package that
17 you're familiar with?

18 A Yeah. Well, it looks a lot like our Straight
19 Sexy Hair. I mean, you've got the silver packaging and
20 a kind of standard -- in a standard container. You've
21 got "Sexy" as the dominant mark on the package. It's
22 also in a pinky red color, and our Straight Sexy Hair
23 has "Sexy" in red. It looks similar to our product and
24 could easily be confused.

25 MS. JACOBS-MEADWAY: Off the record.

1 and say "compare to this product." And that's really --
2 they're just trying to ride on the coattails of a
3 product that's popular in a different channel or a more
4 expensive product.

5 BY MS. JACOBS-MEADWAY:

6 Q In terms of that, Mr. Stiller, what is the
7 price range for these products in the Sexy Hair line?

8 A Our price range -- and I'm going to talk about
9 the retail sizes because we have samples -- small sizes
10 and we have up to gallons. But if you talk the average
11 retail size, which is anywhere from 8 ounces to 13
12 ounces, our price will range from about \$9 to the mid
13 20's.

14 Q Is that considered a mid price range?

15 A It's considered just above mid. Mid to mid to
16 high. In the middle there somewhere.

17 MS. JACOBS-MEADWAY: Thank you very much. Off
18 the record.

19 (Discussion held off the record.)

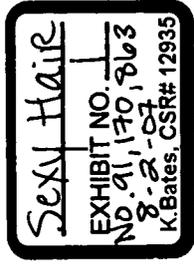

20 MS. JACOBS-MEADWAY: That's all my questions,
21 Mr. Stiller. Thank you very much.

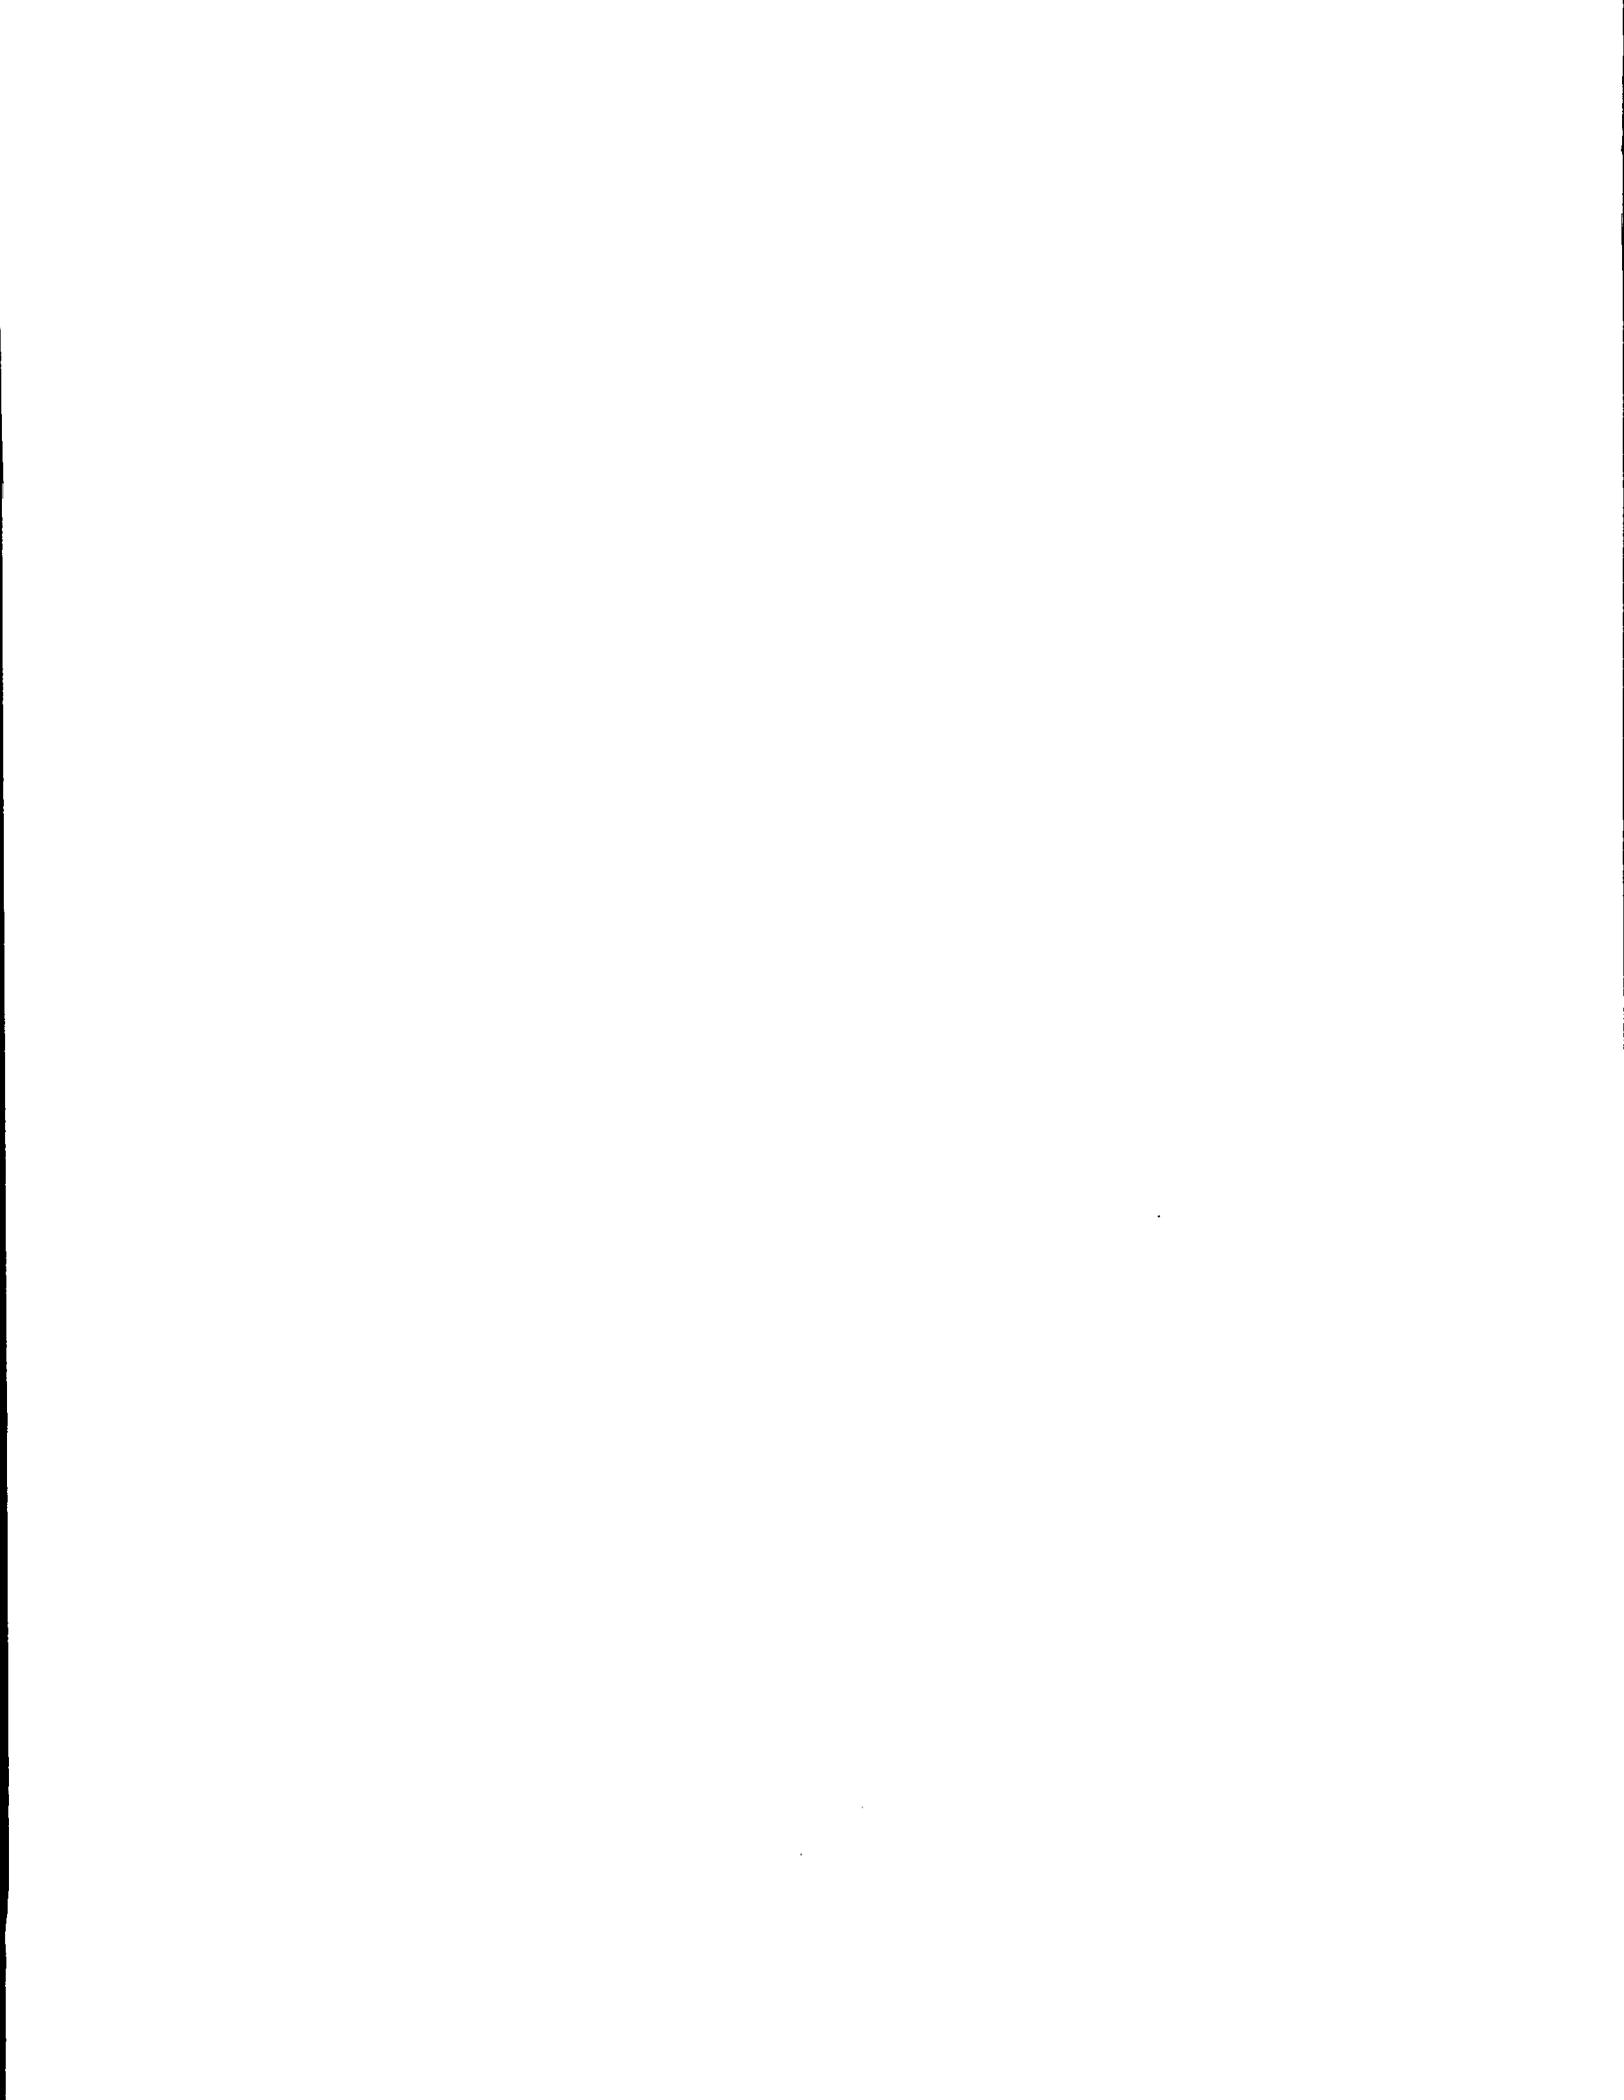

22 THE WITNESS: Thank you.

SEDUCE COLLECTION (NEW!)

Lip Lacquer (Bella Donna & Last Kiss) Double Ended Lip Gloss
Packaged in a double ended cylinder, Bella Donna is a holographic magenta that can be used alone or over a favorite lipstick color, and the bittersweet Last Kiss is a rich, wine gloss with a hint of hot metal. These Lip Lacquers can be used alone or can be blended together.

Peep Show (Temptation/Enamor/Sultry) Eye Shadow Trio

Three enticing eye shadows that allow one wink to mean much, much more. Enamor, a soft lilac that highlights the entire lid or simply under the brow; Temptation, a deep magenta to give eyes a dramatic look; and Sultry, a smoky-black shadow ideal for lining or smudging. Peep Show creme-to-powder eye shadows apply like a cream and dry to a powder for a flawless finish.

Hot Cheeks (Cheeky) Cheek Stick

This sheer, purplish-pink cheek stick highlights cheekbones and casts an opalescent hint on the face.

Star Powder (Snow Kiss) Shimmer Dust Powder

Snow Kiss silvery shimmer dust has lavender undertones to transform the stars from the night sky into kisses of snow.

Lip Lacquer (Bella Donna & Last Kiss) Double Ended Lip Gloss <i>Packaged in a double ended cylinder, Bella Donna is a holographic magenta that can be used alone or over a favorite lipstick color; and the bittersweet Last Kiss is a rich, wine glass with a hint of hot metal. INTRODUCING 3 NEW SEXY HAIR CONCEPTS PRODUCTS TO START OFF 2002 WITH A BANG!

SHORT SEXY HAIR FRENZY BULKED UP TEXTURE COMPOUND

- Dual action to give bulked up volume & intense texture.
- Frenzy bonds to the hair to thicken up the hair shaft to create fullness & separation at the same time.
- This unique compound helps create today's messy and wild hairstyles.
- Delivers extra holding power to hold styles in place with a medium matte finish.
- Apply a small amount to dry hair and style. For more intense texture, throw your head upside down and work product vigorously through hair, creating random bits and pieces. Then throw your head back over and place chunks where desired.

SHORT SEXY HAIR SHATTER SEPARATE & HOLD SPRAY

- Dual action to give hair extra separation and hold.
- First-ever texture spray with hold that's dry and non greasy. Never overly damp.
- Firm holding 55% VOC pump spray specifically designed to enhance shattered, jagged and textured hair styles.
- Unique new spray delivers a very controlled fine mist that goes only where you want it to go.
- Gives hair extra hold to keep it in place all day.
- Spray on damp hair and style with blow drier or use on dry hair for extra separation and finishing hold.

HEALTHY SEXY HAIR SOYL SCULPTING & BRAIDING CLAY

- The first-ever clay specifically designed for braiding, sculpting and twisting.
- Soyl contains Soy Protein for added strength and protection from the environment and Diatomaceous Earth which absorbs oil from the hair and to cause it clump up for more control while styling.
- When applied to long straight hair, it will give the hair a rough, worn texture, making it easy to achieve twists, temporary deadlocks and braids.
- Also works great on short hair to give severe matte texture and intense direction.
- On curly hair, short or long, it will instantly clump hair up and give deep, intense separation creating rope-like pieces.
- Emulsify a small amount of Soyl between hands and apply to small sections of dry hair from roots to ends. Begin braiding or sculpting as Soyl helps bond the hair to simplify the process.

CHANGE HAPPENS

The New Year is a great time for introspection and a perfect time to evaluate yourself and your salon. Change everything that doesn't make you happy. It's that simple. Picture your life the way you want to see it and then re-invent it. Change your body, change old habits, change your hairstyle, change your service menu, and change your prices. Change is frightening, invigorating, refreshing and needed. Don't procrastinate another moment. Live life like you mean it.

Someone once told me, if you're not living on the edge, you're taking up too much space. It's become my credo. I hope it works for you.

SEEDS OF ABUNDANCE

Spring is the time of re-birth and renewal. In nature, it's time to turn over the ground and plant seeds that will bring a bountiful harvest. Why not start within yourself? Plant a seed and upgrade your skills; invest in your continued education. Take classes to hone your cutting technique, your coloring expertise, your business acumen. The rewards you reap are both tangible and intangible for not only will you increase your financial prospects, but your confidence level will improve your emotional state as well. Plant a seed and invest in your health; exercise every day and eat sensibly. The discipline you utilize helps two-fold: not only will you look good, you'll feel good knowing you've accomplished your goal. Plant a seed and grow your spirit; make time to appreciate your blessings. Acknowledge others for their contribution to your life; it's a win-win situation. You win their appreciation for the acknowledgement; they win your gratitude.

Plant seeds of abundance now; you'll be all the richer for it. SH 0114

Aero Tan Temporary Tanning Spray [5.3 oz]	\$7.50	\$15.00	\$12.65	\$21.00

SUPER NATURAL LOVE COLLECTION (NEW!):

Peep Show (Allure/Coy/Envy) Eye Shadow Trio	\$8.50	\$17.00	\$14.35	\$23.95
---	--------	---------	---------	---------

The color of crushed seashells, Allure is a pale shimmer that sweeps across eyelids for a smooth finish; Coy is a soft, delicate caramel perfect for smudging in eyelid creases; and Envy is a sparkling jaded green with flecks of turquoise and silver for an unassuming, yet inviting, sheen. Peep Show crème-to-powder eye shadows apply like a cream and dry to a powder for a flawless look.

Lip Lacquer (Sugar & Rush) Double-Ended Lip Gloss	\$7.50	\$15.00	\$12.65	\$21.00
---	--------	---------	---------	---------

A delectable gloss duo that combines shine with the electricity of a sweet kiss! Sugar is a soft vanilla frosting-like glaze with just a hint of color, and Rush is a sheer, golden-fused pink for a kissable pout. Glosses can be used alone for pure shine, together or on top of a favorite lipstick.

Cheek Tint (Gel-ous)	\$7.50	\$15.00	\$12.65	\$21.00
----------------------	--------	---------	---------	---------

A new addition to the Sex Symbol line, Cheek Tint is a gelatin-like blush that is sheer and transparent or can be layered for a more dramatic appearance. With just a hint of fresh wild berries, Gel-ous flushes cheeks with a tint of color -- like a bowl of cherry gelatin. Simply sweep across cheeks using either fingertips or cosmetic sponge.

Aero Glow (Golden Rose) Shimmering Body Spray	\$7.50	\$15.00	\$12.65	\$21.00
---	--------	---------	---------	---------

For a luminescent shine, spray Golden Rose Shimmering Body Spray anywhere on the body and it will accentuate sexy, bare shoulders and midriffs. The fresh and sweet pear berry fragrance will remind you of a blissful day in spring. Aero Glow is not a sunscreen and does not protect against UV or UVB rays.

Peep Show (Allure/Coy/Envy) Eye Shadow Trio	\$8.50	\$17.00	\$14.35	\$23.95
---	--------	---------	---------	---------

The color of crushed seashells, Allure is a pale shimmer that sweeps across eyelids for a smooth finish; Coy is a soft, delicate caramel perfect for smudging in eyelid creases; and Envy is a sparkling jaded green with flecks of turquoise and silver for an unassuming, yet inviting, sheen. Peep Show crème-to-powder eye shadows apply like a cream and dry to a powder for a flawless look.

Lip Lacquer (Sugar & Rush) Double-Ended Lip Gloss	\$7.50	\$15.00	\$12.65	\$21.00
---	--------	---------	---------	---------

A delectable gloss duo that combines shine with the electricity of a sweet kiss! Sugar is a soft vanilla frosting-like glaze with just a hint of color, and Rush is a sheer, golden-fused pink for a kissable pout. Glosses can be used alone for pure shine, together or on top of a favorite lipstick.

Cheek Tint (Gel-ous)	\$7.50	\$15.00	\$12.65	\$21.00
----------------------	--------	---------	---------	---------

A new addition to the Sex Symbol line, Cheek Tint is a gelatin-like blush that is sheer and transparent or can be layered for a more dramatic appearance. With just a hint of fresh wild berries, Gel-ous flushes cheeks with a tint of color -- like a bowl of cherry gelatin. Simply sweep across cheeks using either fingertips or cosmetic sponge.

Aero Glow (Golden Rose) Shimmering Body Spray	\$7.50	\$15.00	\$12.65	\$21.00
---	--------	---------	---------	---------

For a luminescent shine, spray Golden Rose Shimmering Body Spray anywhere on the body and it will accentuate sexy, bare shoulders and midribs. The fresh and sweet pear berry fragrance will remind you of a blissful day in spring. Aero Glow is not a sunscreen and does not protect against UV or UVB rays.

SPEAKING OUT AGAINST DIVERSION

Diversion corrupts our synergy, weakens our strength as opinion leaders, and diminishes our capacity to earn. I, as stylist, salon owner, and manufacturer, am incensed from all perspectives. I don't believe that any manufacturer in our industry is exempt from this attack.

We at Sexy Hair Concepts are committed to:

- Terminate any distributors we find diverting products directly or indirectly.
- Ensuring distributors stop shipping to any salons known to be or suspected of diverting products.
- Work with other manufacturers to implement procedures which will minimize the ability to divert our product and to trace those responsible.
- Do everything in our power to legally stop retailers from selling diverted products.

I thank you for your support and hopefully together we can free our wonderful industry from this unfortunate plight.
