v.

Jarrow Formulas, Inc.

Jennifer Krisp, Interlocutory Attorney:

Opposer's consented motion (filed August 29, 2011) to further suspend proceedings to accommodate the parties' ongoing settlement efforts, considered with its August 31, 2011 supplemental filing which includes the parties' required progress report, is granted for good cause shown.¹

Proceedings herein are suspended until the resumption date of February 26, 2012, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

¹ The parties are reminded of their continued requirement to provide a detailed progress report with any future extension or suspension requests.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in opposer's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.

If the parties herein are also parties to any other Board proceedings involving the opposed mark(s), the Board should be so informed.
