v.

Jarrow Formulas, Inc.

Jennifer Krisp, Interlocutory Attorney:

Applicant's consented motion (filed March 9, 2012) to further suspend proceedings, to accommodate the parties' ongoing settlement efforts, is granted for good cause shown.

Proceedings herein are suspended until August 24, 2012, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

These proceedings have been suspended for settlement for an inordinate length of time, and have remained in suspended status based on progress reports that essentially restate that the matter involves multiple applications and issues, and that proceedings remain pending in another jurisdiction. From this

point forward, any motion for suspension or extension must be supported by a progress report which also include a recitation of the following activity since the expiration of the previous period of suspension: 1) each date on which counsel communicated regarding settlement of the proceedings by telephone, email, facsimile or other means; and 2) the general nature or subject matter, and conclusion if any, of each communication. The parties are reminded that they may submit confidential information under seal in accordance with prevailing rules of procedure.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set forth in applicant's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
