Re: Serial No. 78561742, Trademark application for ?sexynwicked.com?

Notice of deadline for default judgment was received by applicant

January 4, 2007. This format was chosen for response for the sake of

timeliness.

It is the belief of applicant that the bases stated for opposition to the trademark by SBO Pictures, Inc. are not sufficiently credible based on the stated goods and services use of the mark:

?Website services featuring online dating club with personal ads for common adults that are not entertainers, performers, or celebrities of any kind?.

Goods and services of the businesses represented by the marks in question have virtually no overlapping application for consumers. However, due to poor revenue and profit projections, it has been decided to cease the use of the mark for monetary profits from any goods or services, and therefore to also withdraw application for trademark.

Best Regards,

Stanley L. Whitman
