Re: Global Gold, Inc. et al. ("Opposers")
v. Liric Sales Inc. ("Applicant")
Opposition No. 91171755 / Serial No. 78562512

Dear Sir or Madam:

Reference is made to the above-referenced Notice of Opposition to the Trademark Registration no. 3,084,896 for the mark "Gold Heart". On August 7, 2006 the undersigned filed a motion on behalf of the Applicant extending the time to file Applicant's answer to the Notice of Opposition, with consent of counsel for the Opposers, which extension was granted by your office on such date.

Due to an error and oversight in my and my firm's docketing system, I entered September 11, 2006 as the last date upon which to file a further extension to answer if needed, and therefore failed to file a further extension by September 7, 2006, the date by which such extension should have been requested.

I needed additional time to communicate with my client in order to gather information and/or materials relevant to my client's proposed activities in connection with the mark in question. I had previously agreed with Opposers' counsel to provide such information and/or materials with a view toward discussing a possible settlement of the matter. Unfortunately, my client did not furnish me with the information and materials until this past Tuesday, September 12, 2006, due to travel conflicts.

I have attempted to contact Opposers' counsel via telephone and e-mail for the past four (4) days without success. I was advised that Opposers' counsel was on vacation last week and has been understandably busy this week.

Accordingly, on behalf of Applicant I respectfully request an additional extension of thirty (30) days from the date of this letter to serve written answer or objection addressed to the matters set forth in the Notice of Opposition. Notwithstanding the foregoing, I fully expect to be able to communicate with Opposers' counsel in the next few days, and will attempt to make progress toward settlement.

A copy of this letter is being served on counsel for Opposers.

I apologize for any inconvenience. Thank you for your consideration.

Respectfully submitted,

Theodore D. Weis
