Opposition No. 91172124

Galderma S.A.

v.

HCI Direct, Inc.

**Jyll S. Taylor, Administrative Trademark Judge:**

On May 23, 2007, the Board suspended proceedings herein except for matters relevant to applicant's motion for judgment. On June 15, 2007, opposer filed a consent motion for suspension, "including suspension of any further consideration of applicant's motion for judgment."

Because the parties are negotiating for a possible settlement of this matter, proceedings herein are completely suspended until **three months** from the mailing date of this order, subject to the right of either party to request resumption at any time.<sup>1</sup> See Trademark Rule 2.117(c).

---

<sup>1</sup> Until this proceeding is resumed, applicant's motion for judgment shall not be considered and opposer's response shall not be due.

In the event that there is no word from either party concerning the progress of their negotiations within the next three months, proceedings herein shall resume on September 18, 2007 for purposes of deciding applicant's motion for judgment only, without further order of the Board, and opposer will be allowed until October 8, 2007 to respond to applicant's motion for judgment.<sup>2</sup>

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
