MOTION TO EXTEND DISCOVERY AND TRIAL DATES

Opposer, with the consent of Applicant, hereby moves for a further sixty (60) extension of the discovery and trial dates in the opposition proceeding. This extension is required to allow Applicant time to execute the settlement agreement and for Applicant to file a request to amend the identification of services covered by the opposed application.

Since the grant of the last Motion to Extend Discovery and Trial Dates, Opposer has executed the Settlement Agreement. The Agreement has been sent to Applicant, who is located outside the United States. Accordingly, all that needs to be done is for Applicant to sign the Agreement and file a request to amend the identification of services covered by the opposed application.

Applicant's counsel consented to this extension in an e-mail dated December 3, 2008.

Dated: New York, New York
December 3, 2008

Respectfully submitted,
