**AGREED MOTION TO EXTEND DEADLINE FOR  
DISCOVERY RESPONSES AND OTHER TRIAL DATES**

Opposer Exxon Mobil Corporation request that all deadlines in this case be extended by an additional 30 days, so that the parties may finalize and execute a written settlement agreement.

During the time period since the parties last requested an extension of time (April 27, 2009), they have continued to make substantial progress toward settling this matter. The parties have reached a settlement in principle, and continue to diligently discuss and exchange proposed revisions to a detailed written settlement agreement. The parties' counsel had a detailed discussion regarding a few unresolved terms in the written agreement on May 18, and hope to reach closure on these issues shortly.

On May 27, 2009, Applicant's counsel Lori N. Boatright stipulated to this requested extension and authorized the filing of this agreed motion on Applicant's behalf.

Under these circumstances, the parties submit that good cause exists for this request, and that an extension would be in the best interest of all concerned, including the Board. Upon granting of this motion, the following time periods shall apply:

The period for discovery	Closed
Deadline for both parties to respond	June 26, 2009

to outstanding discovery requests

Testimony period for party  
in position of plaintiff to close  
(opening 30 days prior thereto)

August 20, 2009

Testimony period for party  
in position of defendant to close  
(opening 30 days prior thereto)

October 16, 2009

Rebuttal testimony period to close  
(opening 15 days prior thereto)

December 3, 2009

Respectfully submitted,

---
